Free X-Rays Slated Here Center

Predicting great strides against tuberculosis in 1948, George D. Anderson, Seal Sale chairman, announced today that as its first project of the New Year, the Anti-Tuberculosis League of King County will have the Christmas Seal X-Ray Unit parked in downtown Seattle Jan. 7, 8, and 9 to provide free chest x-rays.

The mobile x-ray unit will be stationed on Pike Street between Third and Fourth Avenue from 9 a.m. to 3:30 p.m. each day to offer those 18 years of age and older a chance to see how healthy their chests are.

It takes only a few moments to have an x-ray—no disrobing is necessary. A confidential report is sent to each person x-rayed within three weeks.

Where Goes the Sun?

Where goes the sun,
After the dusk
When the shades of night are
drawn?

Does it sink down
Into the sea
To smother its fiery rays?

Or does it recline
Among the hills,
And wait for the break of day?

Where goes the sun
After the dusk,
When the shades of night are
drawn?

U. S. JAPANESE SOLON?

"Why shouldn't a U. S. senator be of Japanese blood?" This challenging statement is attributed to Delegate Joseph R. Farrington, Hawaii's representative in Congress in a recent four-page article on Hawaii statehood in Time magazine.

Beginning and advanced ski classes for men and women, offered by the Young Women's Christian Association, a Red Feather Agency, started last Sunday at the Milwaukee Bowl with Ken Syverson and his staff coaching. Instructors took small groups to the snow slopes for ski learning the safe way.

The morning was devoted to instruction and the afternoon to practice. Special cars for the YW group were reserved on the Milwaukee Ski train which left the Union depot Sunday morning at eight.

Registration for these classes is now open in room 6 of the Central YW. The fee is \$4.50 for eight consecutive Sundays and the required medical examination 75 cents. Appointments may be made at EL 4800, extension 11.

Preliminary instructions concerning equipment and skit trips were given at a meeting last Tuesday evening in the YW.

The YW also sponsors a special ski trip each month for men and women. The next outing will be to Naches Pass on Sunday, Jan. 11. The round-trip fare is \$2.65 and persons interested should register in room 6 of the YW not later than Saturday, Jan. 3.

Table Arranging Taught by Nisei

CHICAGO, Ill., Jan. 6 — "Table Decorations" will be the subject of a twelve-week course taught by Dr. Mary Takahashi in the Loop YWCA, 59 E. Monroe, beginning Wednesday, Jan. 14, according to the Midwest regional office.

Based on Oriental flower arrangements, the one-hour Wednesday classes, from 6:15 to 7:15 p.m., will stress practicality and economy in table decorations, and will begin with the use of artificial flowers and such accessories as candles, mirrors, figurines and cardboard bowls. Tuition for the entire course is six dollars.

Dr. Takahashi has taught flower arrangement in numerous clubs and has been for more than two years a designer in the studios of a large wallpaper firm. Formerly of Berkeley, California, where she received her degree in optometry, Dr. Takahashi relocated from Phoenix, Arizona, and was among the first resettlers in Chicago, arriving in April, 1943. She is now living at 6238 S. Dorchester with another prominent Nisei artist, Mary Takahashi, who is an instructor in the American Academy of Art.

The Educational Center, an inter-racial cultural and recreation center serving the people living in the Jackson Street area, officially changed its name to Neighborhood House on January 1, according to Mrs. Leonard Degginger, chairman of the Board of Directors. The Educational Center is a Red Feather agency financed through the Community Chest.

The change in name was prompted by the fact that the Center is presently serving a much more widely divergent group of people through much more varied programs than when it was first founded forty-one years ago by the Seattle chapter of the National Council Women, Mrs. Degginger stated.

At that time the center was used almost exclusively by the Jewish community, as almost all of the people living in the Jackson Street area were Jewish, and the program was almost entirely educational in

nature. Formal classes in English, cooking, and sewing were the core of the agency's program. Although the Center never limited its membership to the Jewish Community, Jewish holidays were celebrated and the dramatics, festivals and ceremonies drew heavily on Jewish culture.

In recent years the number of Negroes, Japanese, Chinese and Filipinos using the Center has grown considerably, as these groups began to comprise the bulk of the population living in the neighborhood. Although still sponsored by the Council of Jewish Women, the center became a member agency of the Community Chest after its membership became more representative.

The program has also become enlarged in recent years, with a greater emphasis on recreational activities for young people. Mrs. Degginger stated. The program for young people includes arts and crafts, dress-making, music and glee clubs, dancing, dramatics, gymnasium and group athletics, and the Center is the meeting place for social clubs, Boy Scouts, Girl Scouts and other youth groups.

The basic program of the agency, Mrs. Degginger declared, is to meet the needs of an overcrowded neighborhood, to combat disturbing forces which affect home and family life, to provide educational and recreational activities for all ages, especially youth and children, and to foster better understanding of and respect for the traditions and creative impulses of all racial and cultural groups.

Chi Groups Elect New Officers

CHICAGO, Ill., Jan. 6 — Year-end elections were held by two business-social organizations in Chicago.

The 20 & 5 club elected Harry Makino, president; Tom Masuda (past president), vice president; Fred Toguri, treasurer; Dr. Masakada, secretary, and Dr. Koki Kumamoto, auditor.

The Enterprisers, at a meeting held in the home of Lincoln Shimizu, elected Ronald Shiozaki as president for the coming year. Other officers are Tats Kushida, vice president; Dr. Kats Uba, secretary; Kenny Yoshihara, treasurer; Takuji Tada, auditor.

The entire Enterprisers group voted to continue its organization for an additional two-year period to terminate in December 31, 1949. The constitution of the 20 & 5 group provides for its termination on December 31, 1948.

'HAMLET' SEEKS AUDIENCE IN JAPAN

TOKYO, Jan. 6 — Shakespeare isn't doing so well in Tokyo.

Theatres showing Japanese dramas are packed but "Hamlet" plays to an almost empty house in the downtown Imperial Theatre.

The cast of "Hamlet" was so tired of playing to nobody that its members walked out of the theatre and staged the show in a public square.

Tokyo Rose Denied Re-entry into U. S.

LOS ANGELES, Calif., Jan. 6 (Rafu Shimpō Dispatch) — Los Angeles-born Iva Ikuko Toguri, wartime propagandist during the war from Japan, better known to thousands of U. S. GI's as Tokyo Rose, will not be able to return to her native land, according to the City Council report here.

The UCLA graduate was asserted to have been cleared by both the State and Justice Depts. on a pass-

port visa recently, but latest report from R. B. Shipley, chief of the passport division of the Dept. of State, indicated otherwise.

Rejection of Tokyo Rose's request for U. S. passage apparently came as an aftermath to local demand that the 29-year-old Nisei girl who is married to D'Aquila in Japan be refused reentry into this country for her activities during the Pacific war.

Letters to the Editor

Dear Sirs:

We close our books for 1947 en-
couraged by the increasing support
which both the Nisei and Issei
throughout the country are extend-
ing to our program. We realize
that no small credit is due the
public-minded editors and others
associated with the Nisei and Ja-
panese language press for the part
they have played in supporting and
publicizing our work. It is indeed
heartening to note the growing
eagerness of the Nisei to accept res-
ponsibilities and obligations which
are so fundamentally common to all
good, loyal American citizens.

We believe that we had a good
year in 1947 and that our accom-
plishments, though small, are of no
mean significance. But obviously
we have a lot of unfinished business,
big assignments which we as mem-
bers of the JACL Anti-Discrimin-
ation Committee have entrusted to
carry out. The time for action is
now and our objective, then, is to
make 1948 a year of major triumph.
We count on your continued sup-
port. With your assistance and
backing, we feel that we can face
the new year with confidence.

To all of you we extend our
thanks and our best wishes for a
prosperous New Year.

Dear Sir:

On behalf of the Board of
Trustees of the Anti-Tuberculosis
League of King County, I wish to
thank you for the support you have
given the 1947 Christmas Seal Sale.
To date we have received only
\$140,000 which is still \$20,000 short
of our goal of \$160,000. We must
make the additional \$20,000 if we
are going to carry on the all-out
tuberculosis program during 1948.

The coming year promises to be
an important one in the control of
tuberculosis. For the first time in
history, Seattle and King County
have enough hospital beds to care
for all victims of tuberculosis. We
know that if every person would
have an x-ray, we would progress
a long step toward the eradication
of the disease that continues to
claim more lives in the productive
years of life, 15 to 44, than any
other cause of death.

The league hopes to expand its
case-finding program providing
more free chest x-ray on the
Christmas Seal X-ray Unit. How-
ever, we will need your help because
a very important part in the mass
x-ray survey is informing the peo-
ple of the facts about tuberculosis,
how it can be prevented and cured.
We know we can count on you in
this tremendous task.

Thanking you again for your as-
sistance, may we wish you a very
Happy New Year.

Sincerely yours,
(Miss) Honoria Hughes

THE Sporting Thing by bf

'Down the River of Golden Dreams'

When we were the vigorous young man who gawked and gasped for air while in the grips of enchanting diversions presented by Chicago—that big bag of hot air in the Midwest—we were very much devoted to the song, "Down the River of Golden Dreams." For "Down the River of Golden Dreams" was a popular number in cheap taxi dance halls on Clark and Wabash, to name two sites, where we spent much of our torrid night life smoking, drinking, and, in general, making a damn fool out of ourself before Lady Esther-ed girls whose simple thoughts wandered no farther than in the "Ten cents, a short dance" tickets and the patrons' bulging pocketbooks.

Chicago and her taxi dance halls, however, are no more, as far as we are concerned, but the sweet melodies of "Down the River of Golden Dreams" cling to us in our sentimental moments.

We feel strongly that "Down the River of Golden Dreams" is in spirit with our observing the passing of another year, 1947, that is.

The sports events occurring in 1947, like our rendezvous along taxi dance lane, will drift with the night into the lonely sea of hereafter, to be forgotten for good—at least, until such a period a studious historian or a stupid sports scribe like us decides to buckle down to jot down meticulously the happenings of the past.

And we did and we're glad we've finished!

Hata Swishes in 19 Points As ? Marks Beat Mercury

NOTE TO BOWLERS:

League results will be reported starting with Jan. 8 issue.

Merchants' Basketball Uniforms Stolen from NVC Man's Auto

When the South End Merchants sponsored their New Year's Eve dance last Dec. 31 in the Buddhist auditorium, little did they realize that they were waltzing and fox-trotting to the tune of a \$100 loss in basketball uniforms.

The Merchants' ten white tops, twelve gold tops and eleven blue trunks were stolen that night from an automobile belonging to a Nisei Veterans Committee member who had the responsibility of sending the uniforms, used by the Seattle NVC All-Stars in the all-Oriental cagefest, to the cleaners.

Seiiji Hata's slow-motion hook shots found their mark in the second half as the Class A Question Marks nosed out Mercury, "the people's champion," 33-30, last Friday night in the feature attraction of a basketball triple-header in the Buddhist auditorium.

Hata dunked in 15 markers in the final session to lead the doubtful lads. Art Yoshioka and Ray Otani with 8 and 6 points respectively paced the losers who were ahead 18-11 at the rest period.

The Lotus Mercury quintet knocked over its brothers, the Lancers, 23-22, in an overtime contest. R. Kumasaka was hot victors with 10 points, and Edamura and J. Oyabe performed okay for the vanquished.

When the basketball school was out in the first half, the University of Washington Coeds were trailing the WWG's 21-9. The margin proved too much "studies" for the Coeds as they lost, 31-23. Naoko Hasegawa and Betty Jean Andrews combined their digits to top the WWG's. Miss Hasegawa came through with 19, and Miss Andrews, 10. Betty Kanda with 12 and Fumi Hayashi with 8 were the Coeds' best casaba students.

The results follow:

KASHINO VOWS AID TO KIN OF GI DEAD

Shiro Kashino, chairman of the Nisei Veterans Committee, last Saturday night told THE NORTHWEST TIMES that he will strive to lay the foundation for aid to kin of Nisei GI's who died in World War II. Expressing the feeling of many members of the Nisei Veterans Committee, Kashino said he will work towards help to kin of GI's "as long as he is in office." Kashino's term expires in March.

ONTARIO, Oreg., Jan. 6—Miss Louise Yoshino, daughter of Mr. and Mrs. F. Yoshino of Weiser, Idaho, became the bride of Mr. Keizo Shigeno, son of Mr. and Mrs. K. Shigeno also of Weiser, last December 28 at a beautiful ceremony performed by the Reverend Masagi Goto in the Community Methodist Church here.

The bride, given in marriage by her father before a flower-banked altar, wore an ivory satin off-the-shoulder gown with a yoke of chiffon. The fitted long-sleeved gown had a bustle back. Her full-length lace veil fell from a beaded crown. She carried a bouquet of white orchids encircled with pink carnations and tied with pink ribbons and streamers and dainty pink flowerettes.

Preceding the ceremony, Miss Maxine Carr sang "Always" and "I Love You Truly" accompanied by Mrs. George O'Leary. They are from Weiser, Idaho.

Miss Maxine Shimbo was maid of honor, and she wore a blue taffeta gown, with a matching blue picture hat. She carried a nosegay of yellow chrysanthemums in a pink heart-shaped frame with pink ribbons and streamers.

The bridesmaids were Misses Teddy Ogami, who wore a blue taffeta gown, and June Shimbo and Kiyoko Shigeta, who wore pink gowns. Junior attendants were the Misses Shizuye Shigeno and Mary Yamagami, both wearing pink gowns. All five attendants wore matching pink picture hats and carried nosegays of pink chrysanthemums linked to heart shaped frames of blue net.

Little Sue Yasuda was flower girl, dressed in pink and carried a lovely basket filled with white chrysanthemum petals. Master Willy Sugahiro, ring bearer, carried the rings on a pink satin cushion.

Mr. Elmer Yoshino, a University of Southern California student and a brother of the bride, was best man. Ushers were Messrs. Vic Yoshino, George Yoshino, Shiz Harada, and Henry Masuda. Messrs. Kenji Nishida and Leo Goto lit the tall tapering candles.

Mrs. F. Yoshino, mother of the bride, and Mrs. K. Shigeno, mother of the bridegroom, both wore a black dress with black accessories and a corsage of gardenias.

Following the ceremony approximately 250 guests attended the reception which was held in the new building opposite the East Side Cafe. Mr. K. Wada, master of ceremonies, introduced the many speakers.

A wedding dance was held after the reception in the Gayway Ballroom where the newly-wedded couple and their friends danced to the music of George Shurtliff and his orchestra.

The bride was given in marriage by her father at the Christian Church in Twin Falls, with the Rev. Croninberger officiating.

Miss Aki Semba, sister of the bride, was maid of honor, and Mr. George Yoshihara of Jamieson, Oreg., was best man.
