Alien Property Office Gives Further Data on Recovery Of Pre-War Bank Deposits

COURT TO TRY CALIFORNIAN IN GI ATTACK

WINTERS, Yolo County, Calif., Jan. 13 (Rafu Shimpō Dispatch)—District Attorney E. L. Means of Yolo County reported this week the second trial for Pete Lopez of Esparto, charged for beating Taira Matsushita, 21-year-old Nisei veteran.

The trial will be held this Friday, Jan. 16, in the Winters Justice Court.

Meanwhile, Justice of the Peace R. E. Degener has disqualified himself and another judge will be sought. The jury in the first hearing disagreed and was dismissed.

Matsushita and Henry Akao, another veterans, were assaulted near Winters on Nov. 12 by two cattle herdsmen, one of them alleged to be Lopez who is now out on bail.

Race animosity was the cause for the attack, local officials admitted during the trial.

In two quick flareups during the middle of November, a pot shot was taken at another man, Koki Tsuji, an Esparto farmer, by a man identified by the police as Bud McLaughlin the day before the Matsushita-Akao beating.

On Nov. 29, Attorney Means was asserted to have promised Joe Grant Masaoka, JACL-ADC regional director in San Francisco, that "if we get a fair jury, you can expect full justice."

WASHINGTON, D. C., Jan. 13—Procedure in which persons of Japanese ancestry may file claims for the recovery of bank deposits, wages, and other contractual obligations, such as bond interest payments, owing to them either by the Japanese Government or by Japanese banks or other institutions whose properties have been vested by the United States Government since Dec. 7, 1941, has been further explained by officials of the Office of Alien Property.

Necessity for clarifying the matter of the proper forms to file has arisen in recent weeks out of conflicting reports reaching the regional directors of the JACL Anti-Discrimination Committee. Attorneys for Japanese clients in various areas appear to differ on what kind of obligations can be claimed in various areas appear to differ on what kind of obligations can be claimed in form APC-1C, which the Office of Alien Property has been sending to Issei and Nisei applicants. Reports reaching the Washington office of the JACL ADC indicated that there was some confusion as to what papers to file for yen and for dollar deposits in vested Japanese banks.

Contacts which the JACL ADC Washington office has maintained with OAP reveal that from APC-1C, the so-called "debt claim" form, can be used to claim both dollar and yen deposits, but claims for yen accounts in Japanese banks will only be applied to those banks whose deposits are guaranteed by the Japanese Government. This form can be used al-

so to claim as a debt any contract obligation, such as interest on Japanese Government bonds or on bonds of private concerns whose interest payments are guaranteed by the Japanese Government. It was pointed out that there are no separate OAP forms for claiming yen or dollar deposits as long as the applicants are requesting payments for debts due them.

One possible reason why confusion may exist on the claim forms was ventured by an official of the OAP who asserted that claims against dollar deposits in some Japanese banks in California apparently still can be made with the Superintendent of Banks of the State of California, whose office is carrying out the liquidation under supervision of the OAP. The OAP, however, does not handle the forms in which former depositors can file with the California banking authority.

Officials of the OAP warned, however, that although they will accept claims for filing, such acceptance does not constitute an admission of the validity or right to allowance of such claims; nor can they say at this time whether such of the claims as may be determined valid will be paid in full. They

Canadian Japanese Losses May Hit \$400,000, Winnipeg Reports

WINNEPEG, Manitoba, Jan. 13 (New Canadian Dispatch)—Claims totalling \$385,000 for evacuation property losses have been filed through the Manitoba Japanese Canadian Citizens Association and its counsel, Saul Cherniack, according to information released recently by Harold Hirose, president of the Manitoba JCCA. One hundred and thirty claims have been filed from Manitoba, 23 from Fort William and six from Geraldton.

Hirose confirmed reports of large-scale looting during the first days of the evacuation. He claimed that many Japanese Canadians could not hand over the keys to their home and buildings until they were boarding the trains.

The JCCA's complaint centers on a ruling that the commission is not empowered to consider "many hundreds of claims" dealing with properties said to have been lost through forced sales, theft or van-

dalism during the time the owner was evacuated and before the arrival of a government-appointed custodian.

A news dispatch from British Columbia quoted Justice Bird, the commissioner conducting the property losses inquiry, as saying that the inquiry might last three years.

In the meantime, Hirose said that more claims are still being received and the total to be filed from this area may reach \$400,000 before the Jan. 15 deadline.

CHEST DRIVE HERE NETS ONE AND HALF MILLION

The Community Chest campaign for 1948 netted \$1,505,724.23, representing 95 per cent of the \$1,587,744 campaign goal, Irving S. Smith, campaign chairman, announced last Thursday at the annual meeting of the Seattle-King County Community Chest and Council.

ISSEI TO HEAR A.D.C. LEADERS ON WEDNESDAY

Issei supporters of the JACL Anti-Discrimination Committee will hear a legislative report from Joe Grant Masaoka, Pacific Coast ADC director, and Elji Tanabe, Pacific Southwest JACL regional representative, when they appear at 7:30 Wednesday, Jan. 14, in the Japanese Presbyterian church.

Masaoka and Tanabe, who are on a whirlwind tour of the West Coast, are expected to arrive here the afternoon of Jan. 14.

The two will speak at a public meeting at 2 p.m. Thursday, Jan. 15, in the Thomas Buddhist temple. Japanese in the Auburn and Kent area are welcomed to attend this gathering.

Tacoma, Sumner and Fife Japanese will hear the Californians the night of Jan. 15, either in the Tacoma Japanese Methodist church or the Tacoma Buddhist temple, according to tentative plans.

Masaoka and Tanabe will head for Spokane after their stay here. They will speak before Japanese gatherings in Spokane on Jan. 16 and 17. After that, they will appear in Salt Lake City then return to San Francisco.

NVC AND THE COMMUNITY

Last week, a group of Nihon-machi's business and professional men had the cabinet of the Nisei Veterans Committee as their guests at a china-meshi dinner, during the course of which the hosts expressed their appreciation of the deeds and sacrifices of the veterans, and their desire to aid and cooperate with the NVC in its program for the future.

Outside of the testimonial banquet sponsored by the JACL over a year ago, this was the first open acknowledgement by any community group of a feeling of appreciation on their part toward the veterans; and, in turn, the veterans are appreciative of this acknowledgement and of the cooperation offered by this representative group of influential members of the local community.

At the dinner, the older men practically admitted that the lack of a large community-wide organization was due to the inability of community "leaders" to get together and provide the necessary leadership. This being the case, the practical effect was to cast the mantle of leadership upon the NVC as the only large and aggressive group in the local community. If the NVC will lead, they said, the community would follow and give whole-hearted support.

The NVC was not originally organized for such a role. It was

created solely as an organization by and for the Nisei veterans, for the fulfillment of their mutual aims. But through inevitable force of circumstances brought about by the nature of things in the Seattle Japanese community, it seems that a larger and more forceful role must and will, in the future, be played by the Nisei Veterans Committee in community affairs.

BURIAL CEREMONIES

The latest report on the return of Nisei war dead is to the effect that the bodies of those who were buried in France, will arrive in New York City about February 22, and that arrival in the depot at Auburn, Wash., may be expected about March 1.

Since the NVC has pledged its full aid and cooperation to Gold Star parents and families of deceased servicemen in the reburial of Nisei war heroes, and has plan-

ned to hold a suitable dedication ceremony to honor the memory of their comrades in arms, this project now has the Number One priority on the NVC program. And since the community's business and professional men have offered to cooperate with the NVC, this may be the first opportunity to test the value of that offer of cooperation.

HERE AND THERE

Before JOE NAKATSU's wedding on the 11th, the boys got together and held a "stag" in his honor. Confidentially, it was one of the best; for confirmation, ask any of those who were present. BILL TATSUDA, whose wife Kaz recently presented him with a brand-new baby, now has that boy he wanted to go along with his two daughters. And now, since we've run out of space, we'll say good-bye until Friday.

Martha's Beauty Shop, missing the keen kegling ability of Miye Ishikawa, suffered a 4-0 setback at the hands of Tokuda Drug last Thursday night in a SNGBO (Seattle Nisei Girls' Bowling Organization) match in Main Bowl. Tokuda, present pace setting quintet, used Joanne Furuta, Pat Hidaka and Mickey Hirao as the one-two-three punch.

Yo Kitayama socked the pins for a 526, which included a 181 and a 3-1 decision to Toda's Optometrists. 192, but Frank's Jewelry dropped a Fumi Suzuki had 442 for the victors.

Rolling in fine style, Jean Numoto, hitting 178, 153, and 193 for the night's high 529, helped China Import & Export walk over Hab's Sports Shop, 4-0. Gladys Hamano was second best for China Import with a 447 series.

Karikomi's Insurance team gave Main St. Service a good going-over last Thursday night in a City Merchants League game in Main Bowl. The insuranceemen, featuring a 500-plus policy sanctioned by Pancho Nakashima, Ed Horiuchi and Tuck Tada, blanked the service lads, 4-0, to boost their league lead by four games over their closest foe, International Realty. Tomio Hamasaki was the service gang's only hot shot; he fired a 474.

Sumio Nagamatsu rapped out a 538, followed by Yo Maekawa and Bill Ihashi who came through with 510 and 508 respectively, as Jackson Grocery injured International Realty's feelings with a 3-1 defeat. The grocers took three games even on a scratch basis despite Fred Takagi and Ossie Tsuchikawa's 500-plus efforts for the realty group.

Nisei Recreation gave Kashiwagi's Kubs eight pins per game on the handicap deal. Eight pins, however, meant little as the recreation trundlers won, 3-1, by consistent bowling. Joe Tamura had a 511 and Sueo Noritake a 497 for Nisei Recreation. Woody Nishitani with 465 and Harry Takagi with 463 were Kashiwagi's big boys.

Main Drug had it easy, white-washing the Rookies of Northwest Times, 4-0. The druggists bowled 150-plus average, and the Rookies tried hard. Nobu Suyama of Main Drug finished strong with a 210 game. TACOMA GIRLS BEAT STARLETS IN TILT HERE

Three Tacoma teams—the Bussei girls, the Bussei "B"s and the Ciracs—dropped in to fill their booking in the Nisei Veterans Committee's cage tripleheader last Friday night in the Buddhist auditorium.

Only one of the teams, the Bussei girls, returned home as victors. The Bussei girls, led by Mid. Tanabe who bombed the hoop for 17 points, took all the starlight out of the Lotus Starlets, winning 31 to 16. Marianne Otoshi and Peggy Nagata were the Starlet's illuminating point-earners.

Seattle's Class B Lotus Mercury opened the maple court show by outclassing Tacoma Bussei in every department of the game to emerge victorious, 30-11. Tacoma was behind 15-3 at half time.

The Question Marks left little doubt in the minds of rugged Tacoma Ciracs that they can play a rough game and still win. The Marks marked up 45 points to dump the Ciracs, 45-30, in a battle which was strewn with more than two dozen fouls. Wat Endo slipped away just enough times to post 12 points to lead the Marks in the marking sheet.

The results follow:

LOS ANGELES, Calif., Jan. 13—Before a crowd of 1,200 basketball fans in the CYO gym last Thursday night, the Hawaii All-Stars put on a display of the form that racked up six victories in seven starts on the mainland to take out a one-point decision over the Nisei Vets, 39 to 38.

Breaking their one-lead, three, four, and five men into the forecourt, the Hawaii All-Stars started out like a house on fire to ring up a 16 to 7 margin by the end of the first quarter. The Vets started their second stringers.

The halftime score was 26 to 20. Battling back and forth into the closing minutes, baskets by Ted Tada and Hide Uba put the NVA team ahead, 33-37. Tada Odo cut a pass and sunk it to put the Hawaii All-Stars ahead, 39 to 38, with 35 seconds to go. The Vets went down the floor and missed their shot and that was the game.

In the preliminary tilt, Nisei Vets slaughtered the YBA Bucs, 30 to 18.

The scoring follows:

Claims

(Continued from Page One)

pointed out that payments made by the OAP to claimants depend upon the amount of money realized from the assets received in any given case and the amount of claims filed.

Though considerable time will elapse until the claims are eventually satisfied since the liquidation of vested properties is a slow and ponderous operation, the OAP indicated that those in doubt might still find it opportune to file a claim whether it be against yen or against dollar deposits in Japanese banks vested in this country. In regard to the possibility of obtaining satisfaction in claims on Japanese bonds, they asserted some assets of the Japanese Government had been seized and that claims by qualified individuals based on obligations, bonds or otherwise, owing to them by that Government are being accepted.

The Washington office of the JACL ADC meanwhile has learned that Feb. 25, 1948 has been fixed as the deadline for filing debt claims against 24 more Japanese individuals and business enterprises whose property was seized as alien property prior to Jan. 1, 1947. They include such

firms as the American branches of the Asano Bussan Co., Itoh & Co., Morimura Bros., Inc., S. Murata & Co.; and Showa Tsusho Kaisha, Ltd.

Creditors of persons or firms whose property has been taken over by the U. S. Government under the Trading with the Enemy Act may file claims with the Attorney General. Of the debt, claims for wages receive priority, the Washington office of the JACL ADC learned. From APC-1C, Notice of Claim for Payment of Debt, can be obtained from the Office of Alien Property, Justice Department, Washington, 25, D. C.
