

## Amend 1907 Order to Permit Entry Of Hawaiian Japanese Aliens to U. S., Department of Interior Proposes

WASHINGTON, D. C., Feb. 18—The Department of Interior has taken the first official step aimed at correcting the limited passports situation. A request for administrative action was initiated by the Washington office of the JACL Anti-Discrimination Committee several weeks ago.

Interior Undersecretary Oscar L. Chapman, the Washington JACL ADC office reveals, last week approached Labor Secretary Schwellenbach for suggestions on a proposal to amend the Executive Order of 1907 so as to permit the entry into the continental United States from Hawaii of Japanese aliens who were legally admitted into the territory under limited passports. An identical request has gone to Watson B. Miller, Commissioner of the Immigration and Naturalization Service, from James P. Davis, director of the Interior Department's Division of Territories and Island Possessions.

Pointing out that relaxation of the rigid immigration bars would affect only a small number of persons, both Undersecretary Chapman and Director Davis emphasized that it would be "extremely unlikely" that the entry of these aliens from Hawaii, most of whom are well over 60 years of age, could adversely affect labor conditions here. They recalled that the 1907 order was issued to arrest the flow of Japanese laborers from Hawaii and that it grew out of Congressional fears that the entry of unauthorized immigrants would undermine the labor market. They indicated that conditions since have changed.

Further, they stressed the restraint upon the Japanese aliens leaving Hawaii for the mainland makes for great hardship in many cases and that continued enforcement of the executive order discriminates against the Japanese alien

group in Hawaii by placing them in a less favorable position than those in the continental United States or those in the other territories and possessions. "It also runs counter to the general policy of free movement between all the territories and the mainland", they added.

The Interior Undersecretary noted that many of these persons have children and dependents who are American citizens. The latter have established homes on the mainland but their aged parents are unable to visit or live with them permanently. Some, it was recalled, who have somehow managed to reach the mainland, are now subject to deportation back to Hawaii despite their advanced age.

In soliciting comments from Mr. Schellenbach, Mr. Chapman revealed in his letter that the Department of Interior is considering suggesting to the President that the 1907 Executive Order be amended so as to permit the Japanese aliens in Hawaii, who came there under limited passports, to enter the mainland for permanent residence. Mr. Chapman thought that the entry of a few Japanese would have no adverse effect upon labor conditions in the continental United States.

## General Clark Warns Hawaiian Nisei Against Communist Propaganda

SAN FRANCISCO, Feb. 18—Gen. Mark Clark, commander of the 6th army, returned from a month long tour of Hawaii last week and expressed pleasure at his reunion with Hawaii members of the famed 442d regimental combat team and 100th battalion with whom he fought in Italy.

While in the Islands, Gen. Clark participated in the ceremonies at which the 442nd and 100th were re-activated as national reserve army units at Fort DeRussy. He extolled the record of the Nisei outfits, saying "never was a finer record written on the field of battle."

The general, Mrs. Clark and their daughter, Patricia Ann, were feted by 750 Nisei veterans and their families at a mammoth "luau" during their stay in Hawaii.

In an interview in Honolulu he told the Nisei to remain alert to Communist propaganda which he said would breed discord among the cosmopolitan races in Hawaii. Gen. Clark said he could speak from personal experience on the subject of Communism from his post-war experiences as military commander in Austria.

## 'USS Munemori' Redesignation Set for March

WASHINGTON, D. C., Feb. 18—A redesignation ceremony for the purpose of officially changing the United Army Transport "Wilson Victory" to the "Pvt. Sadao S. Munemori" is tentatively set to take place at the Brooklyn Army Base in Brooklyn, New York early in March.

The order for renaming 29 ships in honor of the Congressional Medal of Honor winners of World War II was issued by the Department of the Army on October 31, 1947.

At that time in honor of Pfc. Munemori, who was killed in action near Seravezza, Italy, on April 5, 1945, and who was posthumously awarded the Medal of Honor on March 13, 1946, it was announced that the "Wilson Victory" would be redesignated the "Munemori."

For the redesignation ceremony Major General Ewart G. Plank of the New York Port of Embarkation has sent a letter of Mrs. Nawa Munemori in Long Beach stating that they would be greatly honored if she could be present as a special guest for the occasion.

The letter in parts says, "we should like to have you present an enlarged photograph and citation of your son which we have produced and framed to hang in a prominent part of the ship."

But he says, "we regret very much that we have no government funds to defray transportation expenses."

Mrs. Munemori says that she will be unable to attend.

The local JACL is contacting New York to have a representative of the New York CL act on behalf of the Munemori family.

## Trip to Japan Costs \$2,085 On APL Ships

SAN FRANCISCO, Feb. 18—Want to take a little trip to Japan? The American President line can give you a luxurious suite on the new liner President Cleveland for \$2,085 for a one-way 25-day trip to Yokohama.

Of course, there are less costly accommodations starting as low as \$213 for a direct 12-day voyage to Yokohama, according to the rates now in effect.

The APL announced a new trans-pacific passenger schedule this week under which the President Cleveland and the soon-to-be launched President Wilson will follow a Honolulu, Manila, Hongkong, Shanghai, Yokohama, Honolulu to San Francisco route, while the General Meigs and the General Gordon will always backtrack on the same route.

This schedule will be in effect from early April with the President Cleveland's No. 3 voyage.

Rates on the President Cleveland and her sister ship are higher for the long trip to Yokohama than for the 12-day direct return trip. First class fare ranges from \$725 to as high as \$2,085 going and from \$490 to \$1,415 coming back. Third class rates are \$330 for dormitory-style and \$365 for rooms going, \$250 and \$280 coming back.

On the General Meigs and Gordon the fare to Yokohama is \$350 first class and \$213 third, while the return trip on these vessels which will be via Shanghai and Manila is \$400 first and \$238 third. The federal tax for the Hawaii portion of the trip is in addition to the above rates.

### F. E. C. Votes Early End Of Disarmament of Japan

WASHINGTON, Feb. 18—The 11-nation Far Eastern commission, without Russia's vote, today ordered an early completion of the disarmament of Japan.

The Soviet ambassador, Alexander S. Panyushkin, abstained from voting, members said, after several amendments for which he waged a vigorous fight were defeated or withdrawn.

He thus refrained from wielding the veto power held by each of the Big Four Pacific Allies—Russia, the United States, Britain and China.

Russia's delay in freeing some 750,000 Japanese war prisoners figured in the closed-door debate which preceded the vote, members said.

## Jackson St. Council Hears Economist Say Taft Bill Will Provide Additional Low-Rent Housing Units

Declaring that the part of the Taft-Ellender-Wagner bill which is of most importance to this neighborhood is the title which would provide for the construction of additional low-rent housing units, Harold Tipton, economist for Hugh B. Mitchell, Inc., urged public support for this legislation at a meeting sponsored by the Jackson Street Community Council last Sunday in Chong Wa hall.

Opposing this point of view was Tom Coppage, prominent Seattle realtor, who declared that slums do not make people, but that people make slums, and that therefore, slum clearance should be done locally instead of nationally.

A lively discussion in which most of the audience participated followed the formal presentation by the speakers. Coppage's remarks were frequently challenged, particularly those dealing with racial restrictive covenants.

One participant pointed out that her only hope for a place to live was in a public housing project because of restrictive covenants elsewhere in the city. To this, Coppage replied, "This is a problem of long-standing, and many experts consider segregation to be a good thing for everyone concerned." He also said, "I think rent control is one of the most dangerous Communist influences in America today because it undermines private property."

In summarizing, Tipton pointed out that there appeared to be a serious housing problem in this district, and that although his opponent opposed the Taft-Ellender-Wagner bill as a solution, he had failed to offer any other method of providing decent homes.

Summarizing the developments with respect to additional street lighting and permanent correction of the Jackson St. slide, Walter Rutley pointed out that if the citizens of Seattle approve proposition A, the bond issue for street

lights, additional street lights will be provided in the section bounded by 5th and 9th Avenues between Jackson and Dearborn Streets, and on Jackson and Yesler Way from 5th to 23rd and beyond. He urged that people in this neighborhood support this bond issue and encourage other people to vote for it.

"Street lighting improvements in a residential area," he said, "cannot be provided for in a bond issue but must be requested by a petition signed by at least 51% of the property owners. Such an improvement in this district could be provided at a nominal cost to each property owner, approximately \$1.50 per foot or \$75 for a 50-foot lot. James Matsuo, Civic Committee chairman, offered the services of the Council in assisting property owners to prepare such petitions.

Rutley also said that permanent correction of the slide is awaiting settlement of a dispute between the property owner and the City regarding permission to put in a bulkhead. He reported that the Jackson St. Council had gotten in touch with the Fire Marshal last Friday and that removal of the slide had been started that afternoon.

A lively discussion centered around the City's proposal to construct a viaduct over Jackson St. at 8th Avenue between Main and King, which was presented by Chin Han. It was the consensus that such a viaduct would be detrimental to the best interests of this neighborhood, and that every effort should be made to work out some alternative solution to the City's traffic problem. City Councilmen David Levine and Alfred Rochester, who were present at the meeting, both spoke on the issue, and assured the community that a public hearing would be held before any appropriation for the viaduct is authorized and that construction is not contemplated in the immediate future.

Now is the hour for all sports lovers to take note that the second annual Northwest Nisei Invitational Basketball Tournament will start at 3 p.m. this Friday, Feb. 20, in the Seattle Buddhist Auditorium.

## Nisei Files Suit Against Marshall

LOS ANGELES, Feb. 18—A suit which may determine the right of some 6,000 Nisei now in Japan to return to America was filed in superior court by attorney A. L. Wildin against Secretary of State Marshall.

The action was instituted on behalf of Miss Etsuko Arikawa, born in Gardena, Calif.

It alleges the American consul in Yokohama refused her a passport to return to the United States on the ground she had voted in a 1946 Japanese election and consequently had become a Japanese citizen.

The suit alleges Miss Arikawa voted only after General MacArthur's headquarters had given American-born Japanese permission to cast their ballots.

Miss Arikawa's parents took her to Japan in 1938 to be educated, the suit says.

Wildin recently applied for a passport to visit Japan as private counsel for a number of parents and relatives of the Nisei in Japan.

### VOTE for Mrs. F. F. Powell

Mrs. F. F. Powell, who has been a member of the City Council for more than a decade, is seeking re-election in the Seattle primaries which will be next Tuesday, Feb. 24.

Although she has not campaigned much, Mrs. Powell is familiar to the majority of voters, including the Nisei, as a capable woman who has always served the council well.

Mrs. Powell's past record and her past amiable relations with the Japanese Americans should merit a one hundred per cent support of the Nisei for her at the polls.

## INCREASED SCHOOL ALLOWANCES

Now that President Truman has made things official by affixing his signature to the bill increasing subsistence allowances for veterans attending school, student veterans will find the going a little easier. The long-awaited bill increases living allowances for single veterans from \$65 to \$75 per month; for veterans with one dependent, from \$90 to \$105 per month, and for veterans with two or more dependents, from \$90 to \$120 per month.

At a casual glance, these increases don't sound so great in amount, and few veterans will be able to get along, even under the new scale, without some source of additional income to help balance the budget. But to a married vet with one child, for example who has been getting by on \$90 per month from the government we can see how the extra \$30 is going to look like "money from heaven."

We have no doubt that all the student veterans will be able to put their additional allowances to good use one way or another. Incidentally the new law goes into effect on April 1, 1948.

## ON HOLIDAYS

Your correspondent has always been of a single mind concerning holidays—for one thing he approves very highly of them, and could even use a few more. This is by no means a novel sentiment of

course, and in fact we are quite sure our feelings in the matter are shared by a number of other people. However, your correspondent has still another idea concerning holidays, and that is to have them all fall on a Friday or a Monday; the object being, naturally, to stretch out the weekends and make them longer and "sweeter."

We are getting some welcome cooperation in this project from this year's calendar, starting with Washington's Birthday. This falls on a Sunday, which means that Monday will be taken as a holiday. The same is true of the Fourth of July. Memorial Day falls on a Monday this year, and Labor Day, of

course, is always on the first Monday in September.

Thus, it seems as though we may look forward to at least four nice long weekends to come. Our soaring spirits are somewhat dampened, however, as we contemplate the position of Christmas on the 1948 calendar. It falls on a Saturday, and somehow we feel kind of "gypped." Think of it—Christmas on a Saturday!—Somehow, it seems sort of unconstitutional.

## THIS 'N THAT

That "high wind" which swept Seattle on Saturday reminds us of a time when we played Courier League football at Garfield, more than a decade ago. The players all noticed that it was a trifle windy during one particular game, and each quarterback employed the wind to good advantage, as ordinary 30-yard punts took on a lot of extra mileage with a brisk following breeze. Later, we found out that we had played through a strong 80-mile gale—no wonder it was breezy... Another 442nd vet in the retail florist business is GEORGE IWA-SAKI, at 1211 Rainier Avenue. George has been operating his shop since around last Christmas, under the name of "Valley Florist". We notice that SHIRO IWANA, one-time Taiyo athlete, is again devoting himself to the game of golf after a lapse of several years... And so, friends, that's about "it" for this time.

## Boat Show Here Opens Feb. 21

Sturdy diesel trollers, gill seiners, and shallow draft beach seiners will compete for attention with flashy cruisers, runabouts and sailing craft at the Pacific Northwest Boat Show when Seattle's gigantic two-million-dollar marine exposition opens next Saturday, February 21, at 2 p.m. for a nine-day run in the New Seattle Armory.

Featuring of commercial craft at this year's Seattle Boat Show is an innovation in boat expositions adopted by the Pacific Northwest Marine Dealers' Association, show sponsor, at the request of hundreds of commercial fishermen.

All three fishing boats to be displayed have been designed and built especially for unloading at the 1948 show. A 34-foot diesel troller, adapted from marine architect Edwin Monk's celebrated "Skagit" design, is being shown by the Evans Engine and Equipment Company. A brand new 34-foot gill seiner, Northern Reel, has been entered in the show by Olson & Wings Marine Works. Another type of fishing boat, a 38-foot shallow draft beach seiner for Alaska salmon canner operations, is being displayed by Lester & Franck Boat Company.

Supplementing the commercial boat display will be numerous demonstrations and showings of electronic navigation marrels, gear of the most modern type.

Show hours for the huge marine exposition have been set from 2 to 10 p.m. daily and Sundays from February 21 to 29 inclusive.

TOKYO, Japan—St. Luke's chapel in the 49th General hospital was the scene of the wedding of Miss Mary Kanazawa and Mr. W. M. Shimasaki, both of Madison, Wis., last Jan. 10. The ceremony was solemnized by Maj. A. V. Murray, Episcopalian chaplain attached to Gen. MacArthur's headquarters, before an altar decorated with white chrysanthemums and lighted tapers.

The bride wore a classic gown of ivory satin, made with a sweetheart neckline, shirred bodice, scalloped pleium, and a full skirt with a train. A high crown of seed pearls held her veil, bordered with lace. She carried a bouquet of white orchids encircled with white carnations and white sweet peas.

Miss Florence Imata of Honolulu, Hawaii and Miss Alice Yoshioka, Seattle, Wash., civilian employes in Tokyo, were Miss Shimasaki's attendants. The former wore a wine red gown and carried pale yellow chrysanthemums. Miss Yoshioka chose a similar dress in blue-grey. Her flowers were wine colored chrysanthemums.

J. L. Patrick, Huntington, W. Va., technician third class, was the best man. Ko Yamada, Santa Monica, Calif., was the usher.

A reception was held in St. Paul's club, located in downtown Tokyo. Mr. and Mrs. Shimasaki spent their honeymoon at the Fujiya hotel in the Japanese mountains. They are now at home in Tokyo.

The bride, who is the daughter of Mr. and Mrs. K. Kanazawa, 602 Eugenia ave., has been assigned to the statistical and reports section of general headquarters as editorial analyst. Mr. Shimasaki whose parents are living in Sumner, Wash., is a civil engineer attached to Gen. MacArthur's headquarters. He has been in Tokyo since October 1, 1945.

# Seattle Keglers Rule Oregon Classic

## Main Bowl and China Import Walk off With First Honors in Team Events

PORTLAND, Ore., Feb. 12 (Special to The Northwest Times) — Seattle men and women keglers didn't find the "treasure of Sierra Madre" hidden in the City of Roses but they were very much satisfied in winning the men and women's team events and other awards in the Oregon Nisei Classic held last week-end in the Hollywood Alps.

Main Bowl of Seattle, consisting of Tak Shibuya, Jim Kuranishi, Herb Furuta, Tuck Tada and Bill Tanaka, smashed the maples for a 3555 total pins to win \$100 and a 35m trophy.

Queen City's China Import & Export girls earned \$50 and a trophy by amassing 1941 total pins. The winning roster comprised of Betty Tanaka, Jean Numoto, Virginia Hirai, Mary Tsuchikawa and Sue Lew.

Bill Tanaka, formerly of this city but now of Seattle, captured the men's all-events honors for the second straight time here. Tanaka, blitzing the one-three pocket for a 1592 total, received \$20 and a trophy.

Sue Lew, who rolls for Frank's Jewelry in the SNGBO (Seattle Nisei Girls Bowling Organization), posted a 524 series to win the women's singles. Her triumph gave her \$20 and an additional five dollars as a special prize for the high women's series.

Hank Tanaka, a member of the Northwest Times outfit in the City Merchants League in Seattle, paired up with Kaz Yamane of Tacoma to grab top honors in the men's doubles. They combined 1088 pins, including Tanabe's high single game of all-events, a 255, which called for a bowling canvas bag.

Other Seattleites figuring "in the money" were Virginia Hirai and Mary Tsuchikawa in the women's singles, Sumio Nagamatsu and Bill Tanaka in the men's doubles and Jean Numoto (with Mutt Furukawa of Portland) and Mary Tsuchikawa (with George Komachi, also of Portland) in the mixed doubles.

Nobi Furukawa of Portland gained

Table Net Meet Set for April

Where are all the expert ping-pongers of pre-war days? To find the answer, such stalwarts as Hach Hashiguchi, Sab Tsuboi, Mas Muramoto and Joe Fujita are cooperating with Jim Akutsu of the Seattle Nichiren church which is planning a community-wide table tennis tournament, first since the evacuation.

Nichiren will invite all churches and active clubs to enter teams to the tourney which is tentatively set for April.

Prizes, including a gold trophy to the winning team, will be given to the winners in the team, mixed doubles and singles events.

Anyone who wishes to practice is welcome to use the tables set up in the Nichiren hall.

Hawaii Stars May Participate

SALT LAKE CITY, Feb. 18—The possibility that the Hawaiian Nisei all-star bowling squad which is due to arrive on the mainland in March for a national barnstorming tour may participate in the National JACL bowling tournament loomed brightly as entries from high-scoring teams of every section of the United States were received this week by the tournament chairman, Bill Honda.

The meet will take place on March 6 and 7 at the Temple Alleys in Salt Lake City.

Expected to enter the team competition are: the Los Angeles JACL team, defending champions; the strong Okada Insurance squad that annexed the Northwest tourney in Seattle; Chicago; Oriental-Inland Oil from Ontario, Oregon; Seattle's Main Bowl; the Denver Nisei league entry; Pep 88 squad from Pocatello, Idaho.

Shig Hironaka of Ontario, last year's all-event champion will defend his trophy while Jun Kurumada of Salt Lake, 1947 singles titlist, and Shorty Tanaka and Harley Kusumoto, doubles winner in 1947, will be on deck.

It's Tournament Time in Seattle

At press time, enthusiasm in the second annual Northwest Nisei Invitational Basketball Tournament this week-end in Seattle is mounting by the hour.

The most important question to date is: Will Tokuda Drug win the second leg of the three-year perpetual trophy donated by THE NORTHWEST TIMES?

Fans pointing to such powerful aggregations as Seattle's Cathay Post 186 and Ontario JACL (Ontario, Oreg.), think the answer is "No, not this year."

If you're interested in knowing the outcome, why not drop into the Buddhist auditorium this Friday, Saturday and Sunday?
