CLARK'S MEMO URGES REVIEW OF CAL. LAW

WASHINGTON, D. C., Feb. 25—Copies of the Attorney General's memorandum urging the U. S. Supreme Court to review the Takahashi alien fishing case, the Washington office of the JACL Anti-Discrimination Committee learned today. A brief in opposition to the JACL petition for a writ of certiorari was filed by California and was signed by Attorney General Fred N. Howser and Deputy Attorney General Ralph W. Scott.

In requesting the high court not to consider the Takahashi litigation, the California attorneys hold that Section 990 of the California Fish and Game Code, which prohibits aliens ineligible to citizenship from engaging in commercial fishing, does not deny equal protection of the laws guaranteed under the 14th Amendment nor does it divest them of property without due process of law.

The State's brief argues that no property rights are involved in the case for "fishing for pleasure or profit is a privilege—not a right," and adds that the State may confer exclusive rights of fishing and hunting on its own citizens and expressly exclude aliens and nonresident citizens without violating constitutional restraints. It asserts: "It has long been recognized not only in California, but throughout the United States that free swimming fish, like game, are closed as animals ferae naturae...and, until reduced to actual possession, are the property of the State in its sovereign capacity as trustee for all its people."

The brief cites other matters of public concern in which aliens have been constitutionally barred from participation, such as the case in Ohio where an alien was prevented from conducting a pool or billiard parlor and the case in Washington where a Japanese alien was prohibited from practicing law. The brief attacked reliance on the Truax versus Raich case, asserting: "It requires no lengthy argument to show that the facts pertaining to Mr. Truax (a cook) are entirely different from those pertaining to Mr. Takahashi."

In defense of its policy of discriminating between aliens, the brief emphasizes that "basis for classification between eligible and ineligible aliens seem to have greater force and logic in its application" to the Takahashi case than it did to the Oyama alien land law case for the following four reasons:

"Firstly, Private property rights of the individual are not involved here as they were in the alien land law cases; "Secondly, Public property rights are at issue here and were not involved in the other cases; "Thirdly, Individual privilege alone is at issue here, the taking of fish being a privilege and not a right; and, "Fourthly, If a State may properly concern itself with the type of people who may possess its lands, it may also exercise similar concern as to those who take its property, namely, fish and game."

California Urges Top U. S. Court To Forget Takahashi Fish Case

WASHINGTON, D. C., Feb. 25—The State of California this week urged the United States Supreme Court not to review the Takahashi alien fishing case, the Washington office of the JACL Anti-Discrimination Committee learned today. Native Sons Aide Restates His Group's Firm Stand for Bill to Halt Japanese Flow

SAN FRANCISCO, Calif., Feb. 25—For almost a half century the Native Sons of the Golden West have opposed the Japanese as being of an unassimilable race, said John T. Regan, Executive Secretary, Native Sons of the Golden West, headquartered in San Francisco, to Joe Grant Masaoka, West Coast Director of JACL-ADC, when Masaoka called upon him last Feb. 16 for verification of a recent press report stating that the Americanism Committee of the Grand Parlor, in Sacramento, had declared it opposed "further tampering with immigration and naturalization laws relating to persons ineligible to citizenship."

Regan informed Masaoka that he had also been invited to attend this meeting which had been called by Senator Jack B. Tenney, Chairman of the California Committee on Un-American Activities, but had been unable to attend.

In 1942, Regan stated that he had been selected to file a suit to strike the names of Nisei voters off the San Francisco voters

registration lists. He said this action had been taken in conformity with the stand by their organization that the voting by Nisei diminished the full force and effect of other electors in exercising their franchise.

Furthermore, his organization is on record to urge that "the first sentence of Section 1 Article XIV, of the United States Constitution should be amended to read as follows: 'All persons born of citizens of the United States or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State where they reside.'" As such, he informed Masaoka, their organization is unalterably opposed to the naturalization of persons of Japanese ancestry.

Furthermore, their organization recommends that a promise be made by Japan in the peace treaty whereby Japan pledges itself to prevent, for all time, the immigration of Japanese to the United States and to any of its possessions.

The organization believes legislation should be enacted to prevent the immigration of Japanese to any possessions of the United States.

To support the Native Sons of the Golden West stand on the race undesirability of Japanese, Regan declared that thousands of disloyal Japanese kept in segregation at Tule Lake have not been deported and are at large in the country.

He pointed out that flagrant violations of Alien Land Law of California are common by the Japanese and they have brought pressure upon white farmers to acquire blocks of desirable farm lands.

He reiterated the belief of his organization that General John L.

VALLEY UNITS FORM PUYALLUP JACL CHAPTER

TACOMA, Feb. 25—Kaz Yamane last Thursday was elected president of the newly-reactivated Puyallup JACL (Japanese American Citizens League) chapter. The organization has in its membership Nisei living in Tacoma, Puyallup, Orting, Sumner and nearby vicinity.

Besides Yamane, others who were installed as cabinet members of the chapter are Takeo Yoshihara, delegate-at-large; Daichi Yoshioka, first vice president (Fire); Dr. K. Kusuga, second vice president (Tacoma); Tad Sasaki, third vice president (Sumner); Mickey Fukut, recording secretary; Amy Hashimoto, corresponding secretary; Johnny Fujita, treasurer and Tom Takemura and Kimi Fujimoto, social co-chairman.

As one of its first major projects, the Puyallup JACL chapter which is a combination of the pre-war Tacoma and Puyallup groups, will launch an intensive membership drive.

To send the membership drive on its way, newly-elected president Yamane named Takeo Yoshihara and Art Yamada to be captains in the Tacoma and Valley districts respectively.

The organization voted to set three dollars as the year's membership due, and two dollars for associate members. Additional \$2.50 will be assessed members who wish to subscribe to the Pacific Citizen, official organ of the Japanese American Citizens League.

Puyallup Valley JACL will hold its next meeting on March 11, and every second Thursday of the month thereafter.

Bussei Oratorical Preliminaries Set March 19 Here

Seattle's preliminaries for the English oratorical contest to be held March 27 in conjunction with the second annual Northwest Young Buddhist League's convention will be at 7:30 p.m. Friday, March 19, in the Buddhist Temple here, it was announced today.

Anyone wishing to compete in the local preliminary speechfest is asked to notify Jack Sameshima, oratorical chairman, immediately. There will be no age limit, and contestants may speak on any phase of Buddhism. Speech time will be not more than ten minutes, and the theme of all speeches must be: "Bussei, Carry On!"

Note to Bussei In Seattle:

All those who intend to attend the second post-war Northwest Young Buddhist convention to be held March 27 and 28 in Portland, Ore., are asked to contact either Sachu Yasui of the Senior Girls, EA, 2234, Jack Sameshima of the Senior Boys and Junior Boys, PR, 9928, Lucille Nakamura of the Anandas, GL, 3272 Jil, or Jane Hinno of the Starlets, PR, 9412, by Sunday Feb. 29.

DeWitt's "Final Report of Evacuation of Japanese People From The West Coast in 1942" is the final authority on the sabotage and espionage activities by the Japanese.

As a matter of history, Regan claimed congressional pressure by their organization resulted in the passage of the Oriental Exclusion Act of 1924. To maintain a united front and continue these policies he recommended that the California Joint Immigration Committee, composed of the California Department American Legion, California Grange, State Federation of Labor and the Native Sons of the Golden West, continue to function.

The Executive Secretary of the N. S. G. W. said they had 40,000 members in 140 chapters. Their chief strength lies in San Francisco, where they have a membership of 12,000. Regan claimed that more than half of California's delegation in Congress, as well as the State Legislature, are members of their organization.

When Masaoka because of his California birth asked to apply for membership, he was refused on the ground that he was not a white man.

END OF VISAS ON CHINA STOP EASES TRAVEL

Air travel to the Orient has been simplified still further by the elimination of Chinese intransit visas for passengers passing through, but not stopping over at, Shanghai, R. O. Bullwinkel, Northwest Airlines vice president, traffic, disclosed today.

Earlier, the necessity of having an American military permit for transit through Japan was eliminated for passengers going through Tokyo.

The newest Chinese regulation applies to passengers arriving and departing on the same plane from the same airport in Shanghai. Thus Manila-bound travelers are relieved of both Japan and China intransit requirements. A passport and Philippine visa is all that is required, plus, of course, the usual medical certificate.

For those who stop over in China, however, the present requirements for Chinese entry visas remain in effect.

Bullwinkel also revealed that passengers originating their trips in Okinawa are not required to obtain Chinese entry visas in advance of departure by may obtain them af-

NISEI MONUMENT...

Original plans called for placing the monument in honor of the Northwest's war dead at Washelli cemetery, but the latest consensus seems to favor a location near the Japanese community. The change of plans was due to two principal reasons:

First, any monument placed at Washelli would "compete" with the huge King County memorial, and thus the two monuments would detract from each other.

Second, memorial services held at Washelli by the Japanese community would undoubtedly conflict with services held at the larger memorial, which would be an undesirable state of affairs.

Latest reports therefore favor a location near the Japanese community, upon which to erect the community's memorial to its war heroes. The initial location may or may not be permanent. If and when plans for a community Nisei Veterans clubhouse finally materialize, the war memorial could be moved to the same location. Thus, two projects having in mind the common purpose of honoring the men who didn't come back, would be combined in a central location as a useful and perpetual memorial within the community.

market with good prospects of success.

The Austin Motor Company, England's largest, has already started a campaign advertising its four lines of cars. The pre-war conception of the Austin as a "cheese-box on wheels" will have to be discarded, as the new Austins are full-sized automobiles. The smallest Austins, starting at \$1,470 (F. O. B. New York), are only slightly smaller than the American "Big Three". The top-price Austin is definitely no midget, since it costs a cool \$6,325.

The temerity of the British in invading the home market of the greatest manufacturing nation in the world, is an interesting commentary on the present state of affairs. Of course, the British are no more able to meet their own domestic demand than are the American automobile makers. But

British internal economy needs American dollars to balance the budget. Thus, those of us who are tired waiting for that new car, may wind up buying an Austin. The British hope so, anyhow.

H. R. Clears Way for Truman Action On Ex-Newsman's Desire to Stay In United States Permanently

WASHINGTON D. C., Feb. 25—The House of Representatives yesterday passed and cleared for Executive action a bill allowing Yoneo Sakai, alien Japanese ex-newsman, to remain permanently in the United States. Sakai becomes the first Japanese male to be granted this privilege by the 80th Congress. The Senate has already approved the bill and it now awaits only the President's signature.

The Washington office of the JACL Anti-Discrimination Committee which was instrumental in securing passage of this private measure reports that Mr. Sakai, a husband of a Salinas, California Nisei and father of a child born in the United States, had rendered a valuable service to this country in the war against Japan.

From December 1, 1942 to May 1945 he served as instructor at the Navy School of Oriental Languages at Boulder, Colorado, and from June until November that same year worked with the Office of Strategic Services. Since Decem-

ber 1945 he has been employed in a teaching capacity with the Navy first at Boulder, Colorado, and more recently here in Washington.

Sakai entered the United States in 1926 as a treaty merchant. Shortly after his arrival he was employed in New York by the International Graphic Magazine, a Japanese publication. He was later transferred to Los Angeles and remained with the magazine until 1929. He then worked for the Raifu Shimpu in Los Angeles, and from April, 1932, to Dec. 6, 1941, was employed as a correspondent for the Asahi newspaper chain, the headquarters of which was in Tokyo.

With the abrogation of the Japanese treaty of commerce in 1940 he lost his status as a treaty merchant and deportation proceedings were instituted against him by the immigration authorities on the ground that he no longer held the status under which he was admitted. Congressional action thus cancels any deportation proceeding pending against him. The bill granting Mr. Sakai the right to permanent residence here was introduced last year in the Senate by Senator Edwin Johnson, Colorado Democrat.

Renaming Rites for Munemori Ship Set for March 5 in New York

WASHINGTON D. C., Feb. 25—Renaming ceremonies for the Army cargo vessel *Wilson Victory* in honor of Sadao S. Munemori, lone Nisei holder of the Congressional Medal of Honor, will be held at the Brooklyn Army Base, New York, on Friday, March 5, the Washington office of the JACL Anti-Discrimination Committee announced today. The ship will be redesignated the "Pvt. Sadao S. Munemori."

The national JACL has been asked to cooperate with Army officials in making the ceremonies a fitting tribute to the memory of this distinguished Nisei soldier. Mike Masaoka and Sam Ishikawa, national legislative director and Eastern states director of the JACL ADC, are scheduled to confer with New York Port authorities next Monday on the final arrangements.

The Japanese American Citizens League, it was also announced, has offered to provide air transportation and other necessary accommodations to the Munemori family so that it may be personally represented at the redesignation ceremonies. The invitation was sent to Long Beach, California, where the widowed mother of the late Sadao Munemori and a younger brother reside.

In extending the offer, Mike Masaoka wrote to Robert I. Munemori, brother of the hero, declaring:

"Since we in the JACL believe that this action on the part of the Army in redesignating the ship is a signal honor not only to your brother but also to his fellow Nisei soldiers who fought in both the European and Pacific theaters, we are pleased to offer to pay the transportation and other necessary expenses for yourself, your mother, or any member of your immediate family who will attend the ceremonies in Brooklyn." He said that plane accommodations from the coast and back as well as hotel and other expenses in New York would be borne by the JACL.

Robert Munemori, in an earlier communication to the Washington office of the JACL ADC, had expressed a desire to attend the rites, but had doubted whether either he or his mother, who is ill, would be able to make the cross-country trip. In view of his uncertainty, he had inquired of the possibility of the JACL representing the Munemori family at the scheduled ceremonies. Masaoka replied that he

cause of the significance of the occasion, he hoped that Robert, if not his mother, would be present when the ship is renamed. Initial notification of the redesignation ceremonies was made by Maj. Gen. Ewart G. Plank, commanding general of the New York Port of Embarkation, early this month in a letter to Mrs. Nawaen as a "small tribute from a very Munemori, mother of the Congressional Medal of Honor winner. He said that the action was being taken in grateful nation to the memory of your heroic son."

General Plank, however, tendered regret that the Army had no special funds to defray transportation expenses to the Munemori household but that if Mrs. Munemori or any of those accompanying her were able to make the long trip from California the Army would be glad to house them at Fort Hamilton during their stay in New York. The ceremonies, he added, will be held aboard the ship, followed immediately by a luncheon for the honored guests.

The ceremonies are in accordance with a program of redesignating Army Transportation Corps cargo vessels to honor the 29 winners of the Congressional Medal of Honor in World War II. The citation of Sadao Munemori and an enlarged photograph of him will be turned over to the ship's master to be hung in a prominent part of the vessel. Pfc. Munemori was killed in action near Seravezza, Italy, on April 5, 1945, shortly before the final Allied offensive in Italy. He was posthumously decorated with the nation's highest military honor at ceremonies held at Fort MacArthur, California, on March 13, 1946.

The *Wilson Victory*, the army transport which brought the men and colors of the 442nd Central Postal Directory to Italy in the summer of 1948, is the first American vessel to be named for a Nisei. The ship presently is at sea. Major General Plank, it is recalled, was among the group of Army authorities who greeted the Nisei "soldiers on their triumphant homeward from Europe.

PRESBY MOVIE TO SHOW 'GOD OF CREATION'

Vivid full-color scenes from astronomy and natural science are featured in "The God of Creation," sound motion picture to be shown at 7:30 p.m. this Saturday, Feb. 28, in the Japanese Presbyterian Church, 522-9th Avenue, South.

"The God of Creation," produced by Dr. Irwin A. Moon in the Los Angeles laboratories of Moody Institute of Science, already has been shown to more than two million people in this country and was recently introduced in Europe. It is one of a series of evangelistic films by Dr. Moon, which also includes "God of the Atom" and "They Live Forever."

In the opening section of "The God of Creation," the audience travels to the stars to view the complexities of our own solar system. The astronomical photographs were taken through the giant 100 inch telescope of Mount Wilson Observatory in southern California.

Lapse-time photography is utilized to demonstrate the beauties of natural science, as flower buds appear to develop into full-blown blossoms in a few seconds. The metamorphosis of a caterpillar from worm to butterfly and the pollination of flowers are also seen on the screen.

Believed to be the first of their kind are the natural-color pictures of photosynthesis, the mysterious food-manufacturing process resulting from the action of sunlight on leaves. At the conclusion of the film, photomicrography enables the audience to see the tiny organisms in a drop of water enlarged more than a million times.

"The God of Creation" will be shown by the Rev. Lloyd Swanson, Moody film representative.

The general public is cordially invited to attend. There is no charge for admission but a free will offering will be taken at the close of the showing of the film. This offering will then be sent to the Moody Institute of Science for the advancement of its research.

This young people's group has been informally meeting and carrying on its activities quietly, but now has formally organized and is inviting the Seattle community to join it in its first venture as an official organization, to be known as the Nisei Country Club.

Tickets will go on sale from this week or may be purchased at the door.

Orders Dismissal Of Escheat Cases

SAN FRANCISCO, Calif., Feb. 25—All county district attorneys in the state have been sent orders to ask the courts to dismiss pending escheat proceedings instituted by the state and counties under the alien land law against Nisei property owners.

This was the information telephoned by Jack W. Hardy of the state attorney general's office in Los Angeles to James C. Purcell, local attorney and counsel for the Northern California Civil Rights Defense Union, Wednesday.

Hardy was recently appointed by Attorney General Fred N. Howes to clear up all pending cases following the U. S. supreme court decision in favor of Fred Oyama in the now celebrated case.

All the county district attorneys are expected to present the dismissal petition signed by Hardy to their respective courts in a few days.

Purcell declared that he had already contacted district attorneys of Monterey, San Joaquin and Fresno counties and announced that all CRDU cases now pending in those areas except two will probably be dismissed by next Wednesday.

The two exceptions are cases pending in federal courts.

? MARKS SPILL TACOMA, 51-25, IN 'A' BATTLE

PORTLAND, Oreg., Feb. 25—League-leading Cascade Produce team fell off its top position last Friday night at the Hollywood Alleys in the ONBL as the Lombard Food Center sparked by Tak Akamatsu's brilliant trundling grabbed a 3-1 win.

Akamatsu rolled a 163-191-210-564 series to prove the big thorn in the sides of the producers and the best that Cascade could do was Peter Furukawa's 511 series.

Azumano Insurance returned to its favorite role of league leaders at the expense of the Tsuboi Jewelers by wrapping up a 4-0 win. Azumano's win coupled with Cascade's loss put the Insurancemen in first position by 3 full games. High man for the Azumano team was Tosh Shimizu's 521 series.

The Sono team rudely dumped Motor Clinic for a 3-1 count with Tom Shiiki of the victors spanking the pins for a good 523 series. Anchormen "Duke" Tanaka of the motormen prevented a complete whitewash by rolling a 209 game and 528 series for Motor Clinic.

In the other league game, Kern Park Floral and Russelville split 2-2 to retain their respective standings in the league.

Whip High-Touted Cathay, 37-25; Mercury Five Surprises Fans to Win Consolation; H. S. Tops Girl Sextets

VICTORS SNARE SECOND LEG OF 3-YEAR TROPHY

The second leg of the beautiful three-year perpetual trophy given by THE NORTHWEST TIMES as a grand prize in the newspaper's second annual Northwest Nisei Invitational Basketball Tournament was acquired by Coach Stan Kari-komi's hustling Tokuda Drug quintet last Sunday afternoon before a full house in the Buddhist Auditorium.

Playing a cool, deliberate, sharp-breaking game and employing a crafty, tightly-knit zone defense, Tokuda's halted the highly-touted Cathay Post 186 five, current leader in the NVC circuit, by a 37-25 count in the championship struggle.

The Chinese from the King St. area, who had trimmed Tokuda's in two previous meetings in NVC-league encounters, were a tired, weary band of hoop warriors when the game was finished. At half time, they were ahead, 15-14, and in the early phase of the last half they enjoyed a seemingly comfortable four-point lead. But then, the weight of "too many games" told on the slippery and wiry bodies of all-stars Al Mar and Phil Mar Hing, both of whom are starters on the Collins fieldhouse team which is entered in the Northwest AATU tournament.

Kari-komi's charges launched their tedious task of trimming, tieing and finally overcoming Cathay's lead midway in the second half.

The Cathay battle cry was "Watch 77!" but Shobo Fujii, Mote Yasuda and Chuck Kinoshita came through in fine fashion to mark up for the two-time champions' pressing second-half drive. "77" was Isao Nishimura, who easily was the most outstanding man in Tokuda's championship-repeating effort.

Glen Yee, springy Cathay forward, caged three two-pointers in the first half but was held to a stingy field goal in the last half. Yee was Cathay's top bucket-earner with 8 points.

Cathay's chances of retaliating at Tokuda's strong push in the last half were marred during the closing minutes of the game when Phil Mar Hing, the clever center, was ousted by the referee for five penalties.

Tokuda's entered the championship finals by whipping Portland Stars, 38-13, and South End Merchant Reds, 29-26, and Cathay by beating Ontario, 31-28, and Mercury, 33-24.

Mercury, "the people's choice", had the fans going with its fast-passing, quick-breaking attack and literally outran its opponents to capture the consolation championship.

Mercury, drilled to the minute on a running offense, extinguished the spark out of the Portland Stars in the consolation finals, 40 to 34. The Seattle youths, paced by brilliant Ray Otani in the first half and long-shot artist George Kozu in the second half, outfoiled their taller opponents throughout the last period. Gay Chin, Shig Sakamoto and Mickey Tamiyasu, the latter Portland's number one point-winner, kept up a threatening barrage of shots for the losers.

Portland led, 19-17, at the half, but Mercury summoned its speed in the final drive to win.

Mercury was bracketed into the consolation finals via this route: defeated Beacon Cleaners (Spokane), 22-19, lost to Cathay Post 186, 33-24, tripped South End Merchant Reds, 24-18. Portland Stars lost to Tokuda Drug, 38-13, dumped Portland Old-Timers, 35-16, nosed out Ontario, 28-24.

Main Drug was men's consolation winner in the '47 meet.

LOCAL CHAMPS TOPPLE WWG'S IN 22-19 TILT

Thrusting forth the fury of Decko Iwasaki and Keiko Kitayama's 12 and 10 point-effort, Mentor Johnny Kawaguchi's High School sextet, '47 Seattle championship outfit, annexed the women's title in the second annual Northwest Nisei Invitational Basketball Tournament last week-end in Buddhist Auditorium here.

High School stopped the challenging WWG's, 22 to 19, in a bitter contest which saw Betty Jean Andrews valiantly upholding the

EXCITED—and happy is Decko Iwasaki, star H. S. forward, who receives a trophy designating High School as the Northwest Nisei women basketball championship team. Presenting the award is Gene Boyd, Collins fieldhouse's popular director who did the honors at the successful dance which climaxed the second annual Northwest Nisei Invitational Basketball Tournament in the Buddhist Auditorium.

WWG's scoring punch with 15 points. Miss Andrews tallied ten of them in the first half but was checked to one field goal and three penalty shots by High School's hard-checking Carol Dady.

The winners hit the championship road by walking over Lotus, 21-9, and the losers by checking Anna Kay's, 32-23.

The Portland girls were the victors in the '47 tourney.

THE Sporting Thing by bf

Haruo and Hiro were Behind the Scenes...
Everybody we knew thumped us on the back and said, "Nice tournament", that is, the second annual Northwest Nisei Invitational Basketball Tournament which was concluded last week-end in the Buddhist Auditorium.

They forgot that Hiro Nishimura and Haruo Kato, both of whom were in the armed services during World War II, were the co-chairman and

the "big wheels" behind the smooth-operating tournament machine.

Hiro and Haruo turned in a fine job, they had a very capable force behind them too. The force included scorekeeper Bill Beach, timekeepers Tak Miyahara and Kassie Kaseguma, and announcers Jimmy Mar, Shiro Kashino and Mack Shoji. And there were many, many others who helped, and our thanks to them.

Fukuda, Sparky Kono and Thomas Masuda...

Among the guests were the Messrs. and Mesdames Robert Okl, Shig Hamasaki, Shimasaki and son Larry, M. Kodani, J. Hamasaki, Tatasumi, K. Tsuji, Mrs. S. Okl, the Misses Fumi Ishikawa and
