V. C. L. BANQUET TONIGHT WILL OPEN NEW POLITIC LIFE

Organization, Outgrowth of Citizens Convention, Inaugurates Era Of Political Consciousness; Civic Leaders To Speak

TAKAYOSHI WILL SING

AUBURN, Wash.—The newly organized Valley Civic League, as an outgrowth of the Japanese-American Citizens convention held in Seattle recently, is to get under way with an inaugural banquet this evening at the local Chamber of Commerce from 6:30 p. m., when Sen. Lunn, 30th state senatorial district, and Mayor McKee of this city will participate in the inaugural ceremonies for this organization to stimulate a proper political interest among American voters of Japanese ancestry in this valley.

It is a significant fact that a political consciousness has been awakened among Americans of Japanese ancestry in this valley district, which is being taken as an augury of the day when these young people will take the place of their parents and become a contributing factor in the civic life of their respective communities and sections.

Consciousness Growing

This political consciousness seems to have been aroused since the Seattle convention and has been in the ascendancy with definite and practical turn in the formation of the Valley Civic League nearly three weeks ago at Thomas.

As its first president, the 16 charter members elected John Ari-ma, a University of Washington graduate, to assume the executive office, with George Yasumura as secretary and Fred Okimoto, of Kent, as treasurer.

The two vice-presidents were elected later and have been the first of the women to join the organization. They were Mary Maeda, first vice-president, Kent, and Fumi Yamana, second vice-president, Christopher.

Interest Well Laid

The interest in this citizens' movement has been well laid by these officers and charter members, and the propitious moment taken to sponsor this league is indicated in the figures compiled for three of the main townships in the Valley. It is estimated that there are some 441 Americans of Japanese ancestry in the three towns of O'Brien, Orilla and Kent, of whom 235 are men and 206 women.

Of this number 61 and more are at or above high school age, while 209 and more are of grammar school age. If the Thomas section and this city, together with Algona and other towns, are taken into consideration, the number of American-born Japanese might be placed at more than 600, of which number more than 100 would be of voting age.

The start made by the Valley Civic League is being heralded in all nearby centers as a good one, painting an optimistic picture of second generation activity in the civic life of their respective communities.

Unity Sought

The inaugural banquet this evening is intended to bring the citizens of Japanese ancestry into closer unity in the stimulation of greater political interest that their participation in the political life of their district may be assured.

For this reason Sen. Lunn, who remains unopposed in his district for the state senate, is to be the principal speaker, and it is believed that in his address he will point out the necessity of living up to the rights held by American citizens. Mayor McKee is to open this banquet with an address of welcome, as he will also administer the oath of allegiance and pledge to the members of the League.

The affair is to be a big one and besides the members of the new league, representatives from the various sections are also expected to attend. Among the guests for the evening will be the officers of the Seattle Progressive Citizens League. Clarence T. Arai, president of the Seattle league, will be one of the speakers while Ashley E. Holden, of Seattle, will also be a speaker on the program.

Welly Shibata will be on hand with a surprise up his sleeve, while Tomeu Takayoshi will sing several songs.

INNER OCTOBER TO LAUNCH V. C

Senator Lunn, Mayor McKee Of
Auburn, Seattle Speakers
Slated To Talk

ARAI, A. HOLDEN TO ATTEND

THOMAS, Wash. — Preparations are now under way to launch the Valley Civic League when this citizens organization for Americans of Japanese ancestry holds forth in its inaugural banquet at the Auburn Chamber of Commerce on Saturday, October 4, from 6:30 p. m.

More than 100 names have already been affixed to the roster of this League which was organized by the representatives from various sections two weeks ago. The coming affair is to launch the citizens' movement in the valley district, and in order to help stimulate the proper interest in the organization, Senator Lunn from this district to the state legislature is to be requested to participate at the banquet as the principal speaker.

Mayor McKee of Auburn will, undoubtedly, make the welcome address and administer the oath of allegiance and pledge to the League for the organization.

League Strong

This new citizens league is well founded and its membership is drawn chiefly from Thomas, Auburn, Kent, O'Brien, Orillia and Algona. Other eligible members are beginning to come to the call of the League and in time it is expected to be one of the largest organizations of its kind in the Northwest.

Two weeks ago the League started out with its 15 charter members, but within a week more than 60 members had joined the new chapter of the Japanese-American Citizens League which recently held its convention in a highly successful manner in Seattle.

The banquet to be held next Saturday is to be a big affair and besides calling the mayor of Auburn to make the opening and welcome address and Sen. Lunn to give the principal address of the evening, Clarence T. Arai, president of the Seattle Citizens League, and Ashley E. Holden are also to be on the speakers list.

Japanese Speaker

One Japanese speaker, who is to be selected from among the prominent residents of the valley district, is also to be called on to address the banquet. As plans are at present an impressive ceremony is booked for the members when they take their oath of allegiance and pledge their loyalty to the League.

Various Seattle people are to be invited to this gathering, and among them are to be the officers of the Seattle Progressive Citizens League. The others will be prominent Seattle newspaper publishers, organization heads, pioneers and business men.

Tomeu Takayoshi, prominent Northwest second generation vocalist, is also to be on the bill, and he will be supported by some local talent.

The banquet will probably be opened by the program chairman Terada, and after the opening numbers the meeting is to be turned over to John Arima, president of the League. The other officers of the organization are: George Yasumura, secretary, and Fred Okimoto, treasurer. Vice-presidents who were elected after the first meeting are as follows: Mary Maeda of Kent, first vice-president, and Fumi Yamana, Christopher, second vice-president.
