

Thank  
You

Dear  
Lionel

I thank you very much for  
the nice dinner and the  
gift. I'm sure this clock will  
come in very handy and I'll  
make very good use of it. Also  
I'm very sorry everything had  
to be rushed but we did have to  
get our annuals. Thank you  
once again for all your trouble  
and everything that went into  
the dinner. I'm sure it was

enjoyed by all.

Sincerely,

Sharon
