

Greetings from your new Prexy - - - - -

"The Japanese American Citizen's League is in existence because there are problems and adjustments which are peculiar to Americans of Japanese ancestry." So begins the Statement of Policy.

There is no question as to the splendid cooperation most of the Japanese-Americans are giving to their own community. Participation in the field of sports and in PTA work and youth organizations are outstanding. Many of these activities are limited in the size of their organization, however, but we do not underestimate their effectiveness. Every inch of their efforts and participations as individuals forms a milestone in the JAACL movement.

Because one's interest differs from that of others, we cannot ignore the impact and consequences that may result from it. As a united group, I believe we can strengthen this goodwill and achievement that has been made, as individuals.

In number there is strength. Your support is greatly appreciated.

President,

Hiroshi Nakayama

"Ex-Pres." Ex Presses Thanks - - - - -

After considerable work by a committee of Puyallup Valley members, especially Dr. John Kanda, the White River Chapter of the JAACL was reactivated at the first Installation of Officers at the Farm Inn Restaurant on May 27, 1961.

It has been an honor and pleasure to have been the president during the past two years. In that time many things have transpired: Family Night, Sukiyaki dinners, picnics, conventions, meetings, special projects such as the SJR issue, Issei History, etc. Without the cooperation of the officers, as well as the committee members on the various projects, I would not have been able to accomplish the work that has been done in this area. It is fitting at this time to thank all of you for the splendid cooperation and help given me during my term of office.

A report on the General Election Dinner meeting held at the Reef Restaurant in Kent on December 10, 1962. As you know, the following officers were selected: President: Hiroshi Nakayama; 1st Vice-Pres.: Frank Okimoto, 2nd Vice-Pres.: John Hamakami; Recording Secretary: Rosie Shimojima; Corresponding Secretary: Jean Sakita; Treasurer: George Kawasaki; Board Delegate: William Maebori, 1000 Club Chairman: Koji Norikane; Social Chairman: Joe Nishimoto and Historian: Tedi Kanda. Mr. Waldo Carlson, Auburn Chamber of Commerce Secretary, gave a splendid talk on his trip to Europe. There were thirty-three members in attendance.
