

NOTICE OF MEETING
OF THE
PACIFIC NORTHWEST DISTRICT COUNCIL

TO: ALL CHAPTER OFFICERS AND BOARD MEMBERS

FROM: TORU SAKAHARA, Chairman

DATE AND PLACE OF MEETING

November 9 and 10, 1963 at the BENSON HOTEL, Portland, Oregon.
First business session will be called to order at 3:00 p.m.,
Saturday, November 9.

DISTRICT CONVENTION

Each chapter is urged to make every effort to bring as many members as possible. Portland Chapter, your host, has arranged an outstanding program. K. Patrick Okura, our National President, will be present. Daniel K. Inouye, Senator from Hawaii, will be principal speaker at the Convention Banquet. Send reservations as soon as firmed up to GEORGE AZUMANO, Convention Chairman, 200 S.W. Fourth Avenue, Portland 4, Oregon.

CHAPTER CLINIC

Make sure that the nominees as officers and board members of your Chapter for 1964, or elected officers and board members, attend the Convention and District Council Meeting. The Chapter Clinic will be helpful in getting the chapter program "off the ground" for the coming year. National President Pat Okura and National Director Mas Satow will participate in this Clinic, bringing the experience of successful programs in other Chapters.

ISSEI STORY PROJECT

This important program is getting down to cases. Professor Frank Miyamoto is in charge of gathering data for selection of persons to be interviewed and to conduct the interviews. Immediate and longer range Chapter responsibilities will be "nailed down."

CIVIL RIGHTS AND CIVIL RIGHTS ACTIVITIES

Current developments demand we keep up to date. Plans for the coming biennium for the District Council should be considered, along with chapter organization for the coming year.

NATIONAL CONVENTION

Plans for the District Council Oratorical Contest require that chapter contests be scheduled and completed so we will have a strong representative at the National Finals. Please give consideration to suggested candidates for nominees to National office from our District, because this has a bearing on the selection of our member on the National Nominations Committee. Also, plans for other pre-national convention publicity and activity will be made.

CHAPTER OF THE BIENNIUM AWARD

This is an award given to the chapter in our District Council with the most outstanding record of activities during the 1962-1963 biennium. Please bring a list and description of your chapter activities. Such activities should include participation with others in your communities, as well as internal chapter programs. Presentation of the award at the Convention dinner is planned.

OTHER BUSINESS

Election of District Council officers will be held Saturday. Further nominations will be accepted, but be sure that your nominee is agreeable. Other national, district and chapter reports will be heard and plans made.

SEE YOU ALL IN PORTLAND!
