

# BEST FORMULATES PROCEDURE TO SELECT REPRESENTATIVE BODY

## MAY 22 SET FOR WARD COUNCIL ELECTIONS,

## TO SELECT ARRANGEMENTS COMMITTEE MAY 25

Definite procedure for the organization of an Arrangements Committee to plan and supervise the establishment of a permanent Representative Committee was released in a memorandum issued today by Ray R. Best, project director.

This action was decided upon "in a spirit of helpfulness and cooperation" on the part of the Administration because of the lack of substantial response to the Administration's invitation to proceed with the formation of the committee.

An election by secret ballot of Block Delegates to Ward Councils will be held May 22 from 2 to 8 p.m. in each block manager's office, following preliminary

block meetings on May 18, under the pro tem chairmanship of the block manager to nominate five candidates and to choose an Election Board consisting of three to five members. The board members, who will be excused from their duties on the election date, will prepare lists of eligible voters (all residents 18 years of age and over), preside over the election, and certify the results to the project director through block managers and Civic Organization.

### WARD COUNCILS

The Ward Councils, composed of 18 block delegates from each ward (20 in Ward VI) will meet at 2 p.m. May 25, at a convenient location to be designated by the respective Ward Representatives of Civic Organization, who will act as chairman pro tem until a permanent chairman is elected. A secretary will be appointed and a representative and an alternate who must be able to speak and understand both English and Japanese, will then be

## FAGAN RELEASES WRA POLICY ON COMPENSATORY LEAVES

### WORKER ENTITLED TO ONE DAY LEAVE FOR EACH CALENDAR MONTH

The WRA policy regarding vacation leave and sick leave of evacuee workers, was announced today by Frank Fagan, acting personnel director. Since the policy applies only since the administration of the center was turned back to the WRA in the middle of January, it was pointed out that each full time worker would be credited with one half day vacation leave for January.

The rules for accumulation vacation leave are as follows: "All regularly assigned workers are entitled to vacation leave at the rate of one day for each calendar month. Trainees and emergency wor-

kers and intermittent workers, assigned for one month or less, are not entitled to vacation leave. Vacation leave can be taken only as it has been earned and can be accumulated up to and including 12 working days. Vacation leave may be taken as elected by the worker subject to the approval of the section head, but may not be taken in units of less than one hour.

"All regularly assigned workers, both full and (cont'd on page 2)

## REPATRIATES SHOULD NOTIFY WRA AND SPANISH EMBASSY

Copies of the repatriation and expatriation applications made to the War Relocation Authority are furnished to the United States State Department, it was explained by Assistant Project Director Harry L. Black. However, he

pointed out that such copies do not automatically go to the Spanish Embassy, and that it would be advisable for each applicant to send a duplicate or separate copy to the Spanish Embassy.

The U. S. State Department customarily furnishes copies to the Spanish Embassy without request by the protecting power and endeavors to co-operate in every way. However, those who want to make sure that their applications are on file with both the Spanish Embassy and the United States State Department, should themselves file separately.

## EXPECT ARRIVAL OF SEGREGANTS

Assistant Project Director Harry L. Black disclosed that 71 segregants from Minidoka are expected to arrive this week. They will be the vanguard of the final movement of segregants from other centers to Tule Lake.

## BLACK, HUYKE TO ATTEND CONFAB PROVIDSE TO BE IN CHARGE

John C. Provinse, chief of WRA Community Management Division, departed yesterday for San Francisco from where he will leave to attend a conference in Denver. During his stay here he conferred with division heads of all sections in the Community Management Department.

Harry L. Black, assistant project director, and Lorne E. Huyke, supervisor of Community Activities, will leave for Denver this week to attend a week's conference with Community Management officials of other centers. Discussion of community activities problems will be under the chairmanship of John Provinse.

# REOPENING OF LEUPP NOT CONFIRMED HERE: BEST

(Editor's Note: The text of a news release from Washington is printed here, but Project Director Ray R. Best states that no confirmation has been received at the center. He indicated also that if any such action is taken he does not anticipate that it will be during the coming month. The number of people involved as stated in the text of the release and the date are apparently incorrect.)

Plans of the WRA to reopen the Leupp Center near Winslow, Arizona, about May 15 were announced recently by Secretary of Interior Harold L. Ickes. The center is being reopened to take care of those evacuees of Japanese ancestry who have been agitators or troublemakers at the Tule Lake Segregation Center. It will be operated under the administration of the Tule Lake Project Director Ray Best. Approximately 100 men, the majority of them American

citizens, who were arrested after taking part in a disturbance in the Tule Lake Center last November 4 will be sent to Leupp. Since the disturbance, they have been confined in a stockade at the Tule Lake Center. Some of the aliens who took part in the disturbance have been transferred to internment camps for enemy aliens under the jurisdiction of the Department of Justice.

The supervising officer of the Leupp Center will be designated by Ray Best, who was the Director of Leupp before being appointed to his present position.

## TULE HARDBAIL SEASON OPENS; NIPPONS DUMP MANZANAR NINE, 12-6

raiser for the Taiheiyo League.

In a ceremony which preceded the contest a "nyu-joshiki" was held. All 12 nines entered in the Tai-seiyo and Taiheiyo circuits presented themselves before home plate and heard Project Director Ray Best state that the "grand old game must go on". Dr. Y. Nakamura, Tule Lake Baseball Association president, also spoke.

### BEST THROWS FIRST BALL

The traditional ball throwing ceremony found Director Best on the mound; Supervisor of Community Activities Lorne Huycke, catching; 83-year-old Fusakichi Kubota at the plate; and 84-year-old Minakichi Fukai calling the strike.

### NIPPONS TALLY FIRST

The powerful Tule Lake Nippons drew first blood against the Manzanar nine in the second frame when Yosh Negi scored on Motoo Tsuda's grounder to short stop George Tamura, who threw him out at first base. Continuing with a spree in the third inning the Nippons' stick wielders literally ruined the Manzanar aggregation with four more runs. Yosh Negi proved to be the big gun in this canto by emptying the bases with his terrific triple to center field.

In the fourth frame winners' Keizo Komura repeated teammate Negi's performance by harrassing the Manzanar further by bringing in two more runs.

Manzanar came to life in the bottom half of the fourth when clean-up man Tee Kamoto crossed the home plate on third baseman George Hattori's bin-

gle to right. The batting guns of the Nippons sounded once more in the sixth when catcher Johnny Kimoto and Keizo Komura rounded the bases to add two more digits to their already top heavy score.

### MANZANAR RALLIES

Coming out of their batting slump in the same inning, the Manzanar lads gave Nippons their greatest (cont'd on page 6)

Field #2 is located near Block 7; Field #3 by Block 40.

## GUADALUPE NINE BOWS TO MIKASAS IN OPENER

Good weather returned to Tule Lake long enough for John Horio to pitch the Mikasas to a 7 to 3 victory over Guadalupe before 3000 fans Sunday afternoon in the Taiseiyo loop opener.

Guadalupe worked John Horio in the

initial canto for one run. Massy Tomooka walked; moved up on a hit by Yoshito Tomooka; both runners advanced on a ground out; Massy scored on an error at second after Sorakubo lined out. By the end of the second frame Guadalupe led 2 to 0 as chucker Joe Koyanagi crossed the plate on a base hit by Kei Nishino.

### BIG INNING FOR MIKASAS

The Mikasas, who spiked the rubber for a run in the third stanza, exploded for four runs on one hit and four costly errors in the sixth inning to forge into the lead, never to relinquish it. In their half of the eighth inning the Mikasas put the game on ice by adding two more markers.

### GUADALUPE RALLIES BRIEFLY

After being blanked for six consecutive frames Guadalupe came to life in the last canto as Isamu Tomooka walked and then scored on

pinch hitter Tom Doi's triple, which was the longest hit of the day. Their rally was short-lived, however, for the next three batters flied out to give the Mikasas a 7 to 3 victory.

Johnny Horio, in going the route, gave up seven hits, three walks and three runs. Guadalupe's Joe Koyanagi allowed only five hits, while issuing four walks in eight frames.

Hitting honors went to Jimmy Enkoji of the Mikasas with 2 for 3 and loser's Yoshito Tomooka with 2 singles in 4 times at bat.

scare of the ball game by piling up 5 runs consecutively on full bases. On several occasions in this tense situation the Nippon infielders got their signals mixed and boners were pulled. Nippon chucker Yoshi Shimada was blasted off the mound and was replaced by Junius Sakuma, who held the Manzanar batting barrage to a stand still.

To retain their dignity the Nippons cashed in three more runs in the last frame to put the game on ice. When the final smoke cleared away ending this initial fracas of the Taiheiyo League the score read 12 to 6 in favor of the Nippons.

## COSTLY ERRORS

This game saw some costly Manzanar errors which the Nippons capitalized on. The batting honors went to Nippons' keystone sacker, Glenn Yamasaki and pellet-receiver John Kimoto at 3 for 5 tries at bat and Junius Sakuma, relief chucker at 2 for 2. Manzanar's Tak Takahashi hit 2 out of 3 to lead his team.

## 準備委員會に關する

### ベスト所長の覺書

ベスト所長は本日代表委員會設立に關する立案及管攝に當る準備委員會組織方法に關する覺書を發表した。其の抄譯は左の如し。

今回の覺書は、先般管理部が所民に委員會の設立方を要請した。其際、訓令中委員選出に關し、所民を逡巡させる虞があつたので、其徹底を期して發表したものである。

部落代表者選出方法

各部落は五月十八日に區支配人を假議長とし、部落會議を開催、三名乃至五名の選舉委員を選出し、選舉委員は五月廿二日午後二時より八時迄の間に、區支配人事務所にて於いて無記名投票に依り、部落代表者を選出する事。

選舉委員は當日投票者(十八日以上の所民)名簿を備へ選舉を施行、其結果を區支配人及市政部を通して所長に報告する仕務上、仕事を休む事を許可されて居る。

### 準備委員選出方法

各ウオード内の十八名の部落代表者(但し、ウオード内は二名)に依つて行はれるウオード會議は五月廿五日午後二時、市政部の區支配人ウオード左ヤマンが指定した場所に於て、開催常任議長の選出迄は、ウオード左ヤマンが假議長に當る。其際、秘書は指名に依り準備委員及補缺委員(日英兩語に堪能なる者)は相互選舉に依つて選出されるべし。

### 準備委員會の任務

準備委員會は、選舉日の選定、投票者代表委員の資格、委員の任期、空席の補充方法等を規定し選舉を管攝する事。
