COMMENCEMENT TOMORROW EVENING

3-MAN COURT TO DIRECT CANADA

SEGREGATION

VANCOUVER, B.C.--George Collins, superintendent of the British Columbia Security Commission, declared on his return from Ottawa last week that segregation of "loyal" from "disloyal" Japanese in Canada will be supervised by a three-man tribunal.

This was decided on during his meeting with Dominion Government officials during the past fortnight, Collins disclosed. How soon the machinery will go into action depends on the outcome of the special parliament session and the conscription issue.

230 GRADUATING SENIORS TO RECEIVE DIPLOMAS

The barren realities of "center life" will be momentarily forgotten by the 230 graduating seniors who will march down the aisles of the high school auditorium tomorrow evening.

With pomp and dignity as the order of the evening, graduates and faculty will exchange parting words following the Invocation by the Reverend Sei Odate. Speaking for the graduates, with the class theme "Night Brings Out the Stars," will be Kiyoshi Adachi, Helen Hisaye Miyaoka, Masaru Woodrow Okuda, Mae Miyuki Furuzawa, Masashi Nakamura and Kazuko Mitutome. Martin Gunderson, assistant project director in charge of Community Management, will present the Class of 1944 with Vice Principal Guy Cook handing out

the Honor Awards. Superintendent Kenneth Harkness will award diplomas to the following graduates: Keiichi Kayabe, Kiyoshi Adachi, Asaye Betty Akiyama, James Ando, Shigeo Aramaki, Rigeo Arima, Tideo Baba, Takeshi Chida, Mitsuteru Bill Domen, Toshiye Ebisuda, Katherine Teruya Fujihara, Alice Ryoko Fujii.

Arriving from Hawaii via Seattle, Wash., 67 Japanese Americans were processed and inducted into this center Monday morning, announced the Administration. The group was defined as Nisei excluded from Hawaii by order of the commanding general of the Hawaiian Department.

The new group, all men, is quartered in the newly-established Block 99, area in the western corner of

the center. This area is under the supervision of Administrative Officer Willard Schmidt. He has been relieved of all duties in connection with Internal Security.

J. B. Cook has been named acting chief of Internal Security, disclosed the Administration.

WORKER SUFFERS SERIOUS BURNS

Wrapped in flames from his burning work clothes, 19-year-old James Hirata of 3117-C was seriously burned Tuesday morning while working at the project oil storage area.

Hirata was burning oil rags when flames leaped onto his oil-saturated overall, igniting it instantly. Two workers on the scene, Yoshiaki Yoshida and George Yagi, rushed to the rescue and blanketed the flames.

Early hospital reports described the patient as resting quietly.

A minor fire at the Maintenance utility shed on Tuesday morning was reported by the local Fire Department.

"Clever but corny Caliph,
how about a Durham fag?"
we offered.

"What about me?" interposed the Weather Man handing us a report of 20° for the morning. Snow!

NIP THE COLD "BUG"

HOSPITAL CHIEF GIVES RULES FOR PREVENTION

The ancient adage, "an ounce of prevention is worth a pound of cure," was suggested in a recent announcement from the hospital regarding the current cold and flu attacks. Dr. Jack Sleath, chief medical officer, advised residents on certain common-sense rules to follow for the winter season.

1. Avoid undue exposure and sudden changes in temperatures -- especially after strenuous exercises

or sports.
2. At the slightest sign of a cold stay away from public gatherings, such as the movies and remain at home as much as possible. Be especially careful about exposing children to colds.

3. This rule follows the above rule. At the first symptoms of a cold or a flu, go to bed. A slight lousy feeling is the first indication.

4. Eat simply and drink lots of fluids.

CA CALENDARS Now On Sale

The calendars sell for 20 cents and are available at 914-C, 7601 and block managers' offices at 20, 26, 33, 35, 54, 68 and 69.

The heads of the families already had been transferred from Santa Fe to Crystal City.

The contingent consisted of 13 families. Thirty-three of the transferees were children 18 or under. The transfer was made under the jurisdiction of the Department of Justice which operates the Crystal City Internment Center.

CLASS TO START FOR NURSES AIDES

A new class for nurses aides will start on Dec. 4 at the hospital, announced Frank Fagan, personnel officer. Registration for those interested is being taken at the Placement Office.

There are openings for 34 females and six males.

OUTLINE PROCEDURE FOR SELLING AUTOS, TRUCKS

(Last week the NEWELL STAR introduced the first installment of a series of program information issued by the Evacuee Property Office. The following is the second installment of the series.--Ed. Note)

Requests to the Property Office by evacuees wishing to sell autos and trucks must be accompanied by ownership and registration certificates signed by the owner of the vehicle. An "Application For Duplicate Ownership Certificates" should be made out by those not possessing such certificates.

If the car to be sold is in storage and has not been used since evacuation, the evacuees must provide an "Affidavit of Non-operation" and write to the custodian of the vehicle authorizing him to allow the WRA to inspect the car and to remove it when it is sold. Since a car in storage usually requires some servicing before it can be presented to the prospective buyer in usable condition, the evacuee should provide such necessary funds. Information

concerning all storage charges should also be provided. Other charges on the stored vehicle should be paid before it is put on sale. It must be noted here that the WRA is not able to obtain drivers to move evacuee-owned vehicles from the military area. It is the responsibility of the evacuee to hire the driver and arrange his pay. The authorized driver should then be provided with the necessary papers to obtain the car from its place of storage, as well as a written authorization for him to sign for special gasoline rations. For trucks or pick-up trucks, supplementary gas rations are authorized only

2 WAYS TO SEND TRI-STATE GRADUATES RED CROSS MAIL

Fred Hau, visiting Red Cross representative, revealed last week that communications between persons in the U. S. and Japan are limited to two methods. Communications can be made either through Red Cross messages (limited to 25 words), or by cable.

There is no charge for Red Cross messages, but there is for cable.

A family in the Tule Lake Center may write to a close friend or relative in Japan via Red Cross about once every two or three months, he said.

BLOCK 38 CAPTURES WARD II TITLE; WARD III FLAG CLINCHED BY BLOCK 34

Two more ward casaba flags were settled over the week end in the busiest week of competition since the advent of the leagues one month ago.

WARD II
In Ward II, Block 38 concluded its hoop campaign undefeated with twin wins. The champs thumped Block 30, 69 to 28, Saturday. Block 26's forfeiture gave Block 38 its seventh consecutive victory and the championship.

WARD III
One more game remains on the Block 34 schedule but the team has been assured the Ward III pennant as its nearest rival is two full games behind. It was Block 34's 41 to 25 triumph over Block 31 on Nov. 14 that clinched the gonfalon.

WARD IV
In the topsy-turvy Ward IV loop, Blocks 11, 12 and 21 were thrown into the loss column for the first time.

Block 19 found itself on the top Sunday night after the team eked out a 38 to 36 triumph over Block 11; Block 21 dumped Block 12, 39 to 28; and Block 20 vanquished Block 21, 36 to 21.

WARD I
Block 5 gained two more wins during the week to maintain her lead in Ward I. Block 15 and Block 16 were victims of the Block 5 night.

WARD VI
In the Ward VI circuit, which is still in its early stages, Blocks 50, 51, 58, 49 and 54 are still in the

WARD VI Block 84 stayed in the select group with a tight 25 to 23 conquest Sunday.
