

EFFECTS OF "DESTROY THE STATUS QUO" POLICY UPON THE CO-OP

Being a pure economic organization, the Co-op has no intention to argue for and against the Colonists' policy in regard to "Maintaining Status Quo." However, now that "Destroy the Status Quo" policy has been adopted by Referendum, let us quote what effects it will give upon the business of the Co-op.

Firstly, the plan of raising working capital will be executed. This plan was made last November with the goal of \$60,000, and then postponed. Nevertheless, we liquidated the Certificates of Indebtedness by making a shift last December, and now we are short of merchandising fund and check-cashing fund.

Secondly, Japanese photo-plays and Newsreel will be shown at High School Auditorium. This picture

News From Rohwer

Rohwer Cooperative has just replied to our inquiries regarding their delay in distributing patronage refunds for the first fiscal year ending September 30, 1943. They stated that they would mail refund checks in the middle of January to the former members. The rate of refunds are said to be approximately \$18.48 per \$100.00 of purchase, which will be paid quarterly within a year. Therefore, the rate of the first refunds will be about \$3.37 per \$100.00. The check will include \$1.00 membership fee refunds, if you have not as yet received it.

Truck Wanted

The Co-op wants to buy a $\frac{3}{4}$ ton, 1 ton or $1\frac{1}{2}$ ton panel truck. Please call Central Office, 717-C.

show will no doubt, blow away melancholia from your heads.

Thirdly, the construction of Tofu (Bean-curd) factory will begin so that your favorite Tofu will be distributed to your mess kitchen once a week.

In the fourth place, the business of the Canteen #4 will turn for the better, along with the return to work of the ex-employees of Administration offices.

Lastly and as yet an important matter, fire insurance will become effective again. The insurance companies have cancelled their fire insurance contracts on the merchandise stored in warehouses and the Canteens during the period Marshall Law was in effect in the Center. This was risky indeed.

AMENDMENT OF BY-LAWS UNDER WAY

Pending question of amending By-Laws of Tule Lake Cooperative was under way to its completion. The Committee on Committees held a meeting on January 11, deliberated upon and completed the amendment of important articles and clauses, under Mr. Fujii's chairmanship. Details of Amendment will be announced later when it is carefully examined by the Board of Directors. Those present at the meeting were the following committeemen: Messrs. T. Fujii (Ward I), I. Ikemoto (Ward II), T. Kato, (Ward III), T. Yokota (Ward IV), Taketaya (Ward V), Y. Togami (Ward VI), K. Nakano (Ward VII), and M. Matsumoto (President).

Re: Cashing Big Checks

Personal Checks in amount less than \$50.00 can be cashed at Check-cashing station, 718, after presenting membership card for identification to the Executive Secretary.

However, checks in amount more than \$50.01 should be left with the cashier for collection, and cash will be paid after 10 days or two weeks, upon presentation of the receipt. This method is not being employed because the Co-op is skeptical on the genuineness of checks you present, but due to the insufficiency of our working capital.

LAUNDRY SOAP ARRIVES

A shipment of laundry-soap has just arrived, as a result of hard toil on the part of the purchasing department. Though this shipment will take care of the Colonists' demands at any rate for the time being, the management cannot guarantee further supplies in the near future. Those who badly need laundry soap, therefore, are urged to buy at the earliest possible time.

CORRECTION

There was a typographical error about the article regarding Beauty Shop in the publication of last issue. It had to be read as follows:

"Beauty Shop will take any customers any day without appointments providing they come between 8:00 a.m. to 9:30 a.m. and 1:00 p.m. to 2:30 p.m.

Dress Makers Wanted

The Co-op finally decided to establish the Dress-Making department and to sell the dresses at Canteen #5. Anyone who has experience and self-confidence will be employed. See Mr. Iwawaki, Central Office, 717-C.
