FOREWORD

In these trying times, with the world aflame with war, hate, intolerance and prejudice, we, the staff, saw fit that this year the theme of the EL CHAPARRAL should be the PREAMBLE to our great document, the CONSTITUTION OF THE UNITED STATES.

We realize only too truly that since the outbreak of the present world strife, Americans of Japanese ancestry have witnessed and experienced seemingly undemocratic practices. However, without any doubt, they have retained their belief in the principles for which America stands.

Since the birth of our great democratic nation, tears and blood of men and women were shed in order that we and our posterity may rightfully share the ideals of our great forefathers. Today, history is being written with the blood of free men who are sacrificing their lives in order that we may cherish our precious heritage. They know that we must, we can and will, at all costs, defend and preserve our land and our CONSTITUTION.

DEDICATION

Two color guards and color bearers of the Japanese-American 442nd Combat Team, stand at attention while their citations are read. They are standing on the ground, somewhere in France, where many of their comrades fell. 11-12-44.

To those gallant men and women who are now valiantly serving in the armed services of our country, we, the staff, with deep pride and admiration, dedicate our 1945 EL CHAPARRAL.

ADMINISTRATION

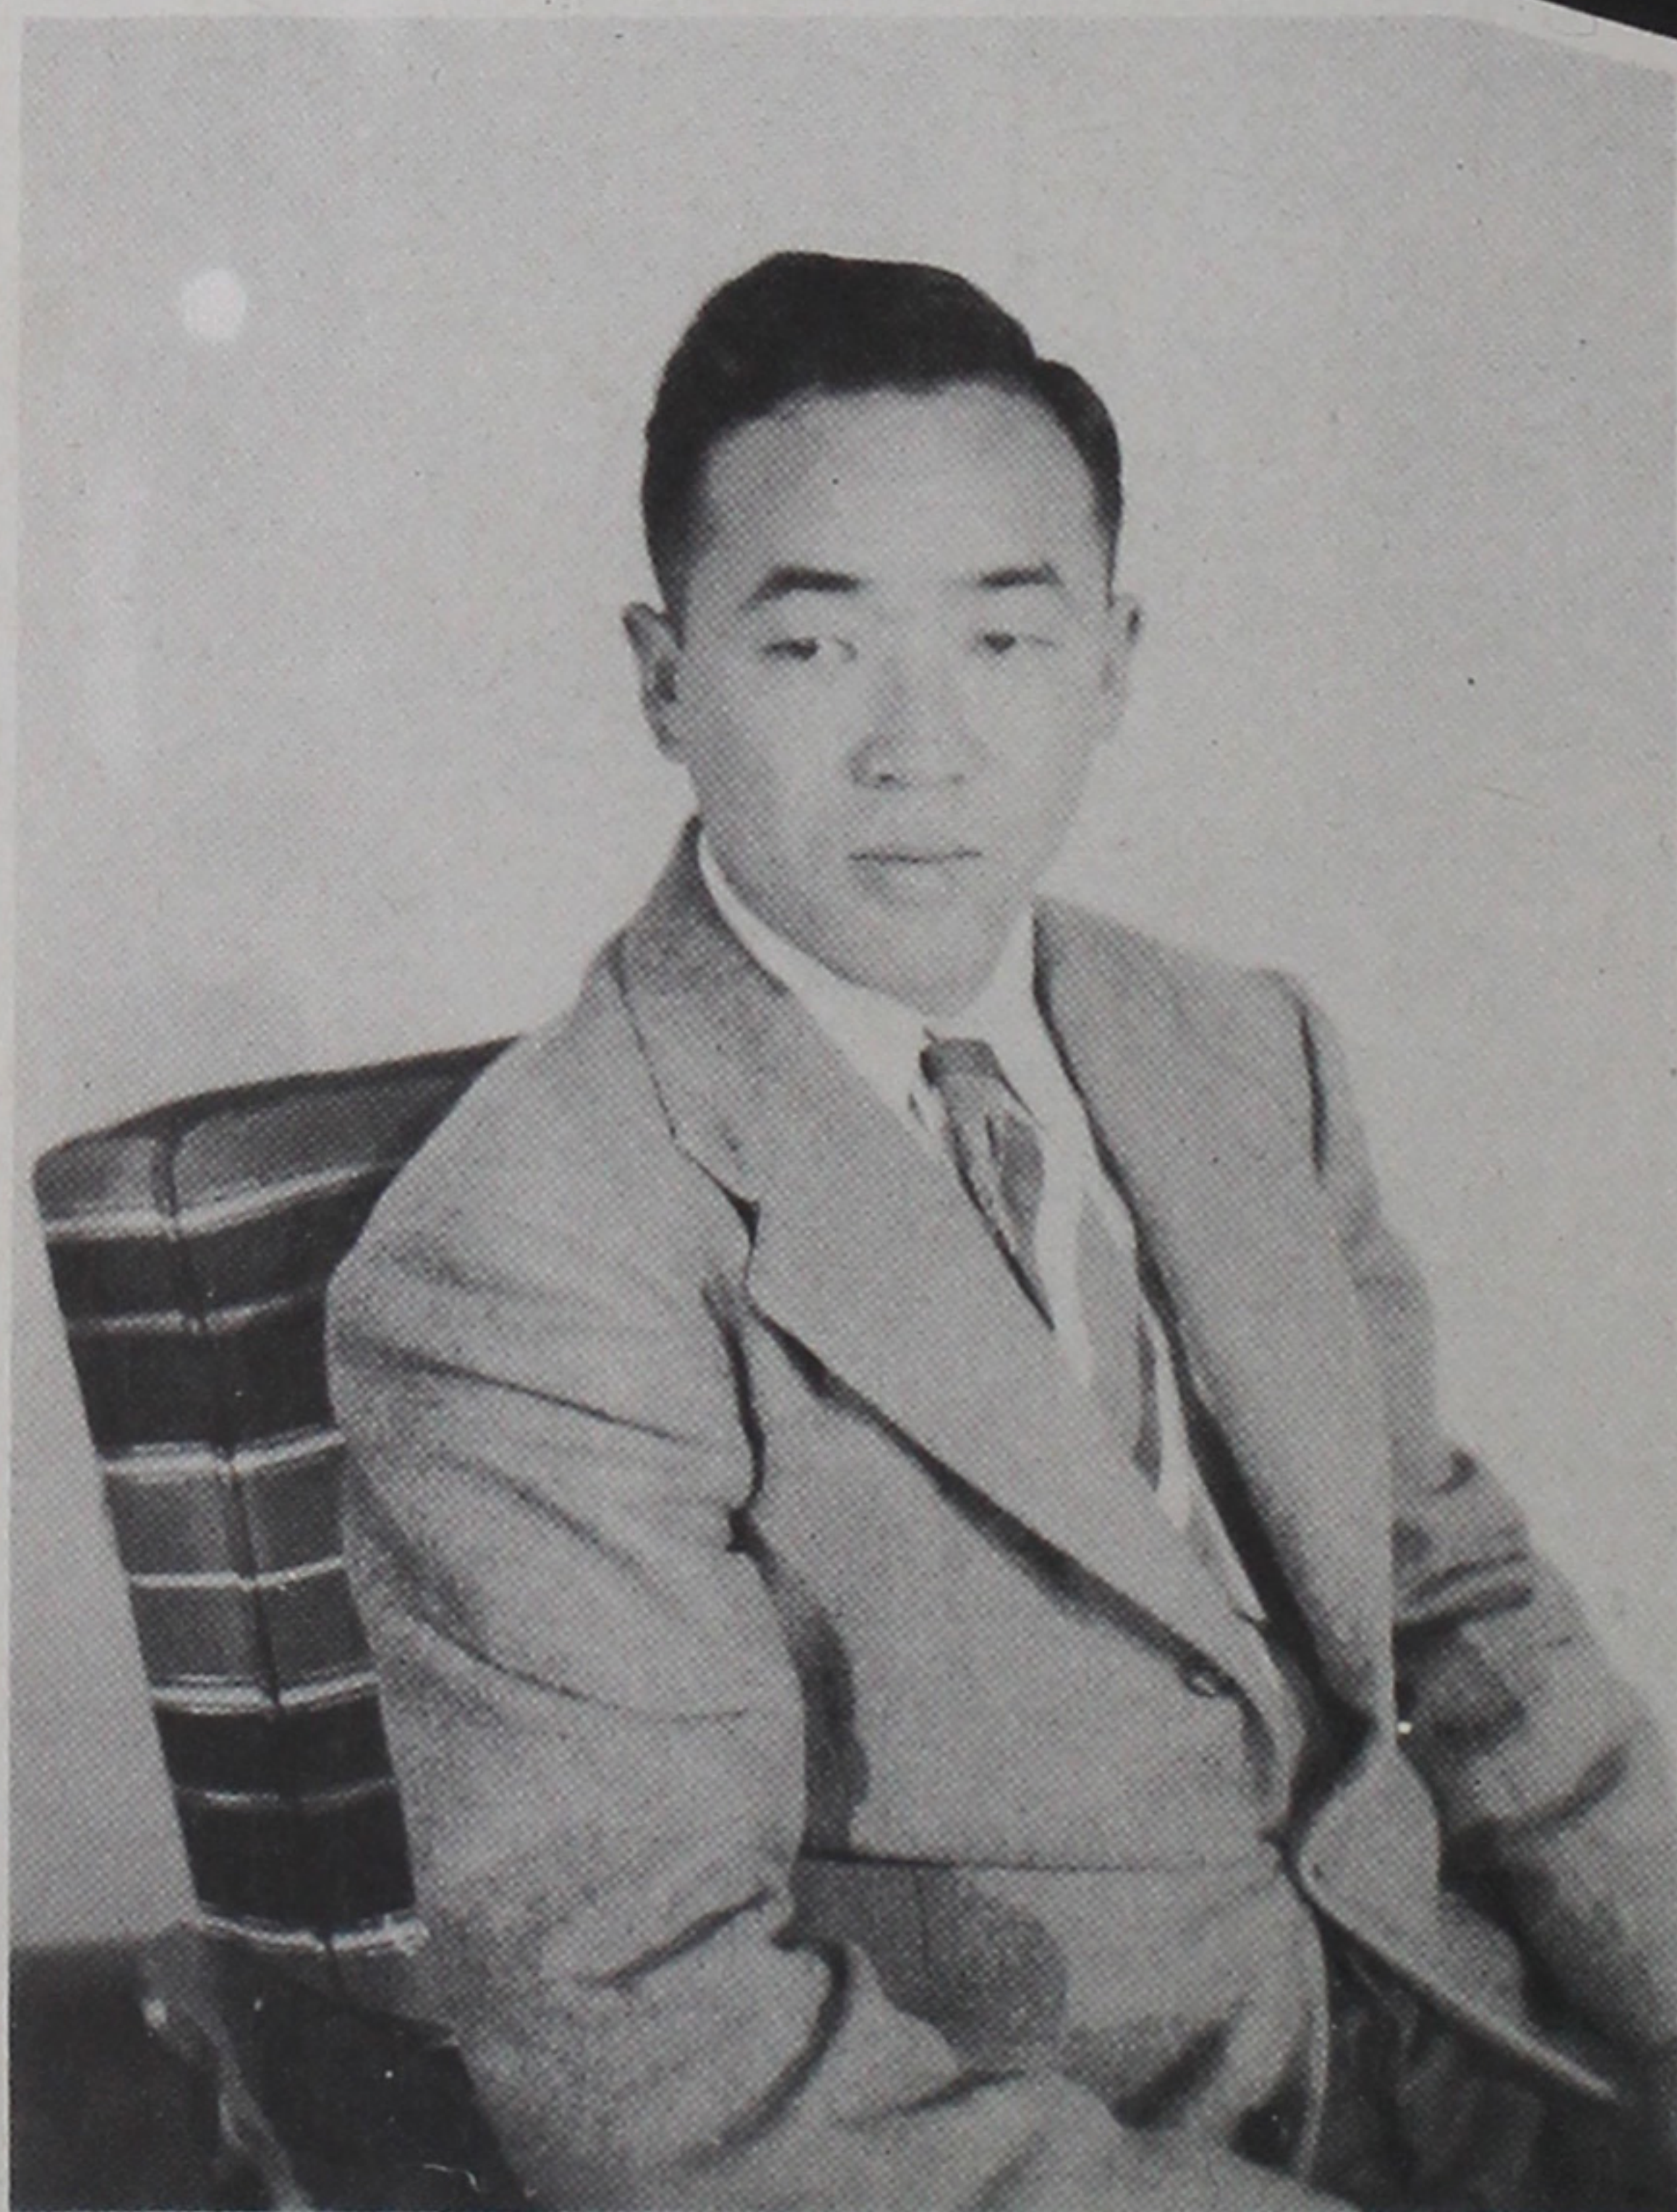

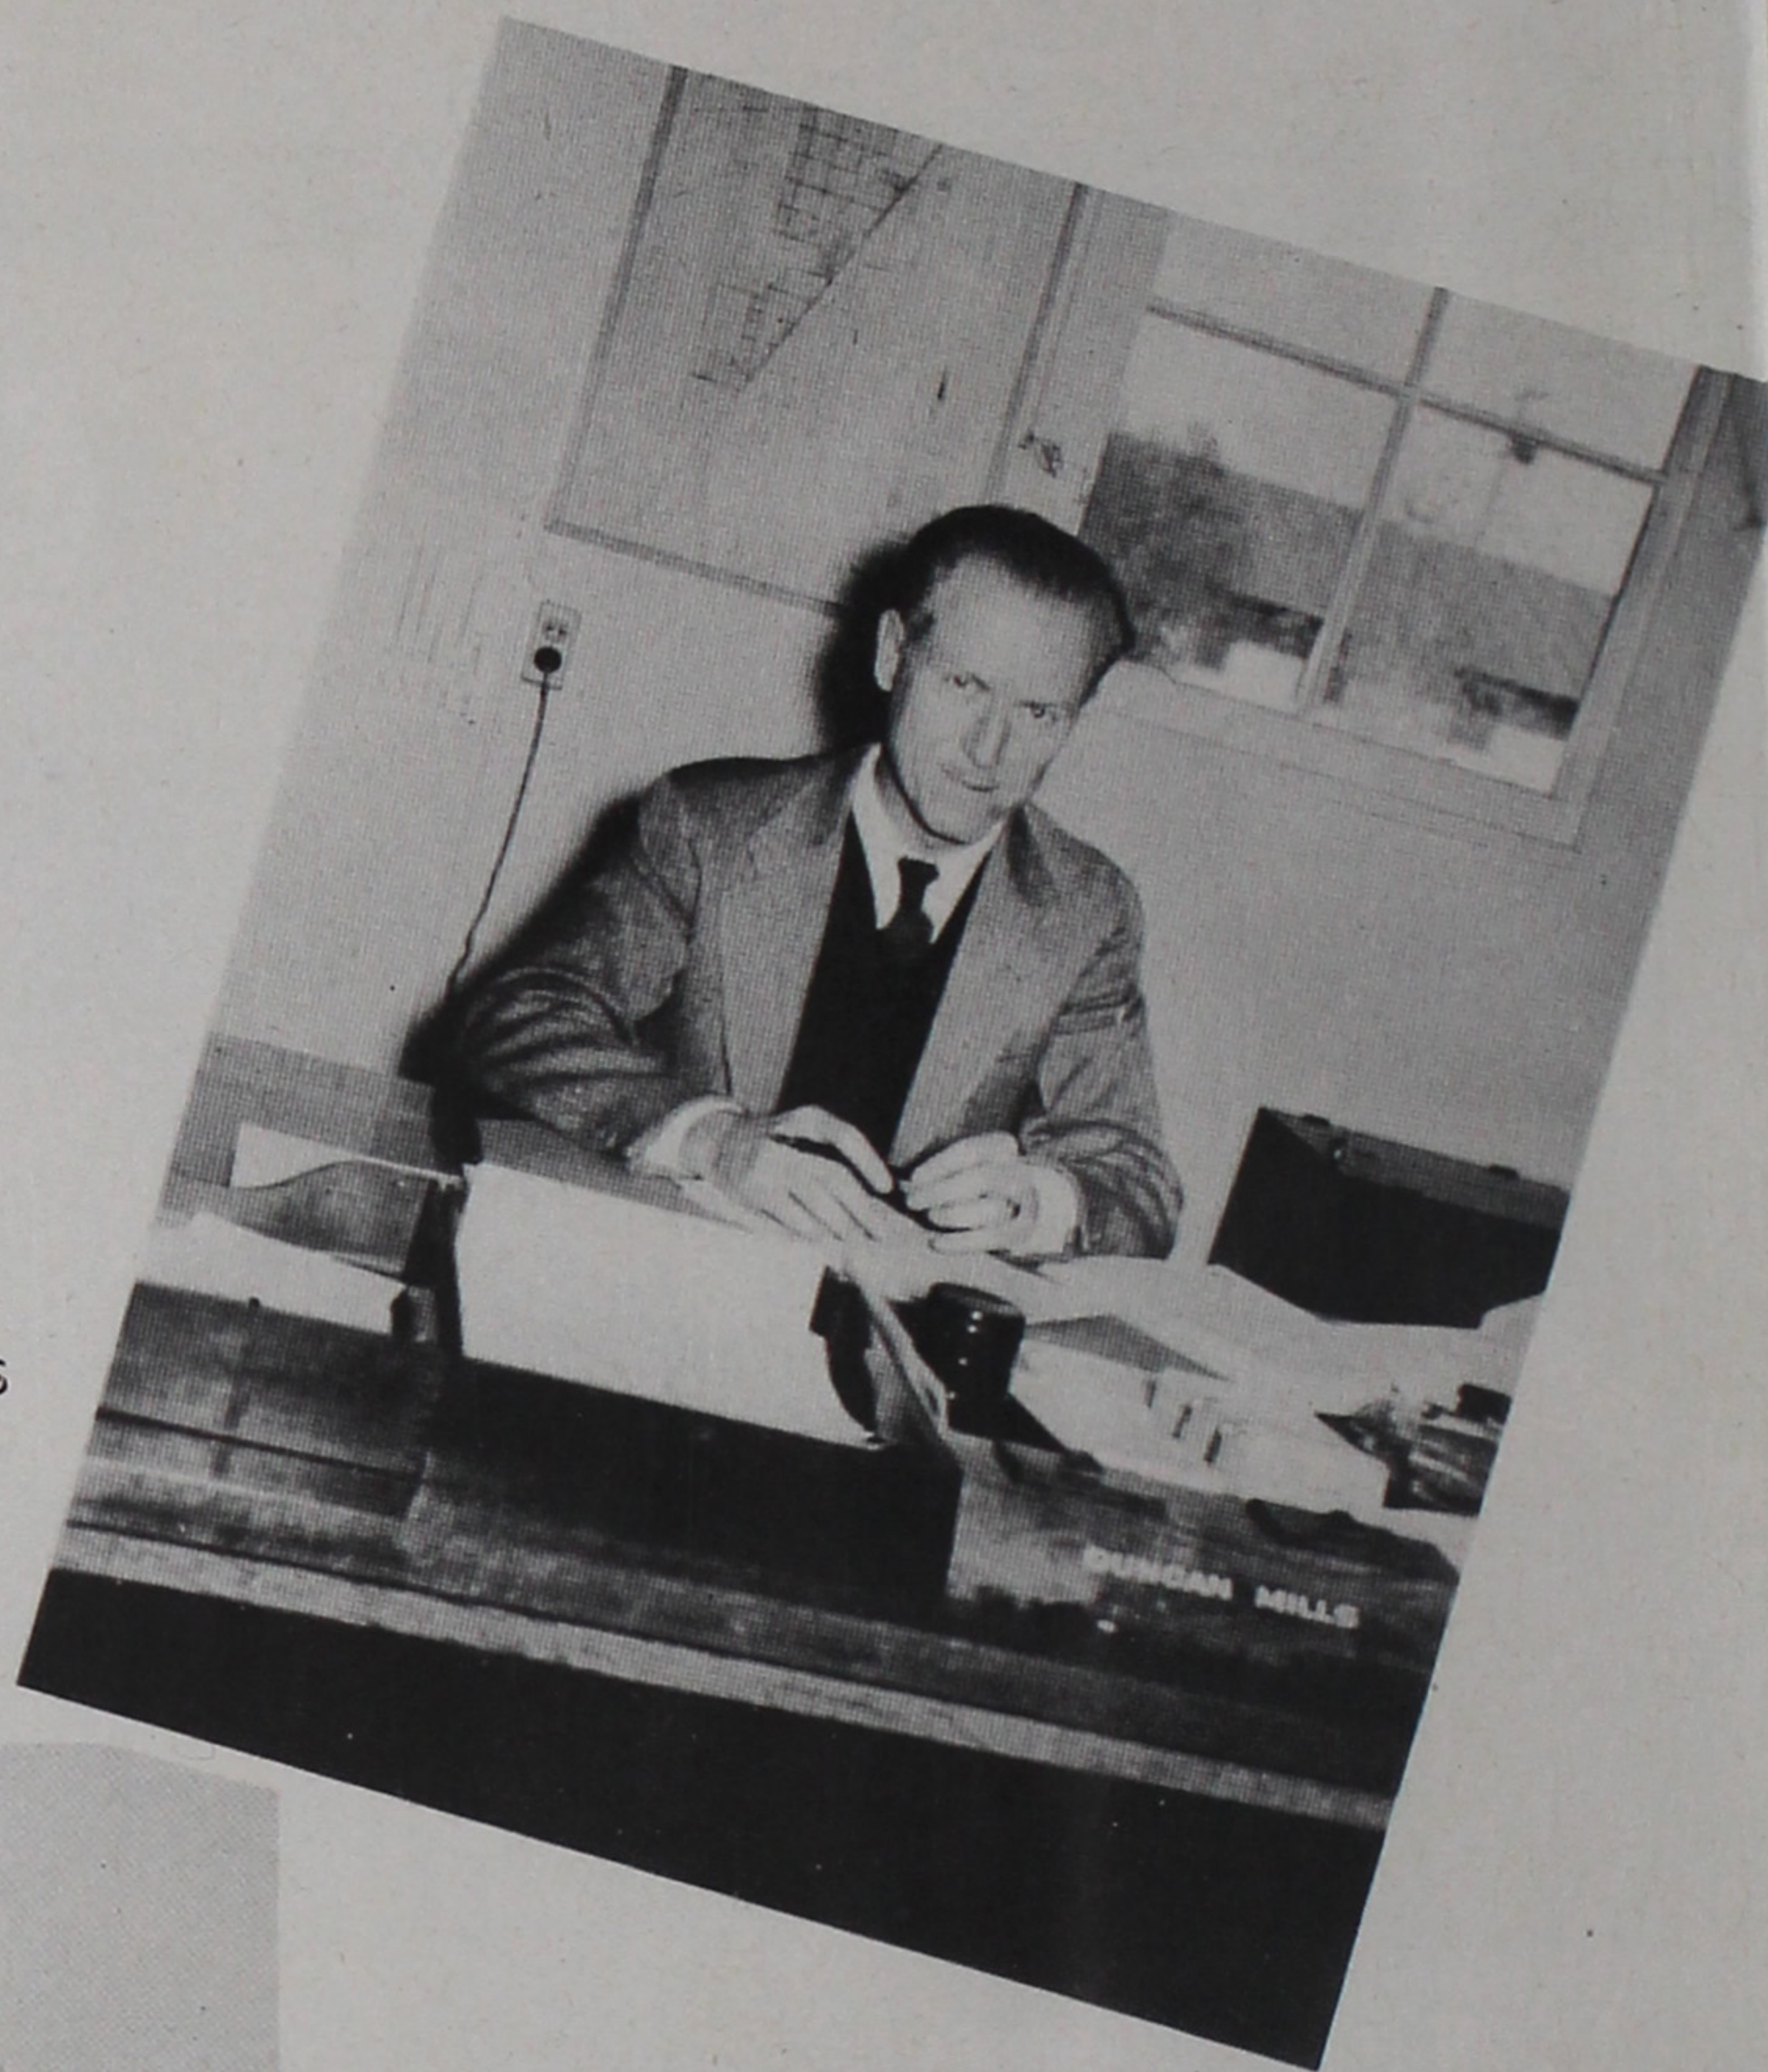

*In order to form a
more perfect union,*

OUR LEADERS

Long after Poston shall have ceased to exist as a relocation center, I believe the Poston school program will be remembered as an outstandingly successful one. Competent, devoted educators and receptive students have made it that. The handicaps have been many, but they have often been forgotten in the pleasure of participation in an educational adventure, and in the satisfaction of achievement. I am sure that many who have attended the Poston Schools will look back upon them with fond memories. I am sure also that as they leave Poston, they will find that the Poston Schools have prepared them well for the new life outside the center.

DUNCAN MILLS
Project Director

KENJI UYENO
Poston Two Administrator

Nearly three years of unprecedented social environment had been experienced by the residents of Poston as a direct catastrophe of this world turmoil. The hostilities among nations, the domestic conflicts among social and economic groups, and the continual changes in governmental emergency policies obscure the future outlook for the youth of today.

Countless adversities as to the facilities within this emergency community had been truly realized; however, the worthy qualities of good character fostered by the basic principles of education remain undisturbed by the world chaos. The success of the individual in achieving his future aim rests upon his ambition, his preparedness and his adaptability to opportunities, and his determination and perseverance to attain the goal.

The graduates of Miles E. Cary High School, although having encountered many inconveniences of this wartime, have now acquired the basic foundation in preparedness to enter society as active citizens. The youth of today will be the responsible leaders of tomorrow.

The goal is your future—the responsibility is yours. I congratulate you all for your accomplishments and I hold unqualified confidence in your continued progress.

P. T. A.

In behalf of the Parent-Teachers' Association of Miles E. Cary High School, I wish to express a few words of congratulation and appreciation.

First, congratulations to the EL CHAPARRAL and to the students and staff who have made this wonderful yearbook possible.

With the help of Mr. McLaren and through his untiring efforts, the P. T. A. was organized late in the year of 1943. During the past year, the Parent-Teachers' Association has worked hand in hand with the school and their activities. Meetings were held from time to time as problems arose. Through the unselfish cooperation of both the teachers and parents these problems were taken care of efficiently. I feel confident in saying we have had a successful school in the past three years despite the abnormal conditions under which we were living.

When I look back upon the past, a thousand emotions crowd my mind comparing the past with the present.

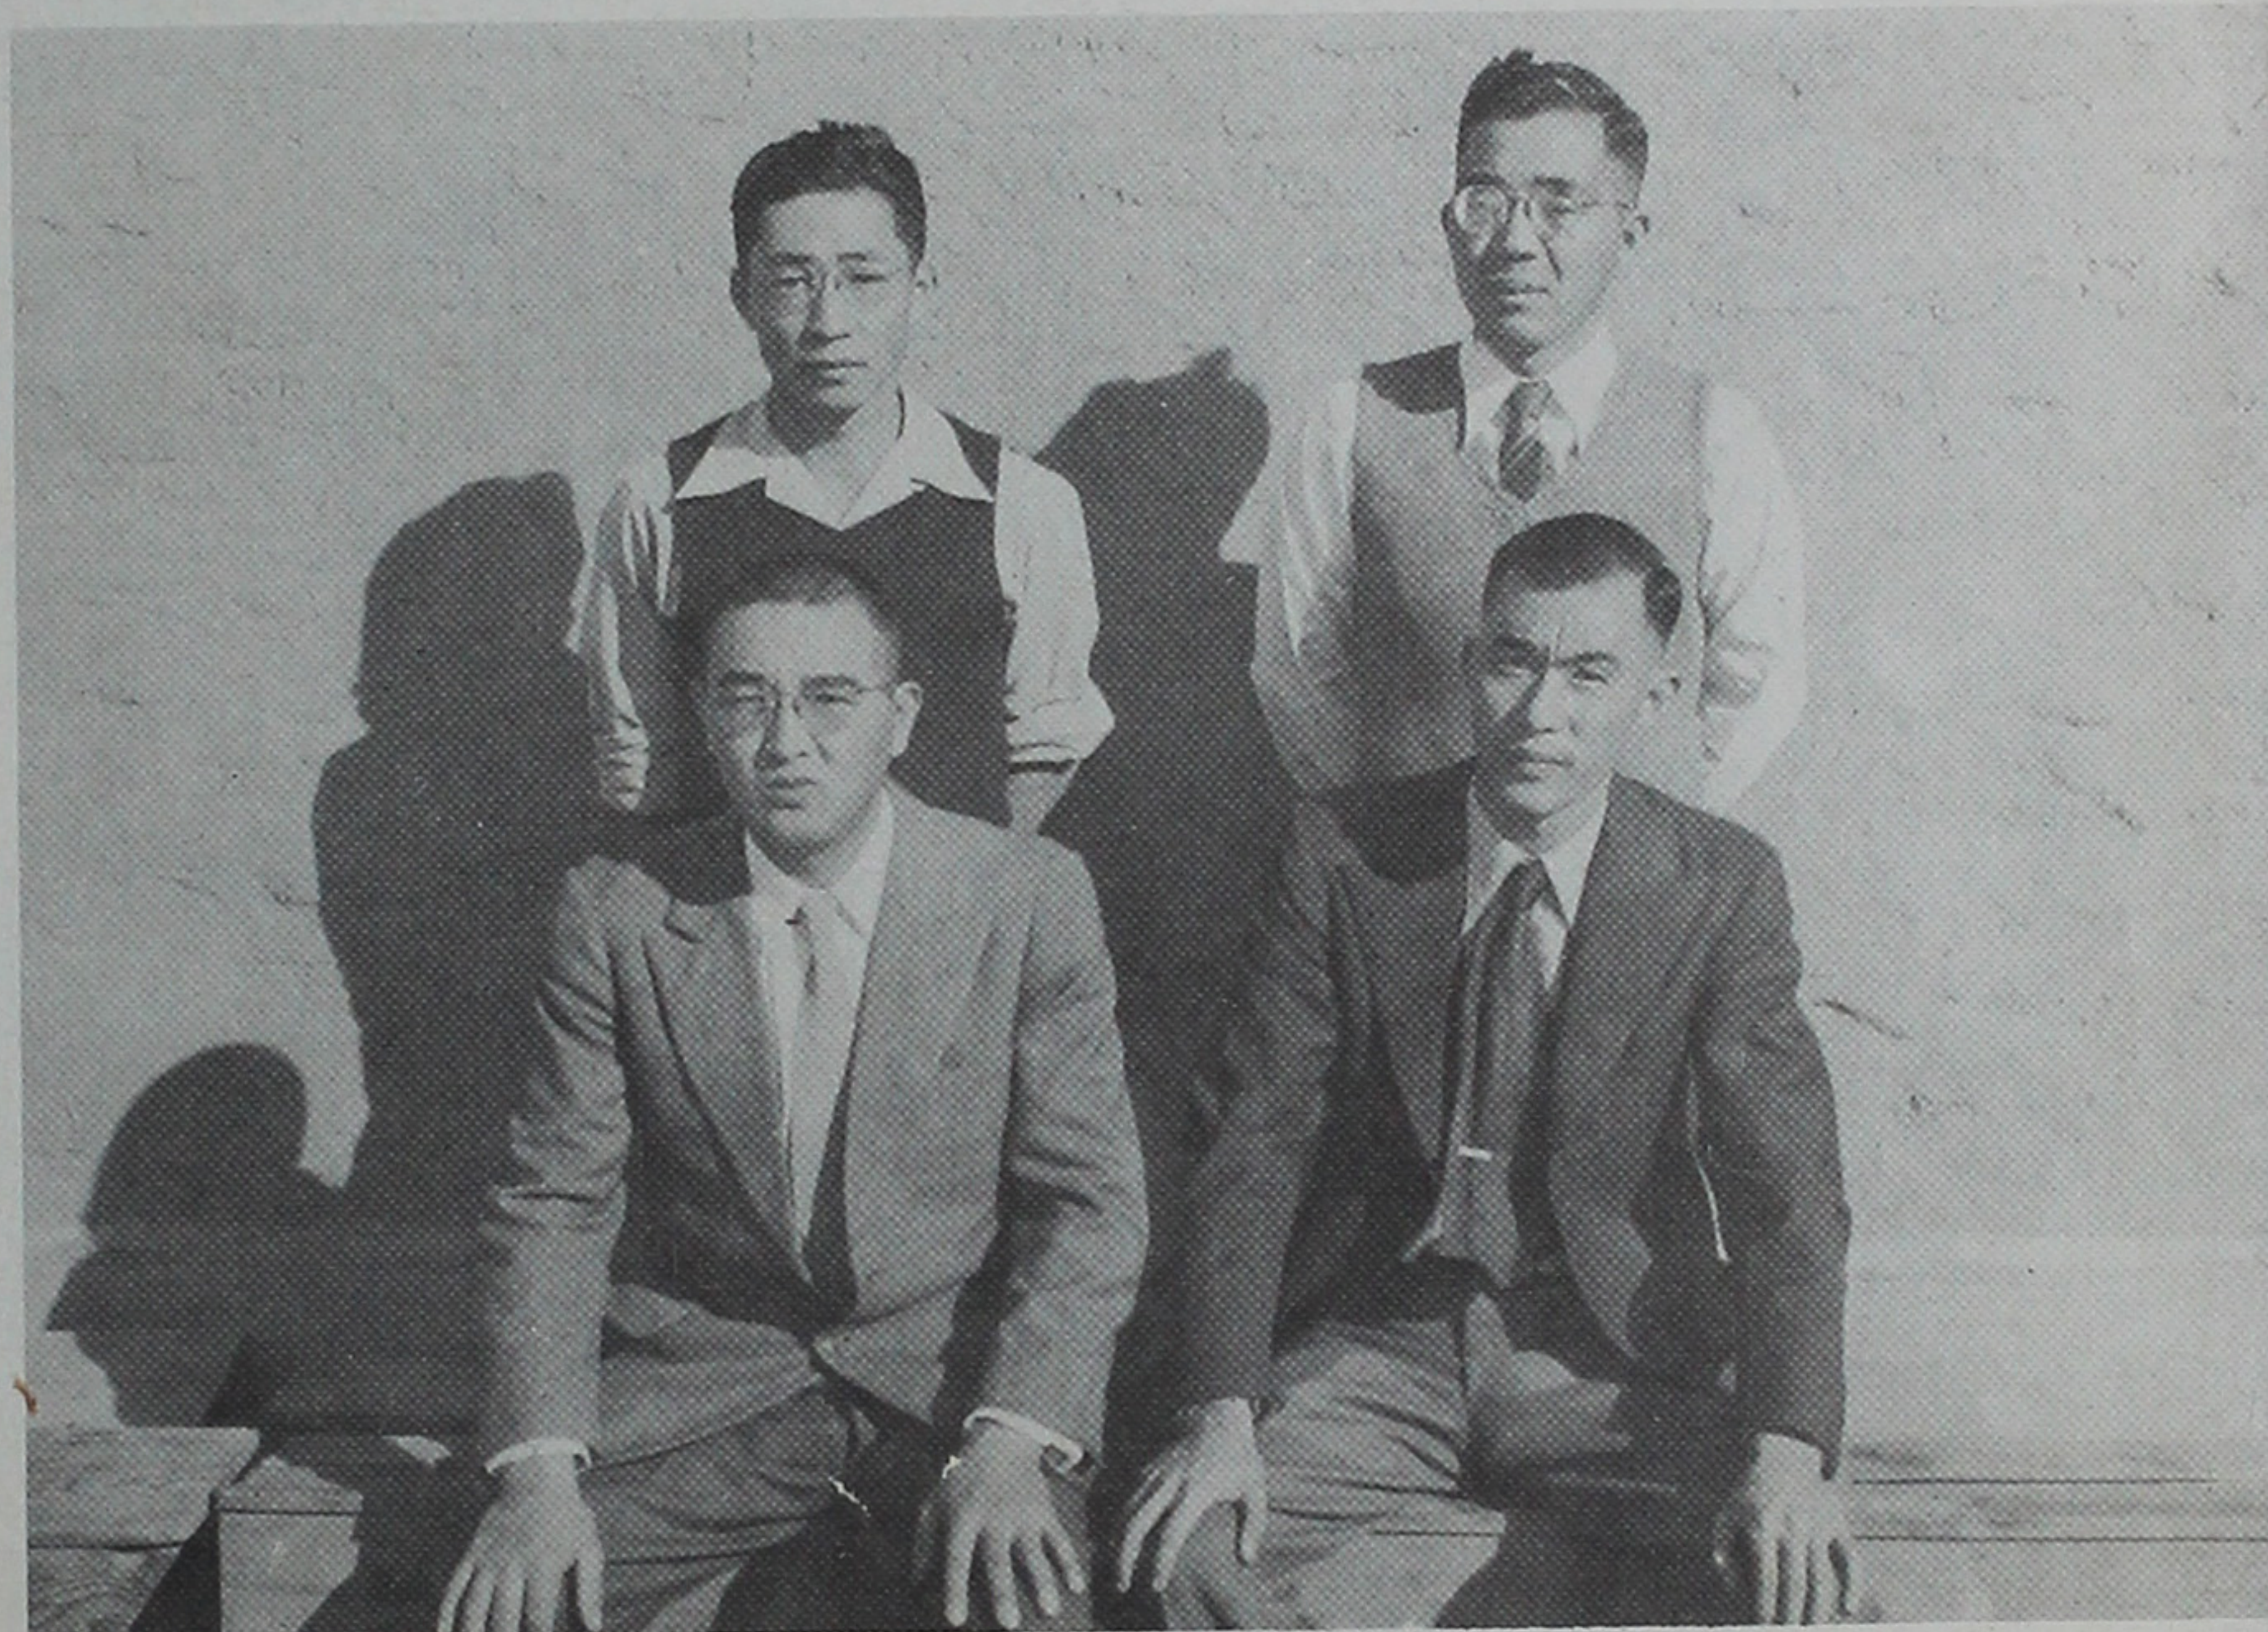

To the teachers and volunteer instructors who have unselfishly carried on during the school years, we, the Parent-Teachers' Association members, express our thanks and appreciation.

OUR EDUCATORS

Three years in a lifetime may seem short, yet the experience of a single critical moment may affect one's entire life. We have spent three years in Poston. The experience has affected the lives of all of us, and the effect will persist in some form so long as we shall live.

Adversity challenges most of us to put forth our best efforts to overcome it. These efforts often carry us to greater heights than we would have achieved otherwise. Thus adversity may be opportunity. Poston is this sort of opportunity. It is not the end of life for evacuee residents rather it is the beginning of better things to come for all who will take advantage of the opportunity which the Poston experience has provided. For the first time in history the entire country has been informed concerning the special problems of a minority group. Members of that group will find a sympathetic reception in states where race prejudice has never had strong proponents. Opportunities are open in vocational and professional fields which, in the past, have been closed to people of Japanese ancestry.

For those who cling to Poston, Poston is the end—a dead end. For those who face the outside with courage and confidence, Poston is the beginning. Our best wishes go with all of you.

ARTHUR L. HARRIS
Superintendent of Education

At the end of this the last school year in Poston we can truly look back upon the past three years with justifiable pride in the achievement of students, graduates, faculty members, and all other school workers. We can be justly proud of the fact that the efforts of these persons has earned for us an accredited American high school.

We can feel with pleasure the steady, sure growth of a loyal spirit of cooperation among the great majority of the students of the school. We can rejoice over the manner in which public-spirited students, parents, and friends have built a school and a community of which all can be proud.

We can point with pride to the thirty-five stars in our school service flag and reflect that our boys, together with others from this community, are "making good" for the good of all Americans.

We can look ahead with well-founded hope and confidence toward a brighter future for all who keep their faith in the ideals of tolerance, fair play, and of respect for the intrinsic worth of the individual. The attainment of their ideals will require continuous effort, patience, faith and forbearance. Americans of Japanese ancestry have already demonstrated these qualities. They are making a real contribution to the American way of life.

Good luck and Godspeed.

NORIO KOKKA
President

Under the capable guidance of President Norio Kokka, the class of '45 emerged as a group known for its leadership. This quality of leadership was shown when the first and best senior assembly was presented in conjunction with the nationwide election day, November 7.

Pete Hironaka fulfilled his duties as Vice-President by heading this group in sponsoring one of the most successful socials of the year—the Senior Ball.

Other officers who rendered much of their time and efforts were: Shigeko Yamamoto, secretary; Roy Nishimoto, treasurer; Mary Nomi, historian; Goro Kudo, representative; Terry Asami, Girls' Athletic Manager; and Shig Imoto, Boys' Athletic Manager. Helpful to this group was the enthusiasm shown by its advisor, Mrs. Mary B. Courage.

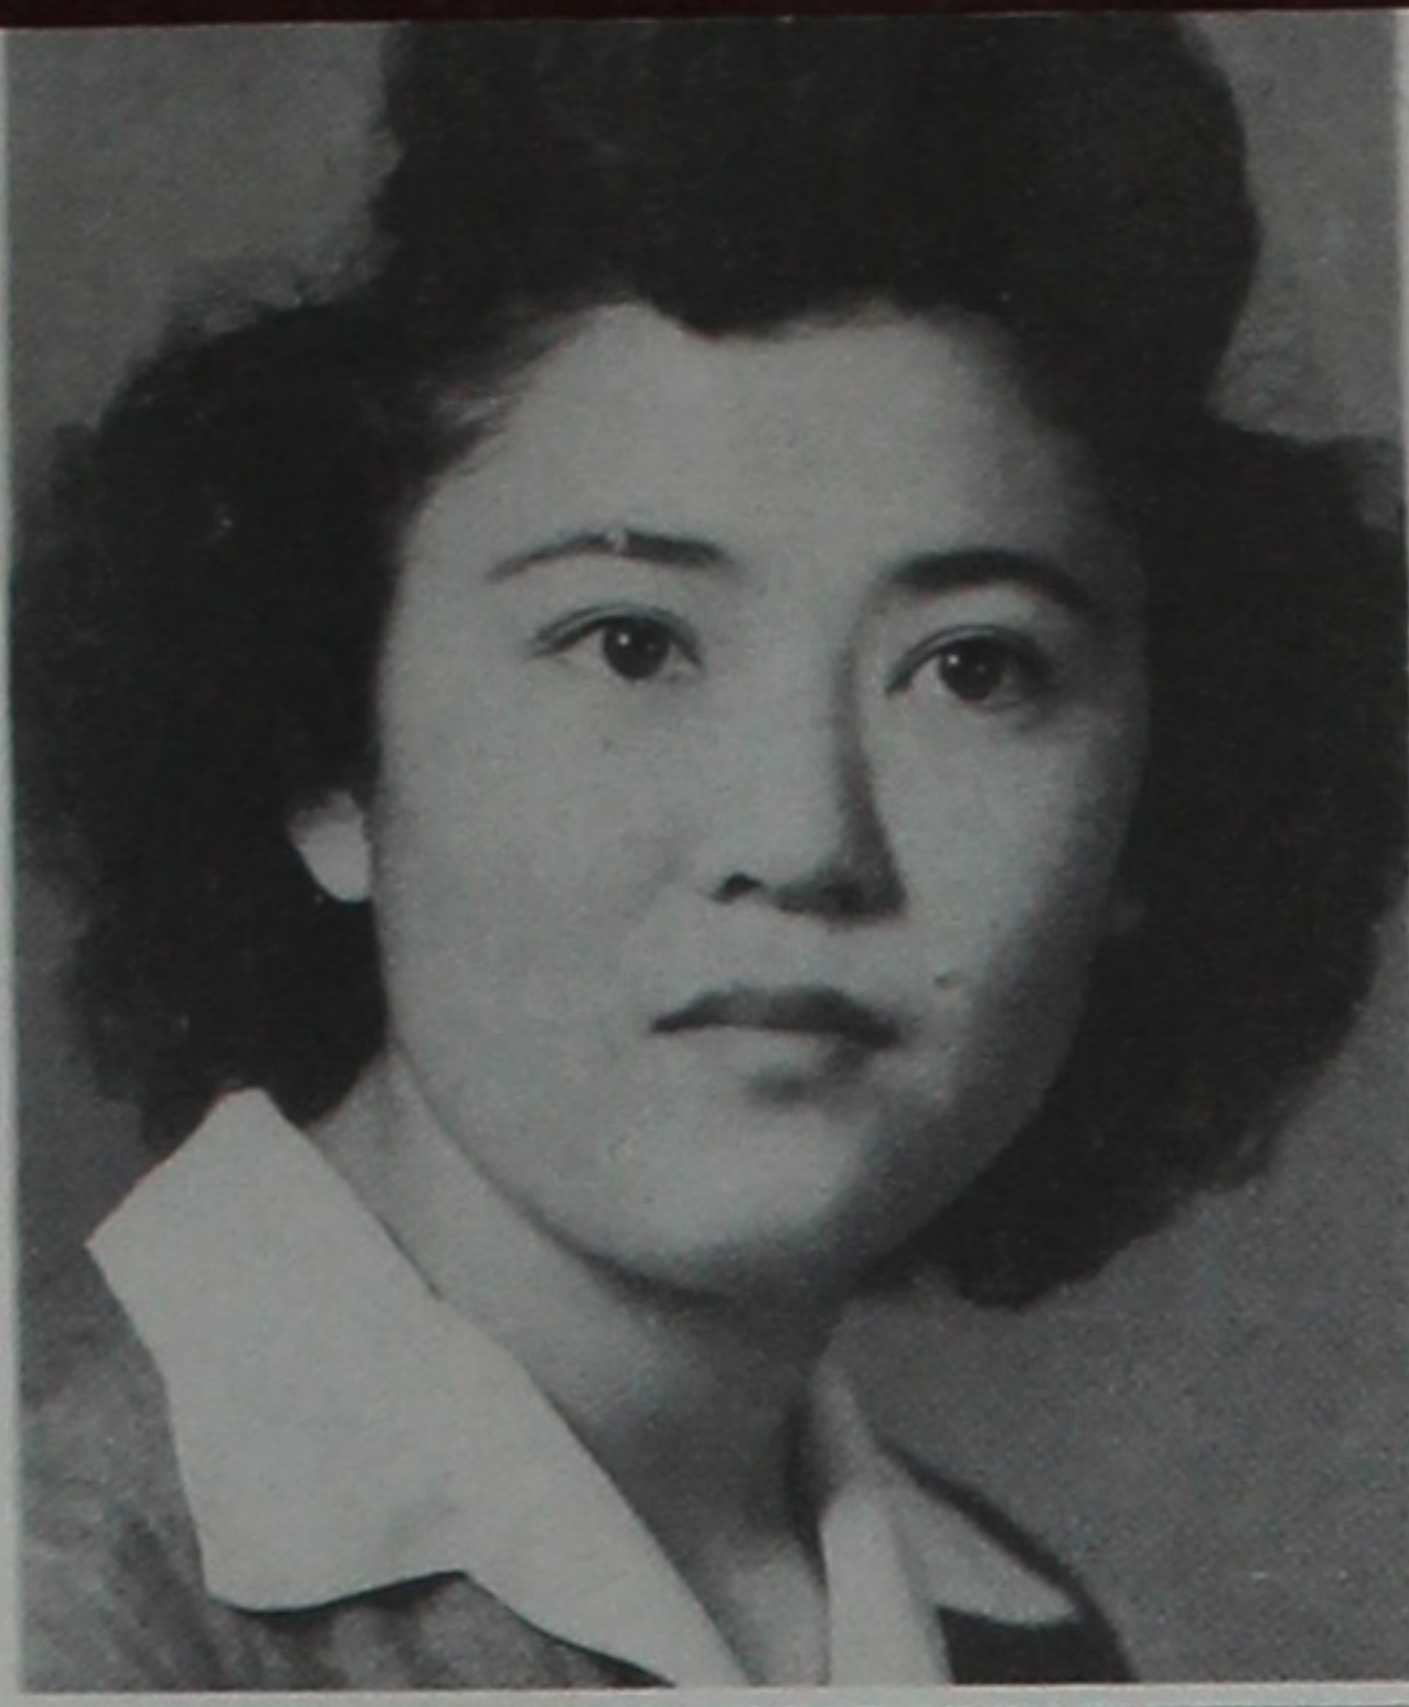

The natural sadness felt by all seniors upon leaving school was overcome by the thought of relocation and the chance to make use of their knowledge thus far achieved.

Seated: Terry Asami, Girls' Athletic Mgr.; Mrs. Mary B. Courage, advisor; Shigeko Yamamoto, secretary; and Mary Nomi, historian. Standing: Norio Kokka, president; Pete Hironaka, vice-president; Shig Imoto, Boys' Athletic Mgr.; and Roy Nishimoto, treasurer.

JUNIORS

HENRY TERAO
President

Now that we know this is our last year of school in Poston, we have a feeling of regret that we must part and our schooling together must come to an end. We know that all of us cannot be together again like we were in our three years as the great class of 1946.

Our Junior year was filled with dances, basketball games, assemblies and football games which will be delightful reminders of our pleasant year.

The hit of the year was the ever traditional Junior-Senior Prom. Juniors remember with great pride that it was considered the event of the year and also of Poston's history!

The persons in the Junior Hall of Fame were versatile Prexy Henry Terao, Sociable Vice-Prexy Benny Masatani and our efficient Secretary Doris Sakasegawa. Other officers were Treasurer Harumi Morimune, Representative Toshie Ichikawa, Historian Miho Takizawa, Girls' Athletic Manager Chiyoko Sonoda, Boys' Athletic Manager Hisao Yamanishi and Yell Leader Tommy Tanimura.

SOPHOMORES

JAMES SAKURAI
President

The Sophomore Ship, christened by President James Sakurai, has completed a successful journey. The pleasant journey was started off by the first cabinet meeting held in September. The Christmas party was held in December and the Sophomore Swing highlighted their journey. Congratulations to the Sophs for breaking the tradition and changing "Hop" to "Swing." They have enjoyed a smooth journey together and we'd say, "The Sophs have landed, and have the situation well in hand."

Officers who have assisted the president throughout the year were Vice-President Larry Onitsuka, Secretary Chizu Kaneno, Treasurer Morio Fukuto, Historian Rosie Yoshida, Boys' Athletic Manager Yeizo Okumura, Representative Mary Shiba and Yell Leader George Yamashita.

Seated: Mary Shiba, representative; Rosie Yoshida, historian, and Chizu Kaneno, secretary.

FRESHMEN

SEI SHOCHARA
President

Led by tall, lanky Sei Shohara, president, the freshmen class functioned successfully throughout the year. He was ably assisted by a competent cabinet composed of Grace Etow, vice-president; Natsuko Taniguchi, secretary; George Sakasegawa, treasurer; and Setsuko Nishimoto, representative.

The presentation of the first issue of the "El Bullador" published together with the Seniors opened their active year.

During the basketball season the Froshies made a surprisingly strong showing as they toppled the Sophomore quintet. Though fighting hard, they were nosed out by the taller Sophies in the final inter-class game.

Though they were freshmen, the great class of '48 proved to the rest of the school that they were not so green.

Due to the shifting of the different teachers, it seemed almost impossible that the seventh and eighth graders would pull through the year. STUDENT GOVERNMENT

ISAO KIYOHARA
President

"Will the meeting please come to order!" was a habitual and familiar phrase from the lips of the dexterous Student Body Prexy Isao "Lefty" Kiyohara. With the cooperative aid of the student body cabinet and the council, a most eventful and prosperous year was had.

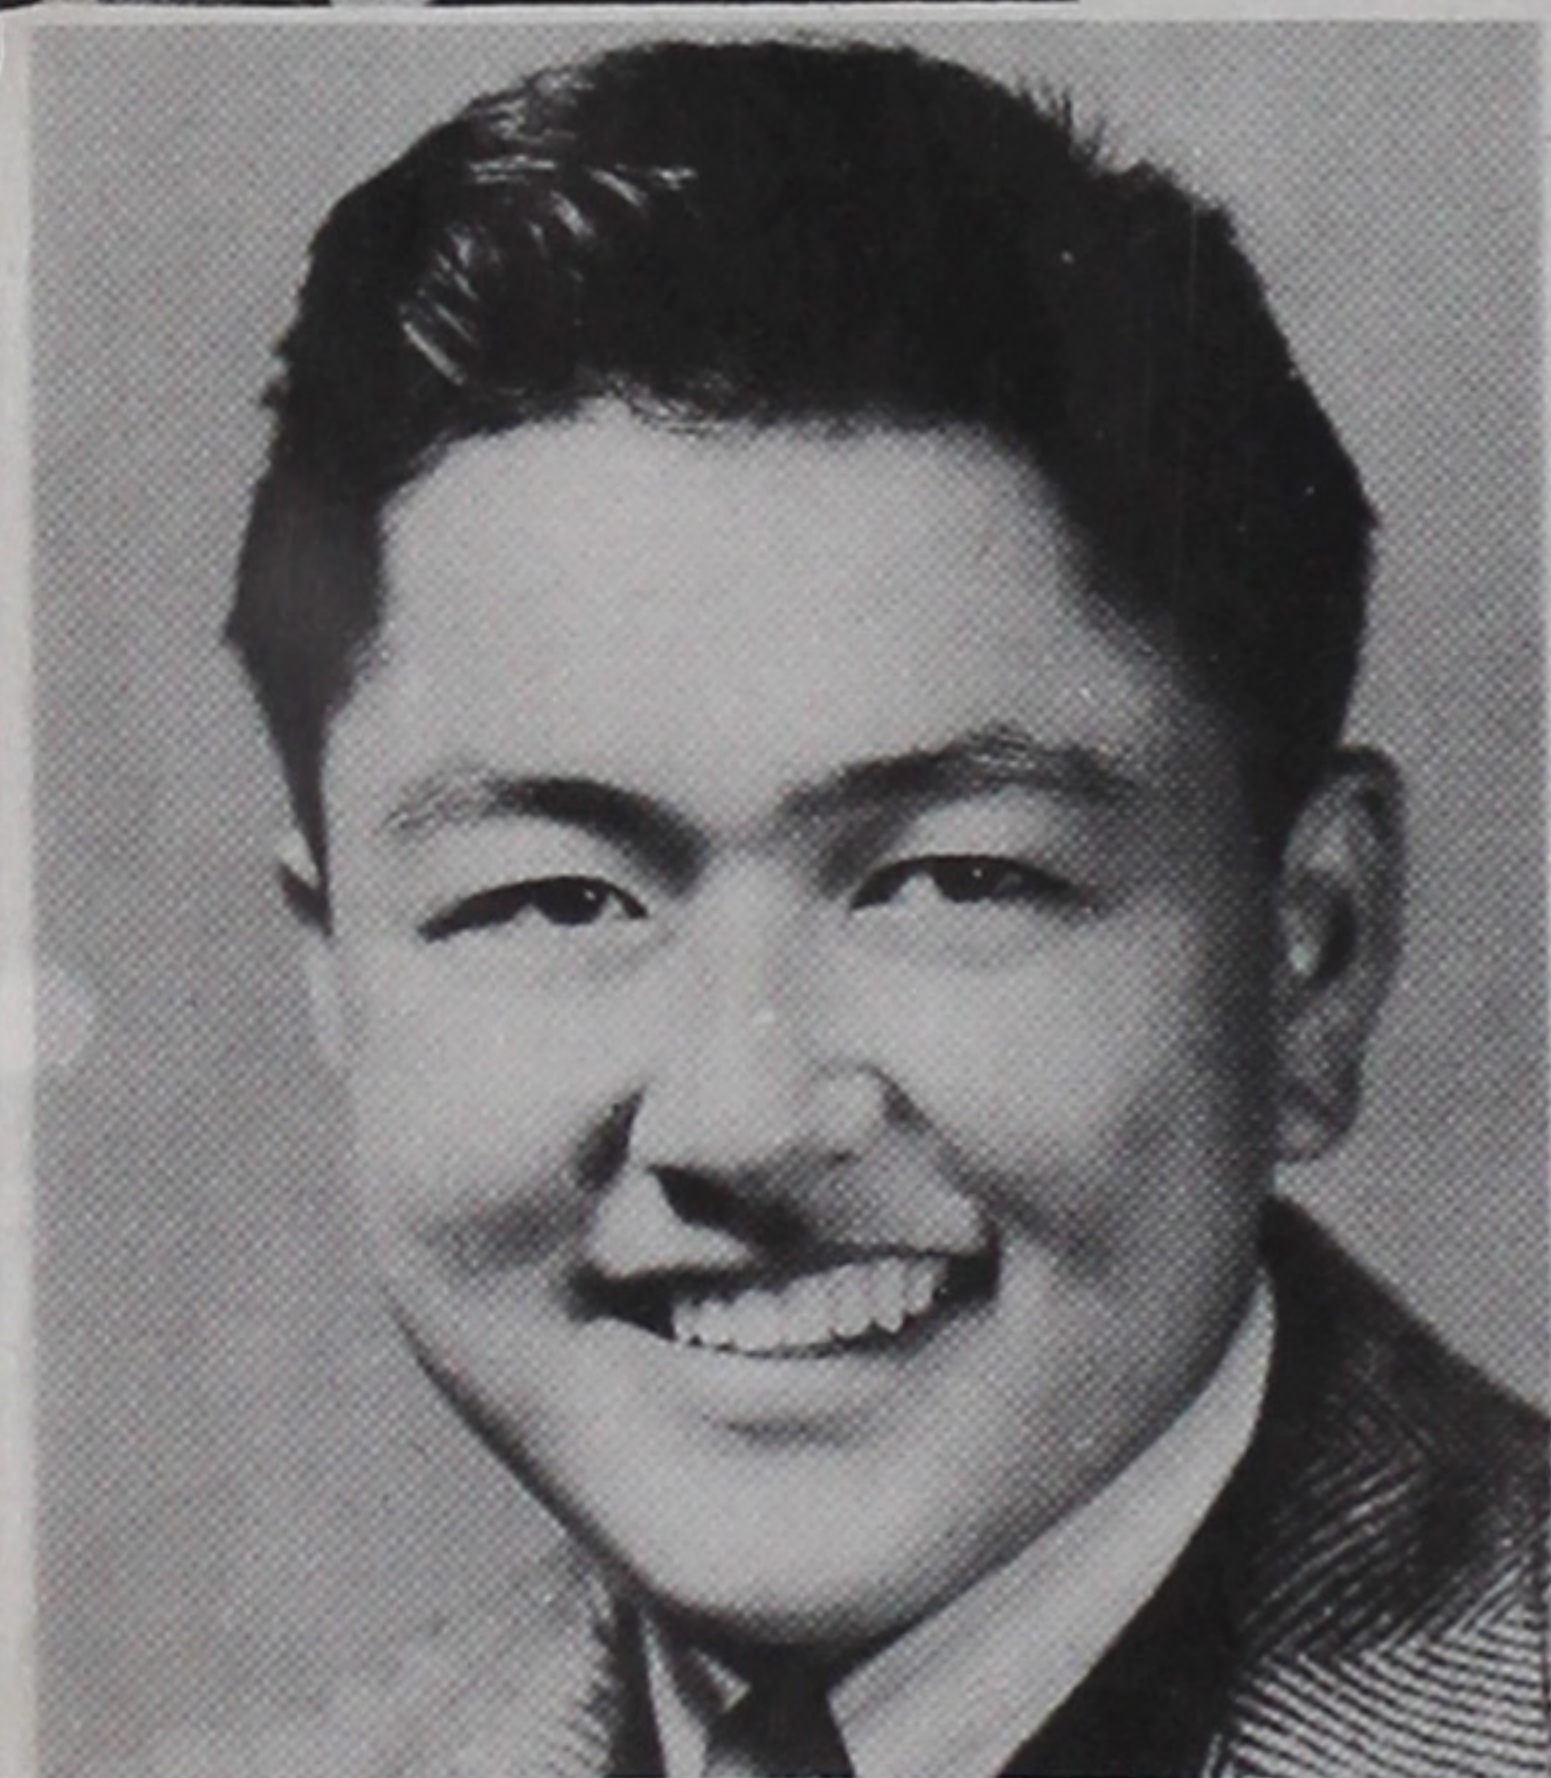

During the summer session, the resignation of our former Student Body Prexy Mitsuo Ikeda brought Isao Kiyohara the task of finishing the school year as Student Body President.

Special elections were carried out through the work of the Election Committee. Tad Fujii then became the successor to the ex-Student Body Treasurer Betty Oku, who has since relocated for the furtherance of her education.

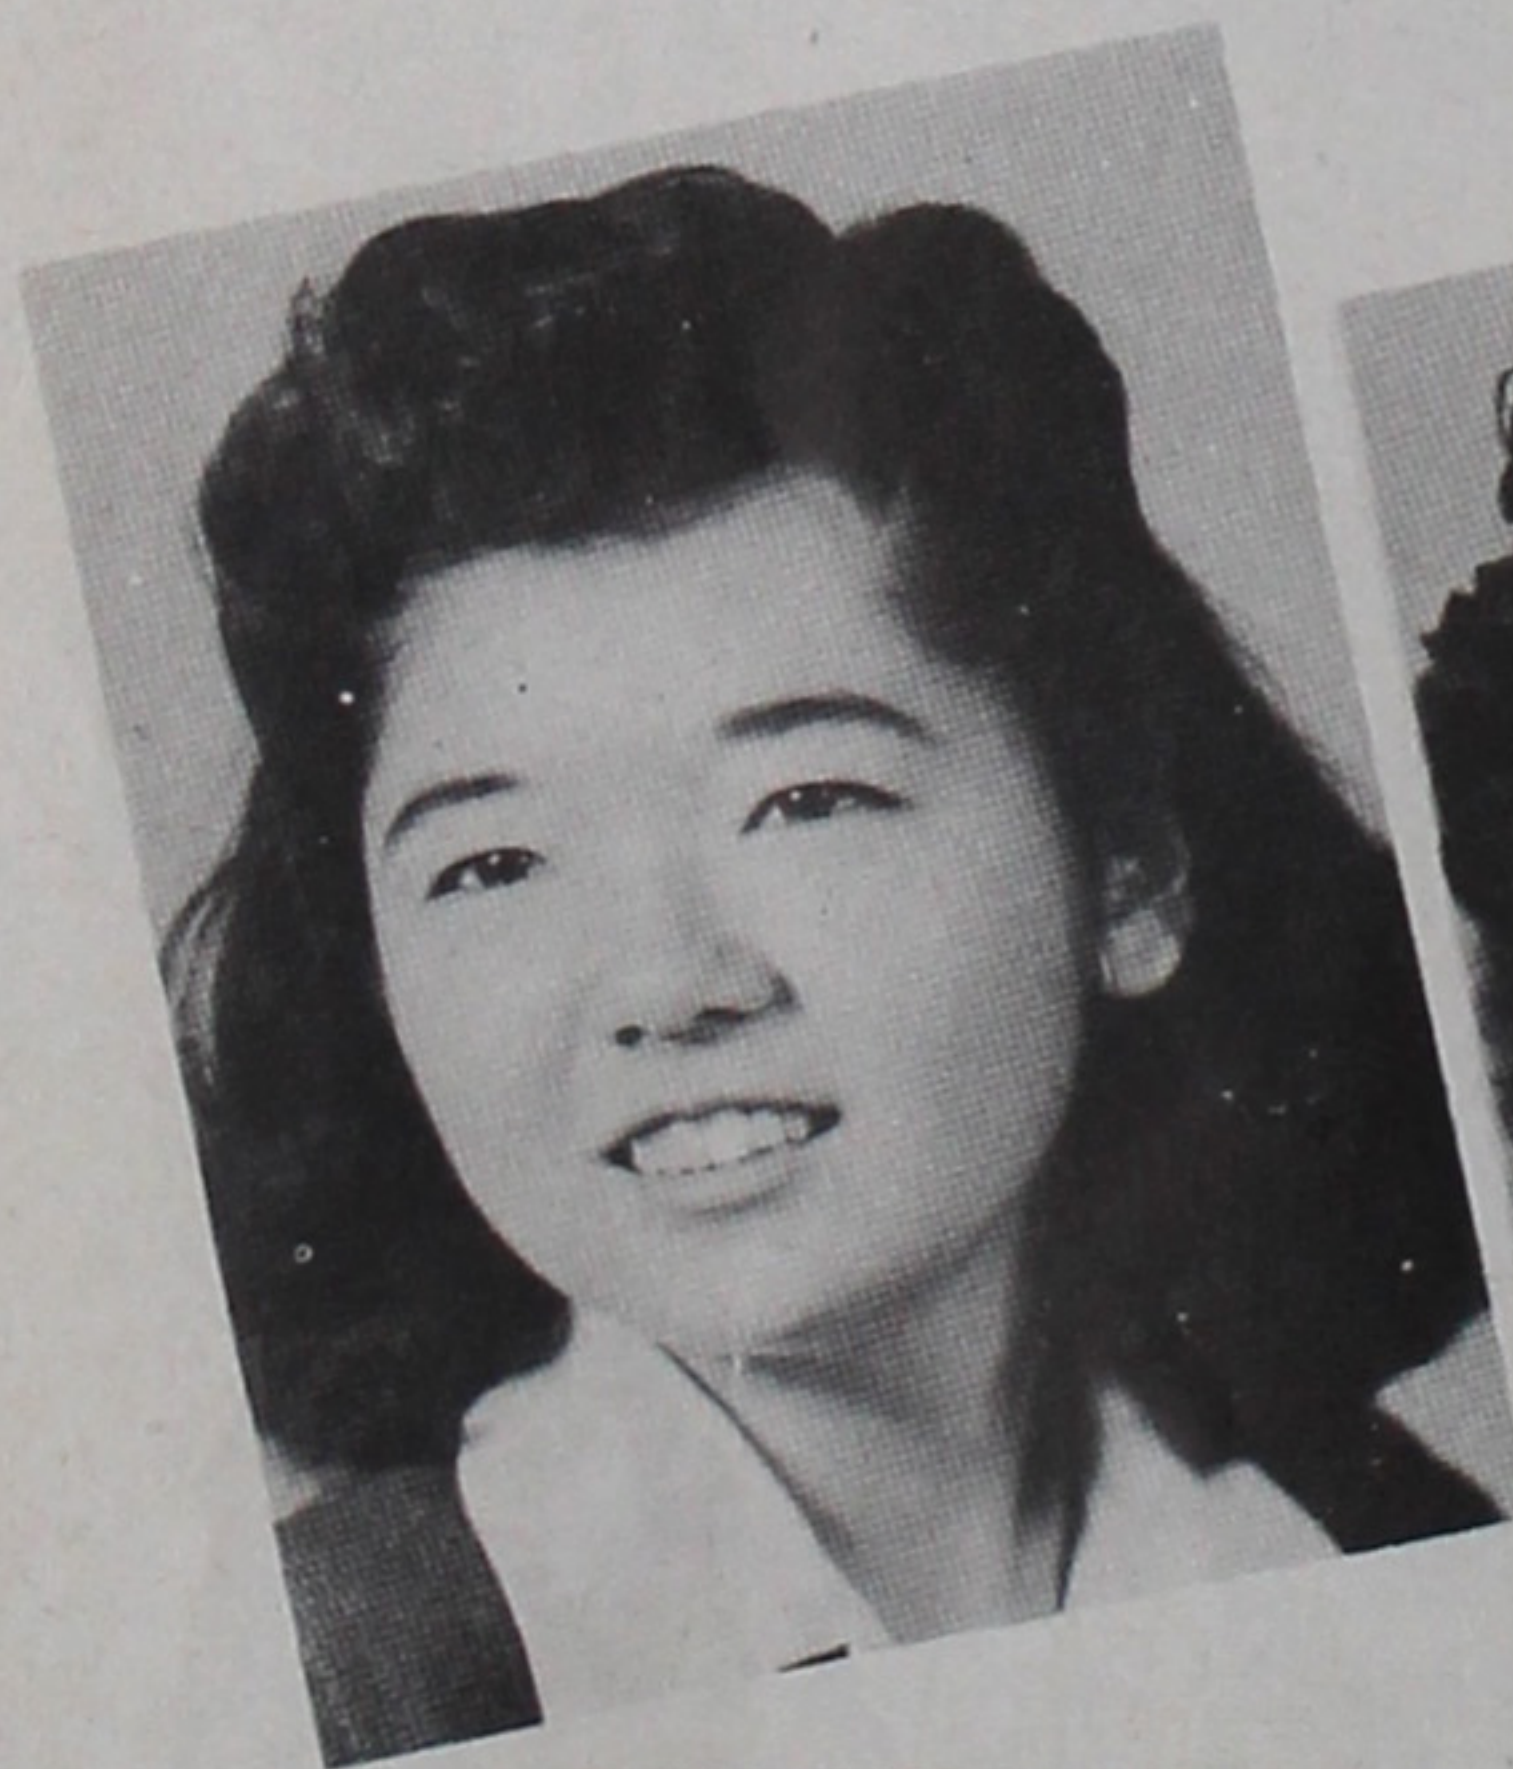

The possibilities of assemblies evolved upon the newly constituted Assembly Committee headed by the Student Body Vice-Prexy Shiro Sato.

The high morale of the students were exemplified by the Calendar Committee and the Social Committee under which the events of the year were drafted.

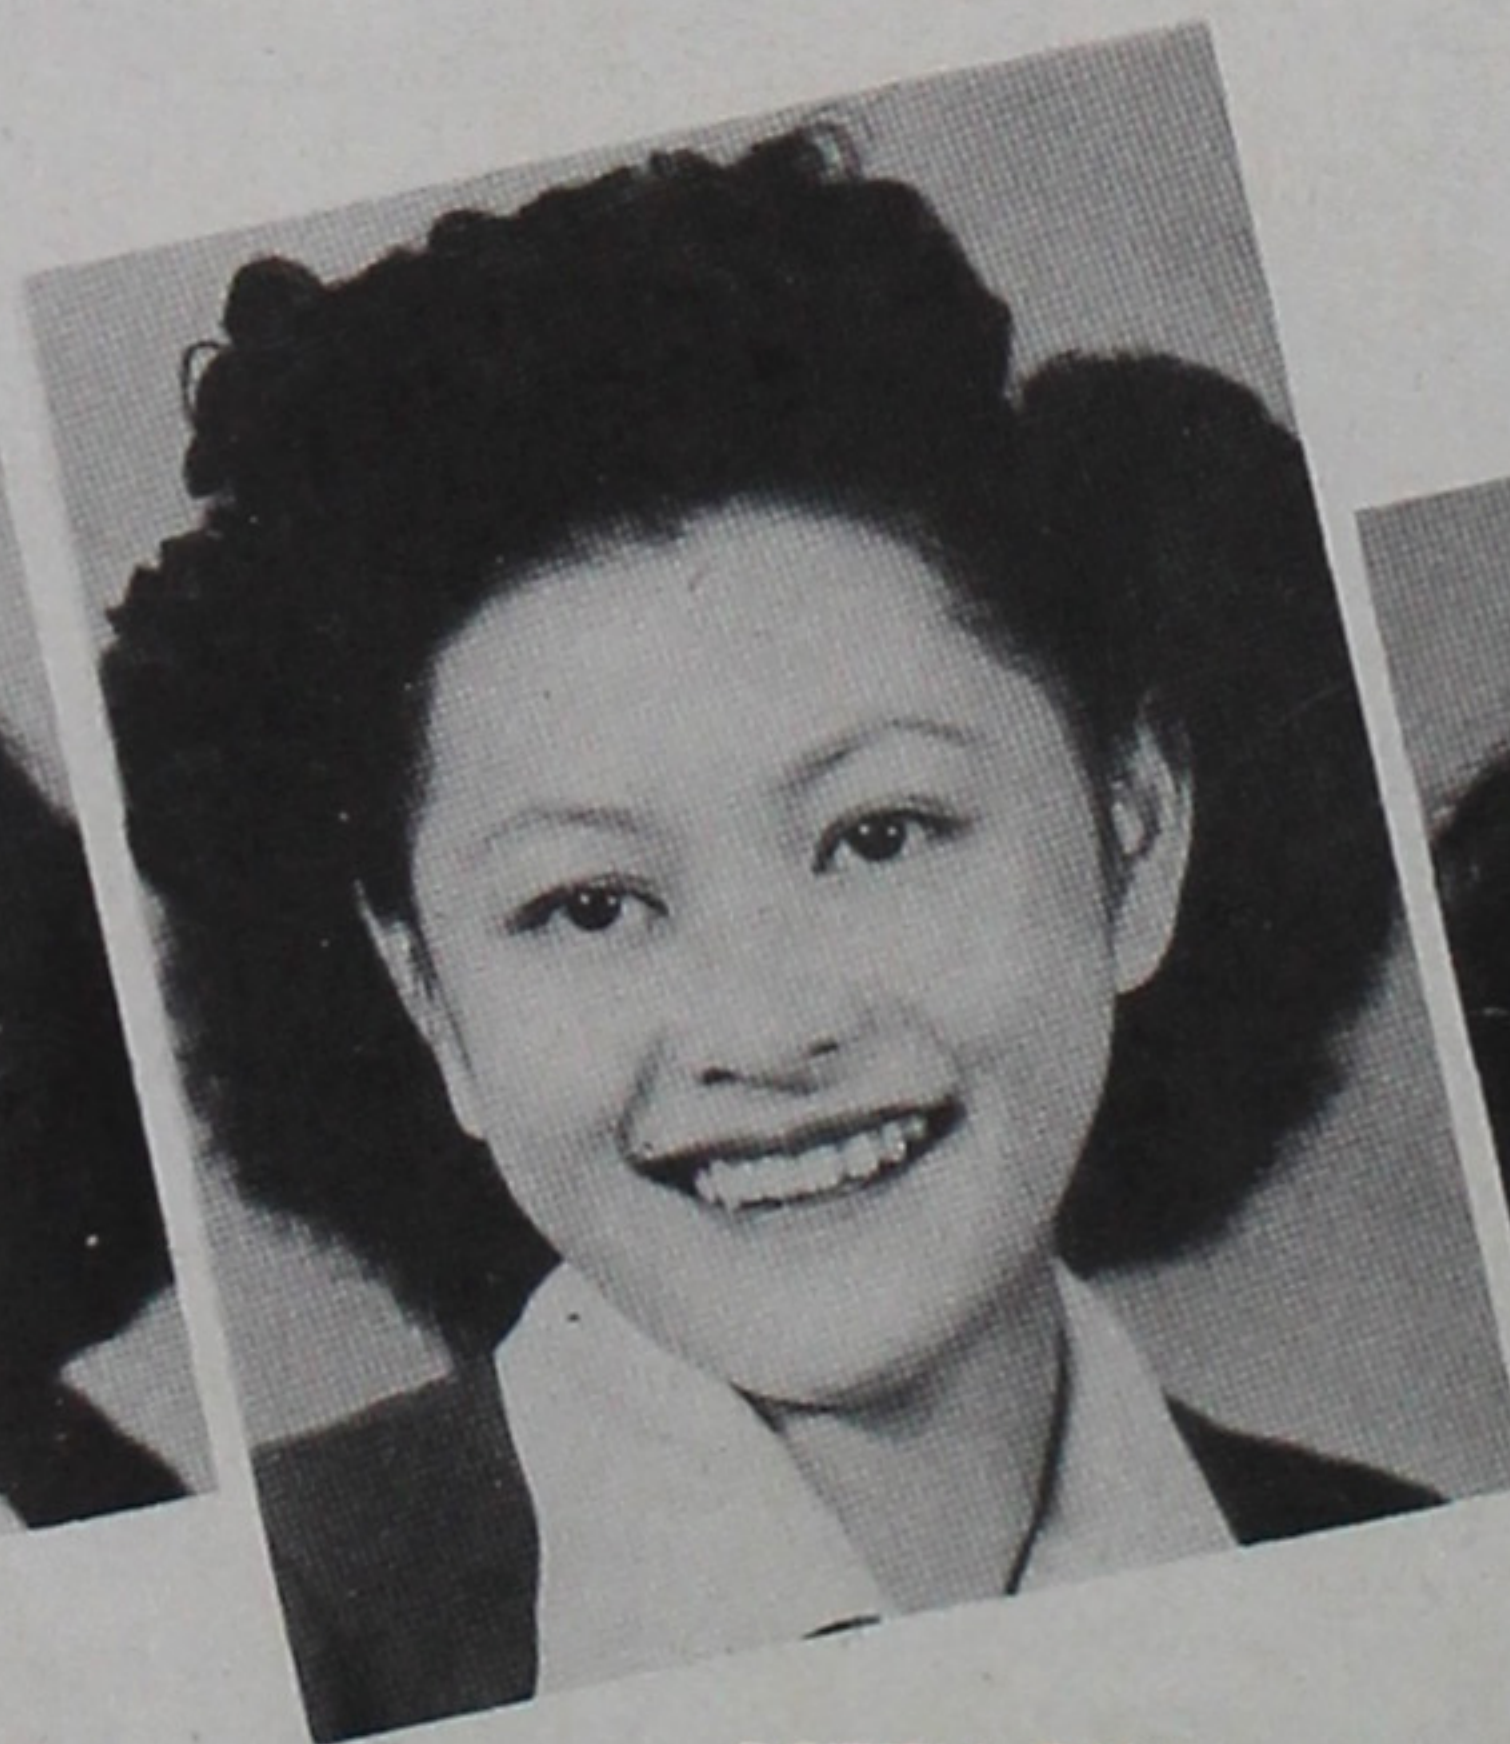

Educational films were provided for the students' special vocational interests by the Student Film Committee supervised by Isao Kiyohara and his committee members.

Another newly elected committee established by the council was the Secretarial (or Rules and Regulations) Committee. Their purpose was to fill all records of classes and organizations with the Student Body Secretary Chizuko Kitamura.

The stability of the Constitution was preserved by the Constitution Revision Committee.

During this year, too, the council and the Student Body officially named our school the Miles E. Cary School.

JUNIOR RED CROSS

Under the capable leadership of President Marie Yoshiki, Vice-President June Yasukawa, Secretary Yuri Namba and Faculty Advisor Mrs. Hazel Hall the members of the Junior Red Cross made curtains and screens to brighten the "Rest Home" for the invalids there, the Toy Loan Library was re-opened, bandages were made at the clinic, morale-boosting letters were sent to overseas servicemen and scrap books for the children's ward of the Poston General Hospital were made.

Junior High and Elementary faculty advisors for this organization were Mrs. Ruby F. Michael and Mrs. Susan T. Evans.

Seated: S. Okamoto, E. Okamoto, F. Yamamoto, Mrs. H. Hall, M. Endo, K. Nakai, and T. Endo. Standing: R. Yoshida, C. Iwakiri, Z. Lutz, M. Inokuchi, J. Goto, N. Endo and Y. Namba.

NAT'L HONOR SOCIETY

Though small in number, the "brains" of the school proved their worth by pulling through a successful year. Some of their outstanding contributions were the presentation of the service flag to the school and the mailing of the school paper to former Miles E. Cary High students now in the armed forces.

MISS SHERVY SHARVY
Advisor

This being the last year in camp, Editor Pete Hironaka's task was exceptionally large—to reproduce camp life as well as school life in the 1945 EL CHAPARRAL. A competent staff was chosen and plans were laid immediately for the annual. Enthusiasm and untiring efforts rendered by the editor, his staff and faculty advisors enabled him to carry out his plans.

Mr. Robert K. Kanagawa, advisor for the first semester, contributed much of his service, and upon his departure, Miss Shervy Sharvy took over. Under such capable guidance, the staff was able to function successfully throughout the year.

Pledge tickets were sold throughout the camp. Due credit for this sale goes to Business Manager Betty Oku and her assistant, Chizuko Kitamura. Responsible for the literary material used for this annual was Associate Editor Mary Nomi; Senior Pictures, Kikuye Sukekane; Photography, Ben Dohi and assistants Benny Masatani and Tad Nakagawa; and artwork Art Editor Isao Kiyohara.

At the first opportunity, the Greenhands were initiated and to climax that memorable day, a "weinie bake" was held in the mesquite during the evening.

The Farmers' Shag and another blowout was held. Truly, this year's **Future Farmers of America** go down as one of the most active groups of the year. Much credit goes to their faithful advisors, Mr. Frederic Ketchum and Mr. George Yamanaka.

HARVEST QUEEN

QUEEN BETTY OKU

The traditionally famous annual Harvest Ball, sponsored by the F. F. A., was reigned by the beautiful and charming Harvest Queen, Betty Oku. Her three lovely attendants were Miyeko Abe, Edna Kato, and Natsuko Taniguchi.

One of the most outstanding events of the year was the selection of the queen, and the solemnizing of her coronation. She was graciously crowned by last year's queen, Miyoko Hironaka, who also honored the attendants.

BOYS' SPORTS

Due to the lack of transportation this year, the sports program of Cary High was curtailed. Instead of intercamp athletic games being played, an intramural sports program was set up within the school. This proved successful, for the sportsmanship, cooperation and enthusiasm shown by the mighty boys never ceased throughout the year.

LETTERMEN CLUB

Sparked by "go-getter" Ben Dohi, student body boys' athletic manager, the school's first Lettermen's Club was organized. Leading the athletes throughout the year were Sus Hayashi, president; Hisao Yamanishi, vice-president; Pete Hironaka, secretary; and Shig Imoto, treasurer.

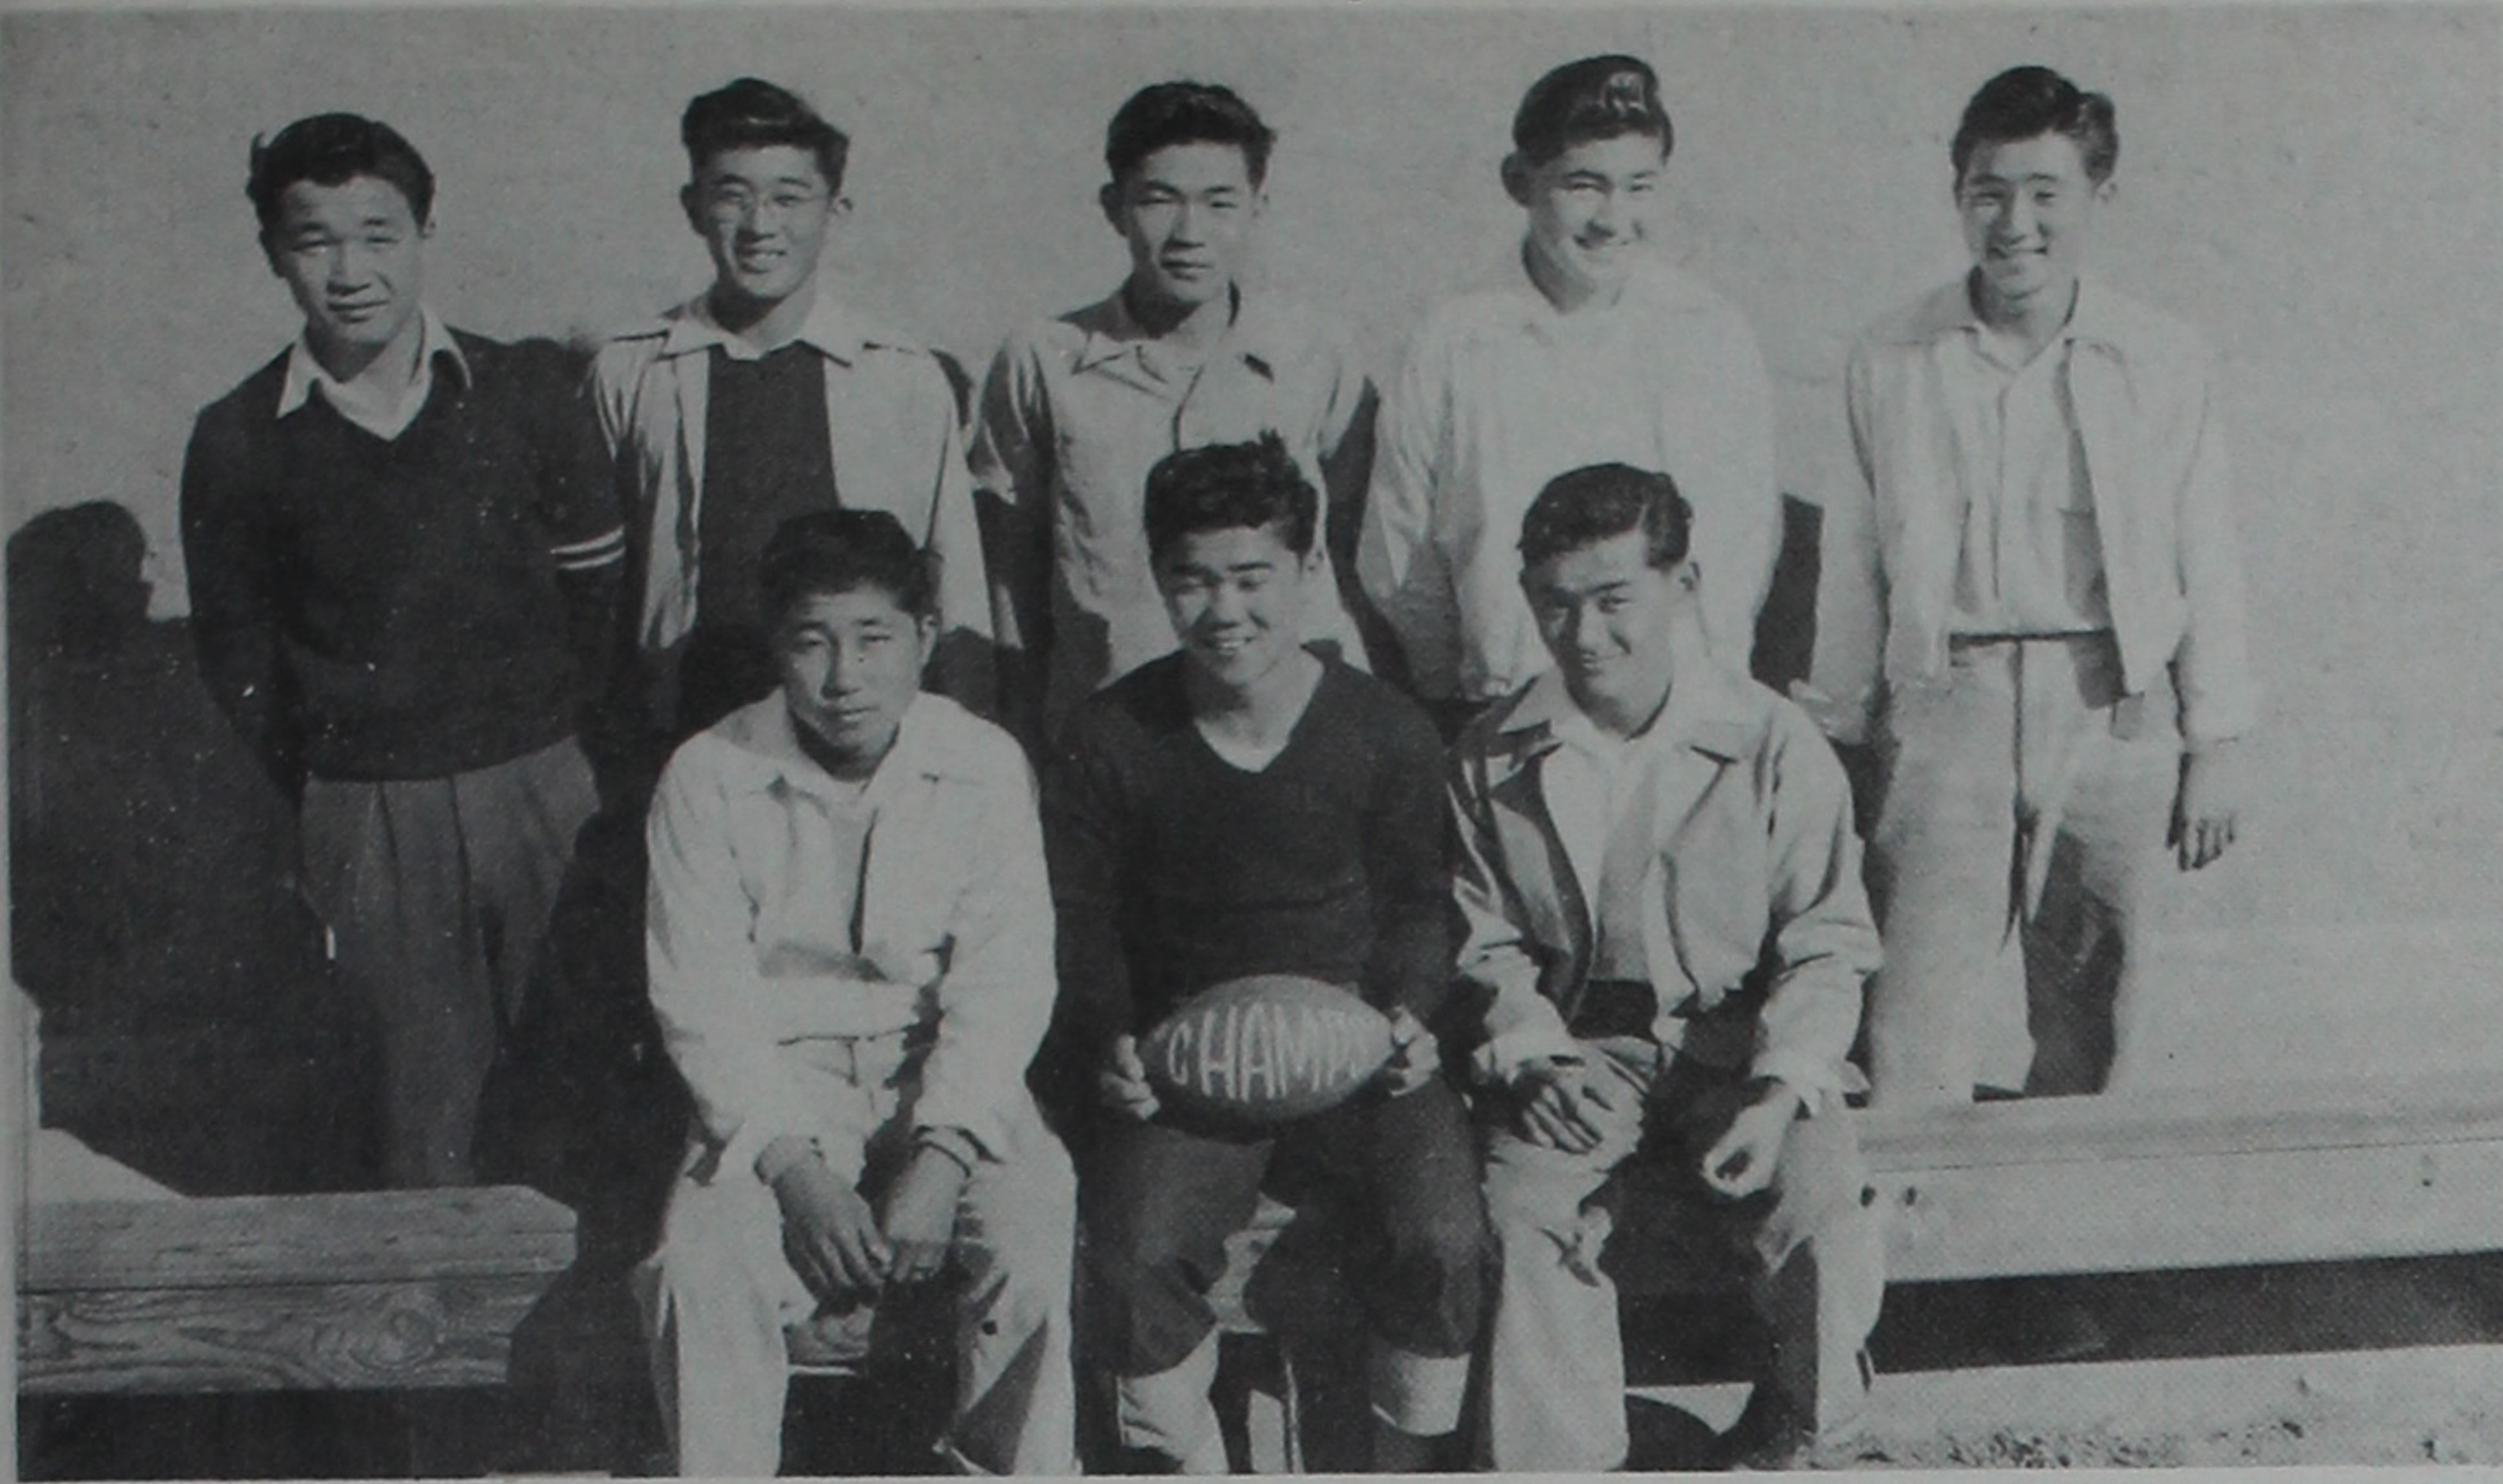

Seated: S Imoto, I. Kiyohara, S. Hirayama, H. Yamanishi, M. Tsutsui, and N. Kokka. Standing: Y. Okumura, T. Kojima, F. Kajihara, H. Fujitsubo, T. Sonoda, S. Hayashi and P. Hironaka.

FOOTBALL

The football season came and went abruptly for Cary High. With four rugged teams playing in the intramural league, some flashy brand of football was displayed. The powerful **Zombies** completely overwhelmed all opponents in the intramural league to take the crown.

The only intercamp football game of the season was played against the Camp I **Bulldogs**. Though battling hard all the way, our **Wildcats** were downed by the score of 14-12.

A TENSE MOMENT IN A CRUCIAL GAME

CASABA SEASON

The most colorful and exciting basketball season within Cary High's three year history occurred on the dirt courts of Poston this year. Instead of an intramural league being formed, basketball games between the Senior-Junior and Sophomore-Frosh were played under the lights to blend in with the enthusiastic atmosphere.

Splitting the first two games, the proud Juniors and Sophomores emerged as victors in the final games, slaughtering their opponents. Players such as Johnny Namba, George Honma and Hisao Yamaniishi came up this year to display outstanding performances in keeping the nets loose.

Outstanding among the teams was the Freshmen aggregation. Though losing to the Sophomores, they showed clever ball handling plus amazing shooting accuracy to leave in the spectator's minds a memory of the hottest freshmen team ever to be observed on the floor.

To end the thrilling season, the team **Black Diamond Dribblers** was created by the basketball stars of the school. The **Dribblers** smothered the 222 **Broncos** by the score of 55-24.

A BATTLE FOR THE BALL!

BASEBALL SEASON

This year for the first time hardballs were seen sailing through the air. The **Wildcats** dropped a close opener to the Block 220 **Mustangs** by the score of 3-2. Having no opposition, the squad split into two teams: The Hirayama All-Stars downed the Namba All-Stars 4-3 in the first game played.

Because of the unbearable heat, softball was cut short with only one game being played. Our **Wildcats** dumped Parker Valley High 5-1 to end the season.

GIRLS' SPORTS

GIRLS' LEAGUE

The Girls' League shows that girls are not always the weaker sex. Forming a basketball team, the girls put full energy and pep into winning the title of "Champs." Other activities consisted of dance practices, singing and tumbling.

The resignation of Mrs. C. Smith left them without an advisor. Although handicapped, the Girls' League carried on successfully under the able leadership of Kinuye Kadani, S. B. Girls' Athletic Manager and president of this organization.

EDITOR'S WORD

Like the final whistle in a game, the conclusion of a good novel, or the finale of a play, we the students of the Miles E. Cary High School have also come to the end of memorable days on our campus. Our days in Poston are now numbered and soon the clanging of the kitchen bells, the familiar faces, the numerous trips to the canteen, the blistering heat of the Arizona sun, the dust, the wind and everything else which make up life in Poston will be but lingering memories of the days spent here.

Our inexpressable thanks go to the Community Council who so willingly and generously appropriated a large sum to lay a firm financial foundation for this year's publication.

• My personal thanks go to the capable and willing EL CHAPARRAL staff members and the splendid advisorship rendered by Mr. Robert Kanagawa and Miss Shervy Sharvy.

Were it not for the fine cooperation given by the faculty, the community and the students, the smooth functioning of the publication of this year's EL CHAPARRAL would not have existed.
