

MINIDOKA WAR RELOCATION PROJECT
HUNT, IDAHO

December 7, 1942

TO: All Residents of the Minidoka Project
SUBJECT: Clothing Allowances

Applications for clothing grants covering the period to November 1, 1942 may be made on the attached application blank. These grants will be issued in cash at the rate of \$3.75 per month for adults, \$3.25 for persons 8 to 18 years of age, and \$2.25 for children under 8 years of age, to those families making application as being in need of clothing. This will include those who have been working as well as those who have not.

Those persons who have left the Project for outside work leaving dependents on the Project will not receive clothing grants for themselves or their dependents for the time that they were working off the Project. This will apply also to those who have commuted to outside work.

Those persons who were not living on the Project before November 1st will not be eligible for this clothing grant and, therefore, need not make application.

The value of clothing issued from the surplus clothing store since October 21, 1942 will be deducted from the cash grants referred to above.

This initial clothing allowance will cover the period to November 1st. After that date clothing grants will be computed and issued on a monthly basis in one of the following ways:

1. Those employed on the Project fifteen (15) days or more during the month and their dependents.
2. Those receiving Project Unemployment Compensation during the month and their dependents.
3. Those unable to work because of health or other reasons who are financially unable to provide clothing for themselves and their dependents.
