28 JULY 48

FUKUI, ONE MONTH AFTER EARTHQUAKE:

ONE MONTH AFTER THE DISASTER WHICH
CAME TO THE SOUTHERN JAPANESE
COASTAL TOWNS, WHEN THE EARTHQUAKE
OF 28 JUNE 1948, STRUCK MERCILESSLY
AND WITHOUT WARNING LATE IN THE
AFTERNOON, FUKUI ALREADY SHOWS
PROMISE OF AN EARLY RECONSTRUCTION
PERIOD. WITH EXPERTS ESTIMATING
THAT SIX YEARS WILL BE NECESSARY
TO COMPLETE THIS JOB, THE JAPANESE
HAVE BEGUN TO REBUILD THEIR HOMES.
