Dear Sir:

Thanks very much for your price list, which I received this morning.

Will you kindly send me five (5) cases of Zuko brand fake, which according to your price list is \$12.25 a case. I am enclosing a money order for \$61.25, to cover the order.

I would appreciate it very much, if you would send me this order immediately, so I'll be sure to receive it by New Years. Please send it by Railway Express, since I believe that will be the fastest way.

Will you kindly send it to the following address,
