Dear Papa:

How are you getting along?  
We are all in good health  
so do not worry about us.

Here in Seattle, it is  
still very cold. There is  
ice everywhere, and every-  
body goes skating, even  
on Hashimoto's garden.

We sent you the boots  
today, also your nightgown,  
4 pairs of wool stockings,  
handkerchiefs, pen + ink,  
writing paper and envelopes.  
We hope they will reach  
you safely! Mother wants  
to know if you need any  
shirts or overalls? Please  
write us for anything you

need.

We couldn't get licenses for our cars yet. We are now trying to transfer the car titles to Kijoshi's name. Then we can get the licenses. We will send the cards to you to sign.

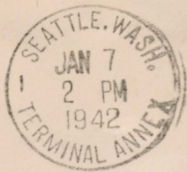

We borrowed \$1,000 from Carlo, and \$500 from a friend to pay Jimmy. Mama got the rest.

We got the signature card a few days ago, so, I think, we can get \$500 from your account.

All your friends send you their best regards.  
Goodbye—

Misae
