Dear Papa:

How are you getting along? At home we are all in good health. Mama wants to write to you but she is quite busy now. She will write later. We are cutting spinach but it is cheap. We have an order for 200 boxes Monday. Radishes are big now too.

Papa, all the other fathers write that they are working in camp but you don't say anything about what you do during the day. Don't you do any work? Mama wants to know all about it, and she says to write us more often, maybe once a week.

This week is spring vacation for us but Kazuko is still going to school. We are sewing some clothes. We have begun a little packing for evacuation, but we do not know when we have to go. I think

it will be quite soon. They will put us on the Puyallup Fairgrounds for a while.

If Iku makes some cookies this week we will send them to you. We also have a box of Girls' Scouts cookies saved for you. Please tell us if you want anything and we will send it.

Papa, I have written several letters to you, but you don't give me any. You send them all to mama. We want some letters from you, too.

We received the property reports you wrote out on Wednesday.

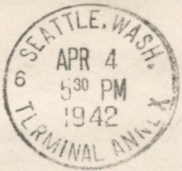

I guess that is all. Take care of yourself and please write us soon.

Good-bye.
