You will note that it dates back to 1939, but we show your statement from that date in order to make the current statement clear. However, we have itemized only the current account. Radish, Early Scarlet Globe sent in exchange for Comet Radish returned. Invoice #13422 is the charge for the 50 lbs. Radish sent on Inv. #12709.

We hope this statement is clear to you, but if it is not we will be glad to explain anything that puzzles you.

Yours very truly,
