Mr. K. Uno,

Dear Sir:

On his last trip to Seattle, Arnold noticed that you had a combination Radio and Phonograph stored at Paul Pezzella's place. I would like to know if I could have the use of this machine until such a time that you may want it back. I felt that in this way I may be in a position to keep up the equipment so that on its return it will be in the best of condition.

I hope that this finds you in the best of health and thanking you for your consideration in this matter, we remain,

Very truly yours,

Zenner Bros. Seed Co., Inc.,
