Dear Father,

We sent your suit and hat today. We hope they will reach you safely. Also we are sending \$10 in money order with this letter. Please let us know if anything new turns up.

Last week we received typhoid shots (about four days apart) in preparation for evacuation. My arms got sore and I stayed out of school two times. Oh, from tomorrow noon we can't go inside the city limits so can't go to school anymore. We quit yesterday. The principal told us we can get our credits and grades and that I can get my diploma without finishing the course. Kaya is quitting tomorrow.

Today Higurashi's left to go to Puyallup, and
Higurashi's went to Spokane.

We didn't tell you very much about what has happened in South Park. Tatsuo Kobayama

got ~~to~~ married to Kiyo in March. And Takashi
Mukasa married again last week.

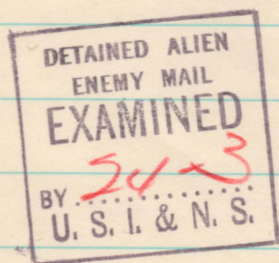

About a week ago Izu sold his car to a
boy, and he's awfully lonesome without it.
Maybe we might sell the Plymouth, too.

I know you wrote me a letter, but I couldn't
read it. Will you try to write in English next
time?

We are all very well and are getting along
okay. Do not worry about us. When we learn
when we are moving we will let you know
right away.

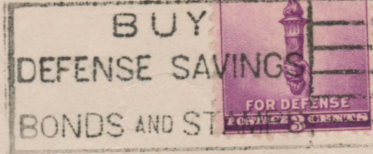

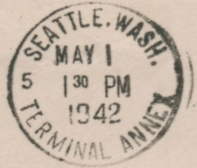

Goodbye.
