Dear Sirs:

As owner of certain premises lying immediately south of premises now occupied by Canio Facciuto, I wish to advise that I have no objection to the installation of a separate water meter by Canio Facciuto.

It is my understanding that all expenses of such installation will be paid by Mr. Facciuto.

I further understand that my own water supply will not be affected in any way by the installation of a separate water meter by Mr. Facciuto.

Very truly yours,
