Dear Sir

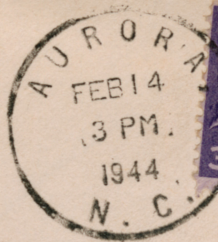

Two of James Makimoto's party came yesterday. The police picked them up in Washington and questioned them (are still watching them and us. Feeling is so high they've decided to go on somewhere else. I'm sorry this happened, but I've done what I can so I'm

withdrawing all offers
made to you. It won't be
satisfactory to your people
or us either to try to live
and work under such con-
ditions.

Mrs Guilford thanks you
and Mr Marinichio for the
nice box of Candy enjoyed
it- Very much.

Yours Truly
