Baltimore Md.

May 15, 1944

Dear Mr. Domoto,

It was very thoughtful of you to send us the "mezurashii Chinese delicacy". It is so good with hot rice and something we cannot get in Baltimore. Thank you ever so much. We are all enjoying your thoughtful gift.

We were glad to hear that you have been able to find employment along the line of your training. No doubt you are enjoying it.

Recently I called up Mrs. Simon in regard to an apartment we had for rent & thought that perhaps you might be interested and then heard of your employment in New York. Sorry you couldn't find anything here in Baltimore but glad you found what

-2-

you wanted in the big city. You see
~~you~~^{we} happened to come across a nice
2. apartment house in a nice quiet
section (all gentiles) of the city so we
bought with the idea of renting it out
to the Niseis, thus helping to relieve
the housing situation. We thought
you might like to see one but 3 days
after we bought it one of our old
friends moved into the 1st floor apart-
ment. Then Mr. & Mrs. Geo. Moushita
& the Sun Cab Co. moved in about
2 wks. later as soon as I was able to
fit it up furnished. Masao & I painted
the woodwork & putting up curtains,
etc. kept us so busy - we hope
you'll pardon us for this delay in
thanking you. We haven't finished
all of the painting as yet and we
doing it whenever we have spare
moments as it is so hard to get painter
to do odd jobs these days.

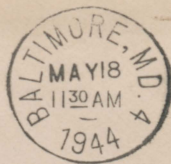

I believe that since you are settled in N. Y. now, your family will join you soon. I hope everything will we turn out fine for you & your family. Sorry we won't be able to meet your family but perhaps some day you might visit Baltimore again & bring your family. We hope you do.

Thank you very much again & Masao will write as soon as he can. Please excuse him for not writing this time. He sends his regards & thanks to you.

We were over at Mr. & Mrs. Kawasoye to dinner on Mother's Day & had a grand time all afternoon. They are such nice people. They spoke of you. Good luck to you & your family.
Very sincerely yours,
Itono Miyasaki.

(Roy is jumping in my lap so please excuse the writing)
