

CHRISTMAS 1944

Dear Sally,

I'm so glad to hear the news
that you have a place of your own.
From what I hear, ~~the~~ ^{new} Rochelle is
a very pleasant town and should
be far more tolerant than the poor,
miserable South or the Middle West.
I'll write again after Christmas.

Best wishes to you & Dan & Mike
and the baby boy for Christmas & 1945
With lots of love
Virginia

2 For the Chinese character from one of
the few local Chinese & we hope it
really means "China", or not "Bawdy house",
or innumerable other things it might
mean.
