Dear Ken

We received a letter from Bea Donegan in which she enclosed a newspaper item about the fire you had in your house. We were sorry to hear about it and we hope you are able to have the damage repaired. The last time we were in New York, a few years ago, we didn't get a chance to get to New Rochelle.

We went to Seattle last December for about ten days to visit Jaclyn and her family, and managed also to take a quick trip to Vancouver, Canada - in the rain. Jaclyn has a little boy about five years old and a girl about two and one half. Joanne and family live in San Marco Island, Florida.

I guess all your children are spread around also.

We have had a slow period in our industry for a couple of months, but expect to be busy in a few weeks. Our business is still erratic. Eleanor has been going to a class in oil painting and I think she is doing well. I hope she

gets back into doing portraits

Well, Sam, I hope you and your family
are all well. Eleanor and I send
our best wishes

sincerely
