Dear Ken Domoto & family.
After all these decades - still
think of you and the wonderful
friendship we had.
We retired from U.C. Berkeley &
live in Marin County. Still have
your large photos of your great rock
work. Some of my camp notes, etc
went to the Japanese Library. 1615

1801 "I shall seize Fate by the throat,
it shall never wholly subdue me."

1812 "There can be no happiness except
within yourself, in your art."

1818 "Only love is capable of granting
you a happy life."

1823 "True art remains imperishable."
