Dear S + K. -

Stayed here last
night with an 80 yr old
widow. No retirement problems.
She gardens vigorously, puts
up fruit, jams + jellies, - rhubarb
+ dandelion wine

Much to tell you!

We are really enjoying every
minute, - with no sense of
urgency.

I hope all's well on
the home front. We forgot to
turn off the heat at 72. Please -
