

Dear Sally & Kiki,

BOOTHBAY HARBOR REGION, MAINE

Burnt Island Light, looking from Burnt Island
toward Squirrel Island.

Got your card - the building
looks like a crown - spectacular
You must have had a fascinating
trip & I was tickled that
you remembered us. Hope
to go there someday.

Been helping Katherine with
her new little boy - I have
Eddie's former playhouse as my
private dwelling 8'x12' in the
woods. Love Kiki
