

July

Dear Sally -

Thank you so much
for sending my beautiful
rose with John. They
loved it there - Bloomed
& bloomed!

We had a wonderful
7 people for about
10 days - & they're all
gone today - hooray!

It's good to have them -
and good when they
leave - especially this
couple. They are dear
people - but difficult
to have around.

I've been restraining
myself in the Borsari
dept. Have only 3
new ones and will
try to hold the line
there.

We've had great weather
- too much sun in it
you can imagine that
- sailing & swimming.

Morris is coming up
Sunday to spend the
rest of Aug. Then
we're going out West
again - in Sept or
Oct. He wants to

see his Mother - So
I think I'll go out
early & play with
my horse again.

Hope you are
well - & Tom is
busy —

Love

Helen
