Dear Kan:

Aug 30th.

Thank you for the auto ride to Larchmont Station and coming down that long distance to the station platform. It was a good 45 minutes or more wait but lot of people showed up 5 minutes before their arrival. I forgot to show some cigarette and so had to pay 4.50 but was able to refund the Westport one of 7. You did well and I enjoyed better your smooth sailing car ride & company.

Thank you kindly. You look great in good shape. Keep healthy.
My love
Mimo
