

Dear Kim & Supra -

Isherein and god died in 1940 with the Vietnam War and the Flower children. I had left Fortune and the Communist World and I hoped to educate and build a group of followers but in art it was a complete failure because to everybody everybody and everything is regarded as art and art and no understanding of anything higher taste, judgement and popular for the times & with the world you follow and play or else. I found myself on a total odds road as I was going Towards Truth & Universal.

1973 & 1994 were hell years for me with everything against me. Horrors as but I survived and I have proved everything in my art so I will find imaginative ways to bring out the to the world results of my long sweat, Tears, blood & my long dedication - a book just came out with my life story as if God planned - get it. I didn't know this publisher but the author has written a beautiful chapter on me from all the ~~experiences~~ I sent to her.

a many Christmas' and a Happy New Year!
