Dear Sally & Ken -

I am now
on my way west -
but don't look forward
to meeting any more
agreeable & hospitable
people than you have
been to me.

The girl that
looks like a boy
is boy now I hope
all over her sniffs.

Feb 27

Give my regards to
you and the boys
who dropped in on
Sunday -

Yours

John F. Embury

intelligent & energetic
work was not done
here & we

last trip out
post - still about
equal to what we
all our own
