DEAR SALLY:

I'm all finished here. Already to go to Mobile. Today is Saturday and I don't think I will take the train this evening. I think it is pretty crowded. So maybe I will have to waste a day or a day and a half. I may leave early tomorrow morning altho I know it will be awfully crowded.

I did get a job for two days with the Landscaping Co. W. C. Pauley. Nothing much except putting in walks and dimensions. He paid me \$1.50 an hour so my expense here is paid for now.

The other job with the Gulf Stream Nursery - & Mr. Legendu --- He wanted me to start working the beginning of this month. I guess I better write him that I can't make it. He was offering only \$25.00 a week but it was a good chance to get out to the East Shores of Va.

I don't know just what to do now. I guess I'll visit some Nurseries.

Some time maybe I'll do some washing too, and iron etc. Gave the quickest service laundry man in town.

Say, before I forget, will you tell Yuri that Toichi said to leave the blow in the camp. Store it with Mr. Radcliffe and let the people in camp use it because he wouldn't have any use with it where he is. I sure hate to just lay over the week end but this morning was the first morning that I had a chance to see Judge Underwood. It didn't do much good seeing him - not as much as I expected anyhow. At least I haven't found a definite place to stay yet.

Talk to Yuri, Wak, & Dick if you want about getting a second hand car because there are available. It may come in handy. This is sort of awfull thing just traveling. I can't make up my mind on a place yet to settle down. I will have to finish the trip first. And besides no opportunity come in to rent a land and a house right away but I can always right back.

At least I know where to write to, Shup.

It's still very nice weather here, just pleasantly cool at night. They tell me that sometimes it gets very warm in February here and then a frost comes nipping all the buds that have come out.

I haven't come across anything that I wanted to give to Faicchi yet. Probably he has everything he wants. What did he send for Spike? I think I will try to get something for him instead of just money. -- He probably has enough of that.

Well here is hoping I get back in a rush. Gosh how I miss you and the rascal Mike.

I bought some Arch. Records second hand. They cost .15¢ apiece and I saw some good articles in them. I thought they are worth it. I hope you don't mind.

I bought a miniature chess board +  
pocket size - to send to Babe Shibata.  
Tell Yuri that Oh! I guess I'll go out  
now to mail this letter. I know if I  
waited until Monday, the trains will be less  
crowded but I hate to waste Sunday.  
Something may turn up yet. Here is  
hoping. I think I will visit a nursery  
some place.

Tell you more about it later.  
Gosh! did my hat come back to you. I  
asked the man to send it parcel post  
to Atlanta but no go. Say I've been  
getting the coat back on the Electric  
iron. I've been pressing my pants +  
coat. A better and better job is done  
with each pressing. I scorch'd  
my shirts already too.

Well, Can you send for my camera  
you have to go through a lot of red tape  
at the Administration Place. Maybe  
Yuri will do it for you.  
Will write soon again.

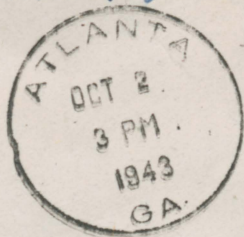

Love

Kan
