

UNIVERSITY OF CALIFORNIA
SECOND BOTANICAL GARDEN EXPEDITION TO THE ANDES
BERKELEY, CALIFORNIA

DIRECTOR
T. H. GOODSPEED
PROFESSOR OF BOTANY AND DIRECTOR
BOTANICAL GARDEN

Dear Kan;

Just talked to the Chief and he informs me that if the man is hired on the hourly basis, the fact that he is not a citizen of this country does not make any difference. You might as a safeguard mention that he is a Japanese Rock Expert. There is a ruling that experts in certain fields can be employed without being citizens.

The Chief is becoming a little anxious about estimates since he feels that Cal. Hall might become a little cold if we wait too long. So be sure that we have the final figures by the end of the week. He was much impressed by your recent drawing.

Hoping to see you the end of the week,

In haste,

John
