

May. 9.

Dear Mr & Mrs Donato

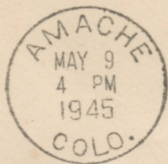

Thank you for your letter and snapshot which you sent to me. It is a lovely picture Mike & Kanzo are certainly growing specially is Kanzo.

We have no idea where we shall go. Maybe we shall go east.

Last summer the peony didn't bloom. It is beginning to bud now.

I hope we will meet you again.

Please take care of yourselves,
Sincerely yours,
Harumi Yamada
