

Dear Mrs. Domoto

Hi! and thanks for the letter and the pictures. The kids sure gave a lot. I was surprised.

My father come back on Aug 30st we left on Sept. 5th and reached Long Beach on the 7th

The rot is still in Iowa and is not coming to Calif. He's planning to finish high-school in Iowa and go to College in Michigan.

Mrs Uyeyama is in Los Angeles.

I sure was glad to see pop! He surprised us.

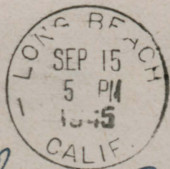

We are living in these
F.H.A. houses. We have 3
bedrooms a gas stove and
a modern icebox but you
have to buy ice for it.
It's about 4 miles from
here to town and to school
the bus fare is always
a nickel, tho!

Well, I think I'll close
now. I'm going to Long
Beach today. There is a
amusement park and papa
and me rode on a roller
Coaster and boy, I'm
never going to ride in
it again.

So-Long
Ellie
