DESERET BOOK COMPANY, SALT LAKE CITY, UTAH

The "Mormon" Tabernacle Choir is a volunteer, unpaid organization with a membership of 325. It is famous for its long, continuous service in the "Mormon" Church, its many years of national weekly radio broadcasts and its frequent concert tours.

The Great Organ of national renown was originally built in 1867 by Utah artisans. It has been thoroughly rebuilt and enlarged from time to time until it stands today the peer of, if not superior to, any pipe organ in existence.
