Dear Jolly

It feels as tho its been a coons
age since I left New Rochelle altho
it hasnt been much over a week + 1/2

The weather is rather rough
out this way - cold and snow
if it gets too bad I'll have
to take the southern route

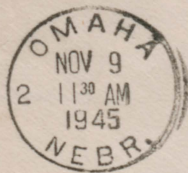

The weather in N.Y. is
damn good compared to the
Mt. region

Everything is well under
control so dont worry
regards to the kids and Mom
