

Feb. 9th —

Dear Sam —

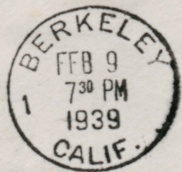

Uncle Sam must
be especially favorable to
us — or something, for
I've gotten your letter,
written this morning,
already.

You've embarrassed me
to this color pink! — For
it is I who should thank
you most sincerely and
humbly.

Huu-u-u-u! just
wondering? — I got a
letter from Gally - too -
with ^(but separate envelope) your letter! What
does this mean?

You can come Friday -
if you don't keep me
up too long!! I've
have to get up Saturday
and on time at that!!
I'll see you tomorrow.

Uwa
