Dear Mr. Komoto,

Just a few lines to thank you for your kindness in remembering us. We received your gift and appreciate it very much.

Having not heard from you for a few weeks, we came to the conclusion that you found employment in New York City. But Lo and behold the package comes from Boston, Mass.

Are you there for pleasure or business. Every day my employer asks about you. When I told him you were up in Boston he said perhaps you found something in your own line of work. Whatever it be the best of luck be with you.

Best regards from my family & myself and hoping to hear from you from time to time, I am  
as ever

Your friend
