Mr. Kaneji Domoto,
330 E. 57th St.,
New York 22, N. Y.

Dear Mr. Domoto:

The enclosed notice will explain why there has been such a delay in writing you about your new appointment date.

The new appointment for your Life Reading
has been set for February 22nd Thurs. 19 45, between
10:30 to 11:30 A. M. Eastern War Time.

We sincerely hope that Mr. Cayce's health will permit him to give you this reading on the above date.

About three weeks before the above appointment date, let us hear from you so that we will know you are in accord and expecting your reading on that date. You may also present a new list of questions at that time if you care to do so.

The best results will be obtained if this period is observed in quietly praying or meditating by yourself or with interested members of your family or friends. Let your attitude be a seeking one, with this thought in mind: "May the very highest be the impelling influence through that one seeking to aid me now."

We deeply regret that we cannot give you an earlier appointment. Most of our new appointments are being made in 1946. We are telling you this so that you may realize how very crowded our calendar is. Kindly let us know if this appointment date is satisfactory. If it is not, we will be glad to return your membership fee.

If you do not have our booklet called "Life Readings" do send for it in further preparation for your reading. This booklet was compiled for this very purpose.

Thanking you for your cooperation, I am

Sincerely yours,

Gladys Davis, #1
