

Sunday night - April something

Dear Sam:

I was very glad to receive your letter and I am delighted with the chop sticks. I thank you very much. That has been a long time in coming, but it is sure nevertheless.

I envy you in having heard from Jan. We saw him on our trip to Los Angeles.

I don't know what Blaine's address is but he is in San Mateo somewhere. I think he and Hulda are living in a Boy Scout cabin near the job if that will help you any. I had hoped to see them before I went back to Wisconsin, but it doesn't look like it now.

You wanted to know when we would be going back didn't you? Well, Mr. Wright at present is on a trip to Kansas City. We expect to leave within 2 or 3 days after his return and we expect him Thursday. If you wish to travel back with us you better not waste any time. I think he will let you come back, but I don't know.

Kay and Larry left - I don't know how the divorce is coming, but I've been told that Kay wants to come back.

Peter and Corneha left last Sunday for Ardmore. Eliza

went with them as far as Chicago. Gordon Chalwick is making a few preparations to do the Pope house in Va. He is supposed to leave after we go back to Wis. And Bob Mosher is staying here again this summer to do the house he was going to do last summer. One really has to have a grand sense of humor to be a success around here.

I haven't seen in the pitchers yet and some of these boys have served three times since we hit the desert. When they finally do catch up with me, they will probably make it a good one.

I guess I'll close now, because I want to write another letter tonight and it is getting late.

Your friend
Marcus
