Dear Kaa,

Air mail is a wonderful thing, isn't it? Just got your letter which you mailed only 2 days ago, + what's more, it went to Oakland first + then came way down here to Beverly Hills. That's some record.

Thanks so much for your cards and your letter. Meant to write you as soon as Yvonne gave me your address,

to Oakland twice already, since we came down — once just last week. Saw Wak at the hospital — she was looking just grand + acting even better. You'd almost think she was playing sick — but I guess she wouldn't do a thing like that.

I bet you're having a grand time at the New York Fair. How does it compare with the one in S.F.? Much better, I imagine. Certainly wish I could go to that one, but haven't even been to Treasure Island yet.

but I've been on the go more or less all the time; so didn't get a chance to sit down to write.

Say, I thought I had the record for being the most travelled person in Hayward, + now you would go + break my record! I think I'll sue you for encroaching upon my favorite pastime. Nevertheless, it is great fun to travel, isn't it? I'm down in Beverly Hills now (among the movie stars — haven't seen a one yet, though.) I've been back

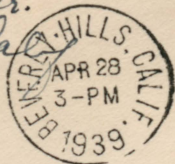

When are you expecting
to come back — or are
you coming back? Whatever
you do, don't forget to drop
me a line every so often.

We'll be down here for a
couple of months yet.

Best of luck in your
travels & let's hear more
about the interesting things
you see and do.

As always,
Tak
