Hello Kan:

Thank you for the Xmas card.

We are all quite well here. With the exception of the flea which we all had for a short time.

We just got back from Topaz this evening and I saw most of the old gang. John Morrison left with his wife for the east. George is planning to get out but can't seem to make up his mind. Dick is now back in camp again after a seasonal leave. You ought to see him now. Plenty big. Choke was in the hospital for a couple of weeks but the doctors don't know what was wrong.

I am ~~at~~ anxious to know if you are going out in the

near future? If so let me
know your address, for I am
planning to roam around the
country a little. And am anxious
to see you, where ever you maybe.

At the present I am working
as a gas station attendant but
Take Nishiyama has a better job.
for me fixing jute boxes, but
can't seem to make up my mind
yet as to whether I should work
a little longer or start a little
roaming around first.

How about a quick ans.
as to where you may be
before long.
