Thursday -

Dear Dally

All - it seems now she has had time to write to see that you from all of them for the 4 mac presents. She perfers in real nice - and she come something I havent seen anywhere. Thanks a lot.

Kizie took mama to see Mary and her kids last Thursday and they came back on Tuesday night. They stopped in and saw Mrs Ota. and made had a real nice visit. Mama was bitching around so much it was swell to get rid of her for awhile - since it is between semesters I was home with papa - Pap got kind of lonely. but it was peaceful for him too. Alice gave us dinner every night

so it was convenient. Pop likes²
Kain baby. very much. It's a very
quiet baby even when he is
hungry. ~~so~~ but ~~it~~ he is a wonderful
baby - when the ~~with~~ ^{were} people are -

He doesn't smile too much yet. But
I guess he will. He makes a few noisy
utterances I guess you'd call it -

The situation at home hasn't
changed much. ~~the~~ mama still goes
out with sarcastic remarks which
will have to be gotten used to. But
very nerve racking.

Kain made book cases for the
living room and boy the room looks
real nice now - the cases are
lined up along the wall where the
radio was and the radio is
under the high small window in
front - The room looks larger
and real warmer and friendlier
now. We also finally got Kain to

3

I made a buffet ~~table~~ along the wall in
the dining room and we are giving
him the buffet that was in
that room before - and even as
under the windows so papa can
put his scrapbooks etc. in an orderly
place - Papa appreciates this very
much - There really isn't anything we
can give pap. and these little
shelves etc are things he wants so
we're getting them in for him.

Your people have received the
wedding pictures n'est-ce pas -
they aren't too bad - are they?
And I guess the candy for the children
got there are - oh - ^{some} - ~~papers~~ a
lot of enjoyment reading things to
their grand children - no end.

Mary gave Mom some things to send
off to your people - As soon as pap
gets them wrapped up will go read
them off - but don't expect them to

was 'em' us guys as admirer
them yet -

While down South ~~and~~ the guys
stopped in and so Sand-Chair -

They said she looked fine - she
doesn't do anything -

I bump into Waka once in awhile
in Berkeley -

All the money Jackie got ^{at} his
father's review he gave to the
J.A.C.L. which was mighty white
I hear -

Bureau must be not so good
for Jackie now - he advertised
in the Hayward Review now -
which he has never done before
I'll send you a copy of the ad as
soon as I get a hold of one again.

Your friend Jan Adew -
helped the girls at Shubert Hall
in redecorating the dining room. She

5
was real enthusiastic - and the
room looks pretty nice. I didn't
get around to ~~to~~ meet her - but
if she comes around again I will.

Boy you should see all the houses
being built around the neighborhood
down Jackson St. There have been
lots, and houses built down the
old Apical Acheard - and in
Bycamore Co. - off Niles rd. a
bunch of modern flat top houses
have been built and people
have moved into them. There
have been streets in late fall
of '49 - All transient people
moving into the area. \$

Also John Meier school is
having a new building put up.
Johnny Sechels sold part of his
land ^{next to} the school to the city
for that purpose.

Will take it away - love
Wendy
