Mr H. M. Clark,
~~Estimate~~ Ouley Va

Dear Mr Clark;

May I introduce Mr H.
Domoto, of Hayward, Calif.,
who is seeking a location
in the East for a Pevony
and Camilla Nursery his
father and brother have
developed during many years
in California.

I told him of the mild
climate of the Eastern Shore

and he is interested.

Any information or
other help you can give
him would be appreciated
by me.

If you have any
needs or require a florist
in the county he would
be grateful for the opportunity
to meet them.

Sincerely yours
U.E. Bower
