Sunday October 14, 1923

Dear Brother:

I went up the hill last Sunday with some boys. We went and set some trap.

I got poison oak as usual. I think I can go to school some time this week. I don't think I will get the dollar this time.

There are about four houses in Mr. Morgan's lot now.

The fence the fell down is fixed very fine now. The fence by the road is put

up again.

There is some water  
down the creek now.  
I wish the fishes don't  
come until I get well.

When winter comes  
tell me about the winter  
sports. Do you care  
if I put up the other  
airedal up.

My plant was pretty  
good the last time I  
ever saw it.

We got some pretty  
Chrysanthemum  
from Kawasaki San  
and today we got  
some from Ichijomy  
San.

Aren't you lonesome  
down there. I hope  
you got some friends  
there.

Where did you  
leave the bag and  
butterfly. I want  
to look at them.  
I wish you will come  
home because I  
am very lonesome.

We got the  
clock in the parlor  
fixed. It rings  
every half hour.  
I think I will close  
because I am going  
to eat ice cream.
