Dear Brother;

I am fine but getting kind of lonely because you are not home. I think you better not spend so much money on me this Christmas. Nowadays its foggy like anything and cold but in the afternoon it gets a little warmer. I can speak pretty good in Spanish but I dont want to boast too much. Hay Meblina i no es verdad?

Did you hear the
good news that Stanford
tied California in football
I asked you if you
heard the good news
because the good news
travels like wild forest
fire. We got a good
fire place set for the
parlor. It has tongs,
shovel, poker and hearth
broom. Thanks for the
flower you send us.
We got two turkey from
Mr. Nagasawasan already
Oh! Boy!
yum! yum!

We go to school only
three days and two
days vacation. Excuse
me because I don't
separate the letter
into paragraph
because it take
too much room
There is a show
near the library
called "Granada
Theater" and its open
already too

Good By
Yours lovingly
K P
