Dear Mr. Kameji Omoto.

Looking through the current issue of Pacific Citizen I noticed in the vital section the passing of your father. When I recalled the days in Merced Assembly Centre when I used to talk to him, he sure was nice in explaining different problems of this modern world.

May I extend my deepest regret and sympathy, may in the hours to come, despite the loss, bring happiness to you and brother Tsuchi and sisters Wakako and Yuki san.

Yours sincerely
George Y. Hemanishi
