Dear Mr. Domoto:-

It is with regret that I must tell you that we were not able to get your reading on August 14th.

Mr. Cayce has been working under such a strain that he was finally forced to take a rest.

I am very sorry that your appointment comes among those to be cancelled.

Mr. Cayce will, as soon as possible, be glad to give you another appointment, if you wish it, thought it may be some months before an opening can be found.

Please let us know your wishes.

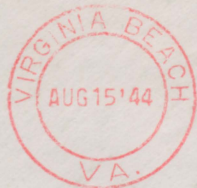

Sincerely,

Glady's Davis
Secretary to Mr. Cayce
